I Reserve Fund

and to determine in each case how and under whose direction the money shall be expended, to impose any conditions and restrictions thereon which the Town may see fit; to determine how much of the

money so appropriated shall be available for expenditures under Clause (34) of Section 5 of Chapter 40 of the General Laws as amended by Chapter 36 of the Acts of 1928; to fix the terms and conditions of any loan or loans authorized to procure any of such funds and to authorize the issue of bonds or notes for the same, and fix the term and rate of interest of any such bonds or notes; to fix such salaries as require to be fixed by the Town Meeting; or take any other action in reference to any of the foregoing subjects.

Art. 2. To take any action that the Town may think proper upon the reports of the several Town Boards and Committees and appoint or change any committee that the Town may think proper.

Art. 3. To see if the Town will vote to authorize its Treasurer with the approval of its Selectmen, to borrow money in anticipation of the revenue of the current financial year.

Art. 4. To see if the Town will vote to authorize its Treasurer, with the approval of its Selectmen, on and after January 1, 1931, to borrow money in anticipation of the revenue of the year 1931.

Art. 5. To see what sum of money the Town will vote from surplus for the use of the Assessors in determining the tax rate for the year 1930.

Art. 6 To determine in what manner taxes shall be collected during the current year, and fix the rate of interest on all taxes remaining unpaid after the time fixed for payment.

Art. 7. To see if the Town will vote to authorize the Selectmen to sell or otherwise dispose of any real or personal property of which the Town may be possessed or seized and for which it has no further use, including all real estate of which the Town has possession or title for non-payment of taxes; to see if the Town will vote to authorize any other department to sell or otherwise dispose of any personal property in its possession, and to determine the manner or conditions of such sales, or take any other action in reference thereto.

Art. 8. To see if the Town will accept Section 13 of Chapter 40 of the General Laws.

Art. 9. To see what sum of money the Town will vote to raise and appropriate for the establishment of a Municipal Buildings Insurance Fund under Section 13 of Chapter 40 of the General Laws, to determine the conditions under which said fund shall be held and to determine who shall have the management thereof until such time as commissioners of trust funds can be legally elected, or take any other action in reference thereto.

PARK DEPARTMENT

Art. 10. To see if the Town will vote to accept from the Pond Plain Improvement Association Incorporated a lease of the following parcels of land for park purposes:

First parcel: A certain parcel of land containing 5000 square feet more or less situated on the Easterly side of Pond street and bounded and described as follows:

Commencing on the Easterly side of Pond Street at the Northwesterly corner of land now or formerly of Lucinda E. Thomas.

Thence running Northerly by said Pond street, 40 feet;

Thence running Easterly by other land of the Pond Plain Improvement Association Incorporated, 125 feet;

Thence running Southerly by other land of said Pond Plain Improvement Association Incorporated 40 feet to land now or late of Lucinda E. Thomas:

Thence running Westerly by land now or late of Lucinda E. Thomas, 125 feet to the point of beginning.

Second parcel: A certain parcel of land situated Easterly of Pond Street, containing 13,125 square feet of land more or less, and bounded and described as follows:

Commencing in the Northerly line of the land of the Pond Plain Improvement Association Incorporated at a point 75 feet Westerly of the Southeasterly corner of land of Clarice S. and Beulah M. Blanchard, joint tenants;

Thence running Easterly by said land of Blanchard and land now or late of Merritt M. Bates, 175 feet;

Thence running Southerly by other land of the Pond Plain Improvement Association, Incorporated, 75 feet;

Thence running Westerly by other land of the said Pond Plain Improvement Association, Incorporated, 175 feet;

Thence running Northerly by other land of said Pond Plain Improvement Association, Incorporated, 75 feet to the point of beginning, or take any other action in regard to the same.

Art. 11. To see if the Town will vote to authorize the Board of Park Commissioners to acquire by purchase or take by right of eminent domain for park purposes a certain parcel of land lying on the Northwesterly side of Commercial street near the foot of Webb Street, belonging to Kate Pierce Thayer, or any portion thereof, and to see what sum of money the Town will vote to raise and appropriate for the acquisition of said land, or take any other action in reference thereto.

Art. 12. To see if the Town will vote to accept from Nellie G. Leary, Margaret G. Dondero and Mary W. Baner leases of the right to flow certain land lying Southerly of Park Avenue and known as the "Joseph E. Torrey Meadow" and to occupy the same for skating purposes during the winter months

Art. 13. To see if the Town will vote to authorize the Board of Park Commissioners to acquire by gift, lease, or purchase or take by right of eminent domain any rights of way leading to the

said property described in the preceding article, and to see what sum of money the Town will vote to raise and appropriate for the acquisition of said rights of way.

Art. 14. To see if the Town will vote to authorize the Board of Park Commissioners to acquire by purchase or lease or take by right of eminent domain for park purposes the fee simple or any lesser interest in the whole or any part of the following described two parcels of real estate located in that part of Weymouth known as North Weymouth, and bounded and described as follows:

First Parcel: Northwesternly by Green Street about 990 feet;
Southerly by Green Street about 742.68 feet;

Northwesternly by land of Miles P. Keene by the southerly end of Forest Ave., so called a private way, and by land of George J. Thiers, a total distance of 1184.38 feet;

Northeasterly by land of the United States of America a distance of 491.35:

Easterly by said land of the United States of America by various courses, a total distance of about 2061.75 feet;

Southerly by land now or formerly of Hinston Realty Trust about 141.58 feet;

Southeasterly by said land now or formerly of Hinston Realty Trust about 1450 feet;

Southwesterly by land of James B. Jones about 1000 feet;

Northwesternly by land of Joseph O. Thompson about 655.90 feet;

Southwesterly by said land of Joseph O. Thompson about 624.65 feet.

Containing about 96.2 acres more or less, said parcel comprising the whole of the land described in Land Court Certificate No. 11171 Registry District of Norfolk County, and standing in the name of Catherine H. Mathewson in deeds to Alvah M. Thompson recorded in Norfolk Registry of Deeds Book 1156, Page 632, Book 1566, Page 573, Book 1438, Page 56 and Book 1190, Page 204, and portions of the land described in Land Court Certificate No. 7898. Registry District of Norfolk County, standing in the name of James B. Jones, and in deed to Edward C. Ross recorded with Norfolk Registry of Deeds Book 896, Page 133, and to Mary E. Rudd recorded with Norfolk Registry of Deeds, Book 1067, Page 161.

Second Parcel: Northeasterly by Green Street about 347 feet;

Northwesternly by land of Miles P. Keene;

Northeasterly by said land of Miles P. Keene;

Northwesternly by land of Adelaide A. Baxter about 869 feet;

Southwesterly by land of Harry L. White and Amy L. White, joint tenants, about 400 feet; and

Southeasterly by Green Street about 1368.50 feet.

Containing about 15.2 acres more or less, and comprising the whole of each of the various premises more particularly described in the deeds to Alvah M. Thompson recorded in Norfolk Registry of Deeds Book 1566, Page 573, Book 1562, Page 102, and Book 1211, Page 168, and to see what sum of money the Town will vote to raise and appropriate for the acquisition of said property, or take any other action in reference thereto.

Art. 15. On petition: To see if the Town will vote to authorize the Board of Park Commissioners to acquire by purchase or take by right of eminent domain for park purposes the whole or any part of the following described parcel of land:

A certain parcel of land located Easterly of the canal in that part of Weymouth known as East Weymouth, and bounded Easterly by the canal;

Southeasterly by land of Charles A. Spear et als;

Southerly by Broad Street;

Northwesterly by land of Clayton B. Merchant et al and Charlie W. Dunbar;

Southwesterly by land of Charlie W. Dunbar and First Congregational Society of East Weymouth; and

Northwesterly by land of Arthur L. McGregory and land of Jessie H. Levell.

Comprising about 202,775 square feet of land belonging to Charlie W. Dunbar and 1 and 1-3 acres of land of Jessie H. Lovell, and to see what sum of money the Town will vote to raise and appropriate for the acquisition of said land, or take any other action in reference thereto.

WATER DEPARTMENT

Art. 16. To see if the Town will authorize the issuance of not to exceed \$15,000.00 in bonds or notes for the construction of water mains of six inches or more in diameter, said bonds or notes to be payable within fifteen years of the date of issue, and in accordance with Section 19 of Chapter 44 of the General Laws, or take any other action in relation thereto.

Art. 17. To see if the town will authorize the appropriation of not to exceed \$25,000.00 from the General Fund of the Water Department for carrying on necessary work for private parties, payment for such work to revert to the General Fund, or take any other action in relation thereto.

Art. 18. To see if the Town will vote to re-affirm the action taken under article 35 of the warrant for the annual Town meeting in 1928 and Article 12 of the warrant for the annual Town meeting 1929 authorizing the Board of Water Commissioners to acquire by gift or purchase or take by right of eminent domain for the purpose of protecting the Town's water supply certain land lying within the water shed of Great Pond and not already owned by the Town; and to see what sum of money the Town will vote to raise and appropriate for said purpose, and to determine by vote in what manner the funds for said purpose shall be raised and determine the conditions of any loan or loans necessary to procure such fund, to authorize the issue of bonds or notes for the same, and to fix the term and rate of interest on said bonds or notes or take any other action in reference thereto.

Art. 19. To see if the Town will vote to authorize the Selectmen to accept on behalf of the Town deeds of any lands adjoining parcels taken or purchased by the Town for the protection of the water supply in the vicinity of Great Pond, and will authorize the Board of Selectmen to sell said lands or to convey them in full

or partial settlement of any claims for damages for land taken for the purpose of preserving the purity of the water supply, or take any other action in reference thereto.

Art. 20. To see what sum of money the Town will vote to raise and appropriate for the construction of a storage reservoir in North Weymouth, including the site therefor, and will authorize the board of water commissioners to acquire by purchase or take by right of eminent domain suitable land therefor.

Art. 21. On petition: To see what sum of money the Town will vote to raise and appropriate for the installation of a hydrant at the back end of Wood Avenue, or take any other action in reference thereto.

Art. 22. By request of the Committee on Town Forest: To see what sum of money the Town will vote to raise and appropriate for the planting of certain areas owned by the Town within the water shed of Great Pond, or take any other action in relation thereto.

POLICE AND FIRE DEPARTMENTS

Art. 23. To see if the Town will vote to acquire by gift or purchase or take by right of eminent domain certain parcels of land in the "Birches" and certain water rights in connection therewith for the purposes of installing hydrants, wells or other means of fire protection thereon and to see what sum of money the Town will vote to raise and appropriate for said purpose, or take any other action in reference thereto.

Art. 24. To see if the Town will vote to accept Section 48 of Chapter 31 of the General Laws as to the permanent members of its Fire Department, or take any other action in reference to regulating the appointment and tenure of office of permanent members of the Fire Department

Art. 25. On petition: To see if the Town will vote to pay for the services of the call men of the Weymouth Fire Department a salary at the rate of \$100 per year and raise and appropriate money for the same, or take any other action relative thereto.

Art. 26. To see what sum of money the Town will vote to raise and appropriate for the erection and equipping of a new Fire Station, Ward 2, in accordance with the plans of the Committee in charge of the matter and to determine the manner in which the money so appropriated shall be raised, whether by loan or otherwise, and to fix the terms and conditions of any loan or loans necessary to procure said money, and to authorize the issue of bonds or notes therefor, or take any other action in reference thereto.

Art. 27. To see what sum of money the Town will vote to raise and appropriate for the installation of a new fire alarm circuit in the new Ward 2 Fire Station, or take any other action in reference thereto.

CIVIC CENTER

Art. 28. To see if the Town will vote to instruct the Committee on New Town Hall and War Memorial to close the accounts in reference to the New Town Hall on or before July 1, 1930, and that all moneys remaining in said appropriation which are unexpended at that time shall revert to the Treasury, and to see what action the Town will take as to payment of any sum that may remain due the contractor after all adjustments are made.

Art. 29. To see what sum of money the Town will vote to appropriate from the accumulated income of the John B. Rhines Fund or raise and appropriate for mural decorations in the Town Hall.

Art. 30. To see what sum of money the Town will vote to raise and appropriate for the dedication of its Memorial Cross and of the remaining tablets on the walls of the Open Air Theatre.

Art. 31. To see what sum of money the Town will vote to raise and appropriate for the completion of the memorial tablets on the wall of the Open Air Theatre.

PUBLIC CELEBRATIONS

Art. 32. To see what sum of money the Town will vote to raise and appropriate for the celebration of the 300th anniversary of the founding of the Massachusetts Bay Colony, or take any other action in regard to the same.

Art. 33. At the request of the Massachusetts Old Home Week Association: To see what sum of money the Town will vote to raise and appropriate for an Old Home Week or Day during the current year in connection with the Massachusetts Bay Tercentenary.

Art. 34. To see what action the Town will take in reference to accepting the invitation of the Borough of Weymouth and Melcombe Regis, Dorset, England, to be represented at the dedication of the New Town Bridge in said Borough.

Art. 35. To see if the Town will instruct the Board of Selectmen to invite the National Commander and the National Convention of the American Legion or any delegation thereof to visit Weymouth in October, 1930 in connection with the National Convention of the American Legion in Boston.

SCHOOL DEPARTMENT

Art. 36. To see what sum of money the Town will vote to raise and appropriate for the further improvement of Legion Memorial Field.

Art. 37. To see what sum of money the Town will vote to raise and appropriate for the construction and equipment of an addition to the Bicknell School, North Weymouth, and to determine by vote the manner in which the funds for said purpose shall be raised and the terms and conditions of any loans necessary to procure such funds, and to authorize the issue of bonds or notes for the same and to fix the term and rate of interest on such bonds or notes, or take any other action in relation thereto.

Art. 38. To see if the Town will vote to authorize the Board of Selectmen to acquire by purchase or take by right of eminent domain for school purposes the parcel of land adjoining the High School bounded and described as follows:

"Beginning at the Northeasterly corner of the premises at the junction of said land with land of the Town of Weymouth on the Westerly side of Middle Street:

Thence Southerly, bounded Easterly by said Middle Street 83.16 feet;

Thence Westerly by a line parallel with end distant 100 feet Northerly from the Southerly boundary of property now or formerly of the New England Telephone and Telegraph Company;

Thence Westerly approximately 205 feet to a stake at land now or formerly of Owen Mitchell;

Thence Northerly on land of said Mitchell 144.24 feet to land of said Town of Weymouth;

Thence Easterly on said land of the Town of Weymouth 336.78 feet to the point of beginning on said Middle Street.

Being the same premises described in a deed of Rose A. Homa or Holna to Belle S. Whitmarsh dated October 19, 1923 and recorded with Norfolk Deeds, Book 1579, Page 630 and to see what sum of money the Town will vote to raise and appropriate for the acquisition of the above described land, or take any other action in reference thereto.

Art. 39 On petition: To see what sum of money the Town will vote to raise and appropriate to recondition the athletic field of the Bicknell School, or take any other action in reference thereto.

Art. 40 On petition: To see what sum of money the Town will vote to raise and appropriate to build two tennis courts on that portion of the Bicknell School grounds acquired by the Town from Mary A. Donovan.

STREETS, DRAINS, AND STREET LIGHTING

Art. 41. To see if the Town will accept the several reports of the Selectmen, laying out as Town ways the following designated private ways, or any of them, to wit:

Addington Circle
Byron Road
Clinton Road
Durant Road
Eliner Road
Hibiscus Avenue
Judson Road
Kirkland Road
Lakeside Avenue
Pierce Road
Riley Avenue
Roosevelt Road
Seminole Avenue
Vanness Road
Wachusset Road
Wilson Road

or any portion of said ways and will authorize the Board of Selectmen to acquire by gift or take by right of eminent domain an easement for all purposes of a public street and highway in and over each of said streets as so laid out, and accepted, and to see what sum of money the Town will vote to raise and appropriate for the working of each of the above named streets including the acquisition of the easements above referred to or for the building of any bridges in connection therewith and to see whether the Town will authorize the Board of Selectmen to accept deeds of any reservation strips existing in connection with any of said streets, or take any other action in relation thereto.

Art. 42. On petition of the East Weymouth Community Club. To see if the Town will vote to request the Eastern Massachusetts Street Railway Company to remove their tracks on Broad Street from Johnson Square to Jackson Square, or take any other action in relation thereto.

Art. 43. On petition of the Planning Board: To see if the Town will vote to name the street connecting Commercial and Middle Streets at the Northerly side of Legion Field "Legion Way"

Art. 44. On petition of the Planning Board: To see what sum of money the Town will vote to raise and appropriate for the installation of (2) two electric lights with suitable poles on the Legion Field side of the street connecting Commercial and Middle Streets, one at or near the junction of Commercial Street and one at or near the junction of Middle Street.

Art. 45. On petition of the Planning Board: To see what sum of money the Town will vote to raise and appropriate for the installation of the following traffic lights:

One at Washington Square;
 One at the Corner of Main Street and Park Avenue, and
 One at the corner of Pleasant Street and Park Avenue,
 or take any action in reference thereto.

Art. 46. On petition of the Planning Board: To see what sum of money the Town will vote to raise and appropriate for the installation of four traffic lights as follows:

One at the junction of Bridge and North Streets.
 One at the corner of Main and Middle Streets.
 One at Lincoln Square; and
 One at Independence Square.

Art. 47. On petition: To see what sum of money the Town will vote to raise and appropriate for the installation of a traffic signal in Washington Square.

Art. 48. On petition: To see what sum of money the Town will vote to raise and appropriate for the repair of Iron Hill Street, or take any action in reference thereto.

Art. 49. On petition: To see what sum of money the Town will vote to raise and appropriate to resurface the sidewalk on the southerly side of Hollis Street from Harold Klingeman Square to the residence of Herman Wieting, or take any other action in relation thereto.

Art. 50. On petition: To see what sum of money the Town will vote to raise and appropriate for the purpose of constructing a permanent sidewalk on Washington Street, from land of William R. Martin (end of present sidewalk) to Middle Street, or take any other action in relation thereto.

Art. 51. On petition: To see what sum of money the Town will vote to raise and appropriate for the building of a permanent walk from the present finished point on Pond Street at Swan Avenue farther South on Pond Street to the home of Herman Anderson, or take any other action in relation thereto.

Art. 52. On petition: To see what sum of money the Town will vote to raise and appropriate to extend the permanent sidewalk from the present finished point on Main Street, south to the home of Alice Hochstrasser, or take any other action in relation thereto.

Art. 53. On petition: To see what sum of money the Town will vote to raise and appropriate for the building of a permanent sidewalk on the northerly side of Broad Street commencing at a point in front of the property of Delia E. Caulfield and extending to Central Square, or take any other action in relation thereto.

Art. 54. On petition: To see what sum of money the Town will vote to raise and appropriate for the purpose of erecting a sea wall on the water side (northwesterly side) of Wessagusset Road, extending from the property of Lucy Gloag to the property of Charles V. Douse, a distance of approximately three hundred and fifty (350) feet, or take any other action in relation thereto.

Art. 55. On petition: To see what sum of money the Town will raise and appropriate to install a system of drains and catch-basins on Pond Street from Fountain Square to the N. Y. N. H. & H. R. R. tracks at South Weymouth Station, or take any other action in relation thereto; to see if the Town will authorize the Board of Selectmen to acquire by gift or purchase or take by right of eminent domain any drainage easements necessary therefor, or take any other action in reference thereto.

Art. 56. On petition of Civic Committee of the Chamber of Commerce: To see if the Town will appoint a committee of seven to make a detailed report and preliminary plan for the widening of Broad Street from Lincoln Square to Commercial Square or any portion thereof, and that the sum of (\$500.00) five hundred dollars be raised and appropriated for the use of said committee, or take any other action in relation thereto. This committee to be appointed by the Moderator.

Art. 57. On petition: To see if the Town will vote to authorize the Selectmen to acquire by purchase or take by right of eminent domain from the owners the so called "Bicknell Meadow" located in Precinct Two, as per plan drawn by Russell H. Whiting, C. E., for drainage purposes, the same being necessary to take care of the great volume of surface water that accumulates on that portion of Broad Street between Shawmut Street and Jackson Square, and that the Town raise and appropriate the money for the same, or take any other action in relation thereto.

Art. 58. To see what sum of money the Town will vote to raise and appropriate for improving the channel of Smelt Brook and to determine on what conditions the same shall be available, or take any other action in reference thereto.

Art. 59. To see if the Town will instruct its Selectmen to petition the Legislature for an enabling act permitting Weymouth to become a member of the South Metropolitan Sewerage District, or take any other action in reference thereto.

Art. 60. To see if the Town will accept the report of the Selectmen relocating portions of the following Town Ways:

- (1) Torrey Street at its junction with Park Avenue.
- (2) The junction of Pond and Derby streets adjoining the South Weymouth Railroad Station.

and to see if the Town will authorize the Board of Selectmen to acquire by purchase or take by right of eminent domain an easement for all purposes of a public street and highway in and over the land included in said relocations so far as the same is not already owned by the Town and to see what sum of money the Town will vote to raise and appropriate for the acquisition of said easements and the working of said streets as so relocated, or take any other action in reference thereto.

Art. 61. To see if the Town will vote to borrow money for paying any portion of the amount due from it for the construction of the Circumferential Highway described in Chapter 364 of the Acts of 1929, and to determine the terms and conditions of any loan or loans necessary to procure such funds, and to authorize the issue of bonds or notes for the same, or take any other action in relation thereto.

Art. 62. To see if the Town will authorize the Board of Selectmen to acquire by purchase or take by right of eminent domain an easement for drainage purposes over land of D. Arthur Brown, Trustee, lying westerly of Oakcrest Road and Northerly of land now or late of George P. and Mildred Neal, and to see what sum of money the Town will vote to raise and appropriate for the acquisition of said easement, or take any other action in reference thereto.

RETIREMENT SYSTEMS AND PENSIONS

Art. 63. To see if the Town will accept any act passed by the Legislature authorizing the Town to pay an annuity to the family of the late John Q. Hunt, chief of the Fire Department, and to see what sum of money the Town will vote to raise and appropriate for said purpose.

Art. 64. To see if the Town will accept Section 88 of Chapter 32 of the General Laws as amended, providing for the payment of pensions to the families of policemen and firemen in certain cases.

Art. 65. To see if the Town will vote to accept Section 89 of Chapter 332 of the General Laws as amended, providing for payment of annuities to the families of policemen and firemen in certain cases.

Art. 66. To see if the Town will accept Sections 26 to 31 inclusive of Chapter 32 of the General Laws providing for the establishment of a Town retirement system for its employees, said sections having been duly accepted by the Selectmen as provided by law, or will take any other action relative to establishing a Town pension and retirement system.

MISCELLANEOUS

Art. 67. To see if the Town will vote to fix the term of office of its Treasurer and its Collector of Taxes or either of them at three (3) years.

Art. 68. To see if the Town will vote to make the following amendments to its by-laws or take any other action in reference thereto.

Amend Section 301 by striking out in next to the last sentence thereof the word "two" and inserting in place thereof the word "three".

TOWN HALL

Add the following new sections:

Section 407. Whenever in connection with the settlement of any claim against the Town for damage to real estate the Selectmen can without additional expense to the Town obtain title to the land affected, and in their judgment it is for the advantage of the Town so to do, they are authorized to accept on behalf of the Town a deed to the fee simple or any less interest therein.

Section 618. The janitor of the Town Hall shall cause the national and Town flags to be displayed daily in front of the Memorial Wall, except in stormy weather. In stormy weather he shall cause the national flag to be displayed on patriotic holidays and days on which the public schools are in session.

Section 619. Smoking or carrying of lighted pipes, cigars or cigarettes shall not be permitted in the Council Chamber.

Section 620. The floor covering of the Council Chamber shall not be removed except when dancing is to take place and then only during the time actually occupied by dancing.

Section 621. Until such time as the Town may create an art commission no pictures or other mural decorations shall be placed in the Council Chamber, the central rotunda or the second floor corridor of the Town Hall, except by vote of the Town Meeting, and no change in the lighting fixtures or in the color of the paint of the building shall be made, and no fixtures of any kind shall be installed in the building without a like vote of the Town Meeting.

Section 727 is hereby amended by inserting in the first sentence thereof after the words "public notice and hearing", and words "and upon the unanimous recommendation of the Board of Appeal", and by inserting after the words "be built a less distance" the words "but no such recommendation shall be given if such erection would damage neighboring property or interfere with any plans then pending or under consideration for the development or widening of the way on which said building is located.

Add at the end of Section 711 the following sentence: "In case of damage to a building by fire or other casualty, the Building Inspector may without the issuance of a formal building permit allow the roof and walls to be made tight temporarily, but no reconstruction shall be permitted except in accordance with this chapter.

Amend Section 797 by striking out the words "this by-law" and inserting in place thereof "any section of this article."

Section 901 is hereby amended by striking out the figures "601, 602, 603, 604, 605, 606, 607, 608, 609, 611, 612, 613, 614, 615", and inserting in place thereof the words "or any section of Article VI except Section 610."

The foregoing amendments to the by-laws shall go into effect on the calendar day following their third publication after approval by the Attorney General as required by law, provided nevertheless that so far as any of the foregoing provisions are identical with those of the present by-laws of the Town they shall be considered as a continuation of the existing by-laws and the repeal or amendment of any provision shall not affect any penalty or forfeiture incurred before the date on which said repeal or amendment takes effect, and shall be disapproved by the Attorney General or held invalid by any court of last resort, the same shall not effect any other provisions of these by-laws.

Art. 69. To see if the Town will vote to instruct its Selectmen to petition for legislation in reference to the manner of administering poor relief in the Town, or take any other action in reference thereto.

Art. 70. To see if the Town will vote to authorize its Board of Selectmen to accept conveyances or mortgages of any real or personal property belonging to persons receiving poor relief from the Town and to dispose of said property in the manner they may adjudge for the Town's best interest, and to authorize them to discharge any encumbrance on said property if they consider it for the best interests of the Town so to do, and to see what sum of money the Town will vote to raise and appropriate for the discharging such encumbrances.

Art. 71. To see what action the Town will take in reference to the appointment and tenure of office of the Superintendent of the Fire Alarm and his assistants.

Art. 72. To see if the Town will vote to accept from Frederic Gilbert Bauer a deed of a triangular piece of land containing 18 square feet situated at a bend in Shawmut Street in East Weymouth, and shown on a Plan of Land in (East) Weymouth, Mass. September 20, 1929, Russell H. Whiting, Civil Engineer, recorded with Norfolk Deeds Book 1874, Page 423.

Art. 73. To see if the Town will vote to raise and appropriate a sum of money for the eradication of mosquitos the same to be spent under Chapter 252 of the General Laws as amended by Chapter 457, Acts of 1923, and subsequent amendments, especially Chapter 288 of the Acts of 1929.

Art 74. On petition. To see if the Town will vote to raise and appropriate a sum of money to provide permanent quarters for Wessagussett Post No. 1399 of the Veterans of Foreign Wars of the United States, this is in accordance with Chapter 40, General Laws.

You are futher required to notify and warn said inhabitants of Weymouth qualified to vote in Town affairs, in case all the articles in the foregoing warrant shall not be acted upon at the meeting called for said third day of March, to meet in adjourned session at the hall of the Weymouth High School on Wednesday the fifth day of March, 1930, at 7 o'clock and forty-five minutes in the evening, then and there to act upon such of the foregoing articles as shall not have been acted upon on March third or action upon which may at said meeting of March third have been deferred until said adjourned session.

You are further required to notify and warn the inhabitants of Weymouth qualified to vote in elections to meet at the polling places in their respective precincts, to wit: In precincts 1, 3, 5 and 6 in the halls of the Fire Engine Houses located in those precincts respectively; in Precinct 2 at G. A. R. Hall on Commercial Street; in Precinct 4 at the building of the Citizens' Association Inc. on Front Street; in Precinct 7 at the Lovell's Corner Improvement Association building on Washington Street; in Precinct 8 at the Weymouth Heights Club building on North Street, Monday, the 10th day of March, 1930 at five o'clock and forty-five minutes in the forenoon, then and there to bring in to the wardens of their several precincts, their votes on one ballot, for the following named public officers, to wit:

Town Treasurer, five Selectmen, one Assessor for three years, two members of the School Committee for three years, one Park Commissioner for three years, one Water Commissioner for three years, Tax Collector, one member of the Board of Health for three years, three Trustees of Tufts Library for three years, Tree Warden, two members of the Planning Board for three years, Annual Moderator, and for the election in Precinct 1 of thirteen Town Meeting members for said Precinct for three years, in Precinct 2 of eleven Town Meeting members for said Precinct for three years, and one Town Meeting member for said Precinct for two years to fill a vacancy, in Precinct 3 of sixteen Town Meeting members for said Precinct for three years, and one Town Meeting member for said Precinct for two years to fill a vacancy, in Precinct 4 of six Town Meeting members for said Precinct for three years, in Precinct 5 of seventeen Town Meeting members for said Precinct for three years, in Precinct 6 of thirteen Town Meeting members for said Precinct for three years, and two Town Meeting members for said Precinct for two years to fill vacancies, in Precinct 7 of five Town Meeting members for said Precinct for three years, and in Precinct 8 of four Town Meeting members for said Precinct for three years.

The polls will be closed at four o'clock in the afternoon.

You are directed to serve this warrant by posting a copy thereof, attested by you in writing, in each of two public places in each voting precinct in said Town, seven days at least before the time for holding the first meeting called for in this warrant.

Hereof fail not, make due return of this warrant with your doings to the Town Clerk of said Town, on or before the twentieth day of February, 1930.

Given under our hands at Weymouth this tenth day of February in the year of our Lord Nineteen Hundred and Thirty.

H FRANKLIN PERRY
FRED E. WAITE.
EDWIN R. SAMPSON
WILLIAM A. CONNELL,

Selectmen of Weymouth

A true copy. Attest:

EDWARD F. BUTLER

Constable of Weymouth.

RETURN OF SERVICE

Commonwealth of Massachusetts

Norfolk ss.

Weymouth, February 22, 1930

Pursuant to the within warrant the annual meeting of the warned the inhabitants of Weymouth aforesaid to meet at the respective places and times for the purposes set forth in said warrant, by posting true and attested copies of the same in two public places in each voting precinct in said town as therein directed seven days before the time for holding said meeting.

Edward F. Butler

Constable of Weymouth

ANNUAL TOWN MEETING

March 3, 1930

Pursuant to the within warrant I have this day notified and inhabitants of Weymouth, represented by its duly elected and qualified Town Meeting Members, was held at the hall of the Weymouth High School, East Weymouth on Monday evening, the third day of March 1930.

The meeting was called to order at 7:50 o'clock by George L. Barnes, Annual Moderator, who requested the Town Clerk to read the warrant, the Town Clerk read the call for said meeting and it was voted: That the further reading of the warrant be omitted as each Town member had a copy of the warrant. The Town Clerk then read the last three paragraphs of the warrant and the attestation of the constable who served the warrant.

The Moderator then asked Rev. Dr. Winfield S. Randall, pastor of the Congregational Church, East Weymouth, to the platform, and he invoked the Divine Blessing of the Ruler of the Universe upon the deliberations of the meeting.

Before proceeding to the business of the evening the following were sworn in as Town Meeting Members, Arthur A. Cicchese, Roland M. Smith and Fred W. Crocker.

John W. Heffernan, Sec'y of the Appropriation Committee offered the following resolutions and they were unanimously adopted.

Resolved: That the thanks of the town be extended to Mr. William E. Dizer and Mrs. Lizzie E. Granger for the gift of pictures and to Mrs. Frederick M. Torrey for the gift of a relic from the battlefield of Antietam for display in the Town Hall, and that the Town Clerk be instructed to notify said persons of this vote.

Resolved: That the thanks of the Town be extended to Mr. Daniel D'Ambrosia for the police signal box constructed by him for the use of the Police Department at Lovell's Corner, and that the Town Clerk be instructed to send him an attested copy of this vote.

Art. 1. Voted: To provide for the salaries, operation and expenses during the current fiscal year of the several town's departments and activities, for certain permanent improvements and to meet certain requirements of the law, the several sums hereinafter set forth are hereby appropriated for the several purposes and subject to the conditions hereinafter specified, all such sums to be raised by taxation in the levy of the current year unless some other source of revenue is expressed.

G. Interest and Debt Requirements

Item 43.	For Interest and Discount	59,000.00
Item 44.	For the payment of bonds and notes due in 1930	78,077.70

H. Municipal Insurance**I. Reserve Fund**

For a Reserve Fund	15,000.00
--------------------	-----------

Of the sum herein appropriated 200. of the appropriation for the Selectmen's Department, 100. of the Appropriation for the Police Department, 100. of the appropriation for the Fire Department, 100. of the appropriation for the Highway Department and 50. of the appropriation for the Tufts Library shall be available for traveling expenses of the officers and employees of said departments outside the Commonwealth in securing information upon matters which may tend to improve the service in their respective departments, and when any official of the town whose compensation is at the rate of 1,000. a year or less shall be required to leave the town for the purpose of attending on behalf of the town any hearing before an administrative board or official or before a court otherwise than a witness, the Selectmen may allow him not exceeding 10.00 per day for the time so consumed, in addition to the salary or emoluments of his position hereinbefore fixed or otherwise fixed in accordance with law.

And further provided that no moneys herein appropriated shall be available for the purchase of motor vehicles other than trucks of more than two tons capacity and tractors unless the same shall be purchased from dealers living or having an established place of business in Weymouth.

And further provided that no moneys herein appropriated shall be available for the compensation of any plumbing inspector who is not a citizen of the town.

Art. 2. Voted: That the following committees be continued in office until the matters assigned to them shall be completed or until further order of the town.

Committee on Sewerage System

Committee on Ward 2 Fire Engine House

Committee on addition to Bicknell School.

Committee on Town Hall and War Memorial.

and that the Appropriation Committee either as a body or such sub committee as it may designate be instructed to prepare a system of graduated salaries for full time employees not elected by popular vote, together with other recommendations thereon.

Art. 3. Voted Unanimously: That the Town Treasurer with the approval of the Selectmen be and hereby is authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1931, and to issue a note or notes therefor, payable within one year; any debt or debts incurred under this vote to be paid from the revenue of said financial year.

Art. 4. Voted Unanimously: That the Town Treasurer with the approval of the Selectmen be and hereby is authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1931, and to issue a note or notes therefor, payable within one year; any debt or debts incurred under this vote to be paid from the revenue of said financial year.

Art. 5. Voted: That no action be taken under this article.

Art. 6. Voted: That the salary of the Tax Collector be six mil's on each dollar of taxes collected, and that the Selectmen be authorized and instructed to insure the Tax Collector in the sum of 15,000 hold-up insurance; and further that in any case where the Building Inspector certifies to the Tax Collector that the building on any property where taxes are unpaid is not in conformity with the building laws, the Collector shall instead of selling the property, take the same for the town under General Laws, Chapter 60, Sections 53 and following. The time of payment and rates of interest on unpaid taxes to be fixed in accordance with the provisions of Chapter 59, Section 57 of the General Laws.

Art. 7. Voted: That the Selectmen be authorized to sell or otherwise dispose of any real estate belonging to the town for which the town has no further use, including all real estate of which the town has possession or title for non-payment of taxes or breach of the condition of any mortgage, and that the Board of Selectmen be further authorized to sell or otherwise dispose of any personal property or buildings for which the town has no further use and that any other Board or Department having personal property or buildings for which the town has no further use may with the approval of the Selectmen sell or otherwise dispose of the same.

All sales hereunder shall be by public auction unless in the opinion of the Board of Selectmen the fair value of the property concerned does not exceed one hundred dollars (100.), in which case the sale may be either by public auction or private sale.

Prince H. Tirrell moved to amend by adding: That the School Committee be authorized to dispose of the old Hunt School building, either by demolition or by sale. Any sale of the building as a whole shall be by public auction. Sale of any materials derived from demolition of the building may be made upon such terms as the School Committee shall determine. All proceeds from any such sale or sales shall be paid to the Town Treasurer

The question of the amendment of Mr. Tirrell was put to the meeting and it was so voted. The question on the motion of the Appropriation Committee as amended was then put before the meeting and it was so voted.

Art. 8. Voted: That the town accept Section 13 of Chapter 40 of the General Laws. (Municipal Building Insurance Fund.)

Art. 9. Motion: To raise and appropriate for the establishment of a Municipal Building Insurance Fund under Section 13 of Chapter 40 of the General Laws the sum of Ten thousand dollars (10,000.00) and that until Commissioners of trust funds shall be legally elected the same to be administered by a temporary board consisting of the Town Treasurer, and two members of the Appropriation Committee to be designated by the Moderator, which board shall select its own chairman. Mr. Allan C. Emery moved to amend as follows: That in addition to the 10,000. of Municipal Insurance the remainder of insurance now expiring be renewed.

The question of the amendment was put before the meeting and it was so voted.

The motion of the Appropriation Committee as amended was then put before the meeting and it was so voted.

Francis A. Gunn moved the reconsideration of Article 1 and that each item be acted upon separately. So voted.

Voted: To raise and appropriate under item 1 the sum of 500.00
 To raise and appropriate under Item 2 the sum of 8,750.00
 To raise and appropriate under item 3 the sum of 5,650.00
 To raise and appropriate under item 4 the sum of 2,147.50
 To raise and appropriate under item 5 the sum of 7,440.00
 To raise and appropriate under item 6 the sum of 12,000.00
 To raise and appropriate under item 7 the sum of 6,300.00
 To raise and appropriate under item 8 the sum of 4,609.00
 To raise and appropriate under item 9 the sum of 4,342.00
 To raise and appropriate under item 10 the sum of 5,400.00
 To raise and appropriate under item 11 the sum of 100.00
 To raise and appropriate under item 12 the sum of 8,795.00
 To raise and appropriate under item 13 the sum of 70,385.00
 To raise and appropriate under item 14 the sum of 59,374.26
 To raise and appropriate under item 15 the sum of -----
 To raise and appropriate under item 16 the sum of 16,500.00
 To raise and appropriate under item 17 the sum of 3,130.00

To raise and appropriate under item 18 the sum of 1,600.00
 To raise and appropriate under item 19 the sum of 4,135.00
 To raise and appropriate under item 20 the sum of 1,910.00
 To raise and appropriate under item 21 the sum of 36,825.00
 To raise and appropriate under item 22 the sum of 11,475.00
 To raise and appropriate under item 23 the sum of 2,000.00
 To raise and appropriate under item 24 the sum of 11,668.30
 To raise and appropriate under item 25 the sum of -----
 To raise and appropriate under item 26 the sum of 2,000.00
 To raise and appropriate under item a27 the sum of 124,321.00
 To raise and appropriate under item b27 the sum of 10,000.00
 To raise and appropriate under item c27 the sum of 37,000.00
 To raise and appropriate under item d27 the sum of 15,000.00
 To raise and appropriate under item 28 the sum of 82,985.00

Under item 28 Mr. John H. Moran moved as an amendment: That of the above sum of 82,985. for charities, the sum of 2,000. be for the employment of a Welfare Worker and the same Welfare Worker now employed be retained

This amendment was put before the meeting and it was so voted. The motion of the Appropriation Committee as amended was then put before the meeting and it was so voted.

Voted: To raise and appropriate under item 29 the sum of 16,200.00
 To raise and appropriate under item 30 the sum of 396,300.00
 To raise and appropriate under item 31 the sum of 23,005.00
 To raise and appropriate under item 32 the sum of 900.00
 To raise and appropriate under item 33 the sum of -----
 To raise and appropriate under item 34 the sum of 12,250.00
 To raise and appropriate under item 35 the sum of 912.50

 To raise and appropriate under item 42 the sum of 500.00
 To raise and appropriate under item 43 the sum of 59,000.00
 To raise and appropriate under item 44 the sum of 78,077.70
 To raise and appropriate under H the sum of 21,000.00
 To raise and appropriate under I the sum of 15,000.00

Voted: On motion of Prince H. Tirrell that this meeting do now adjourn to the time and place as specified in the warrant (Hall of the Weymouth High School on Wednesday evening March 5, 1930)

CLAYTON B. MERCHANT, Town Clerk

CERTIFICATE

Weymouth, Mass. March 4, 1930

I hereby certify that the Annual Town Meeting of the Town of Weymouth adjourned to meet at the hall of the Weymouth High School on Wednesday evening March 5, 1930, at 7:45 o'clock.

CLAYTON B. MERCHANT, Town Clerk

The above notice was posted in ten public places in the Town as provided in Section 3 of Chapter 61 of the Acts of 1921 as amended by Chapter 13 of the Acts of 1930.

CLAYTON B. MERCHANT, Town Clerk

ADJOURNED ANNUAL TOWN MEETING

Weymouth, Mass. March 5, 1930

The time having arrived to which the Annual town meeting adjourned as provided in the warrant for said meeting, the meeting was called to order by George L. Barnes, Annual Moderator. Rev. Dr. Winfield Randall offered prayer.

Art. 10. Voted: That this town accept from the Pond Plain Improvement Association a lease of the two parcels of land described in Article 10 of the warrant for the term of five (5) years at a rental of one(1) dollar per year, plus the taxes assessed on said leased property, said lease to be terminated upon notice to the lessee of six (6) months notice by the lessors, and that the Chairman of the Board of Park Commissioners be authorized to execute said lease on behalf of the town.

Art. 11 Voted: That no action be taken under this article.

Art. 12. Voted: That the town accept from Nellie G. Leary, Margaret G. Dondero and Mary W. Bauer leases of the right to flow certain land Southerly of Park Avenue and known as the "Joseph E. Torrey Meadow" and to occupy the same for skating purposes during the Winter months for the term of Five (5) years, each of said leases to be terminable on notice from the lessee or six (6) months notice from the lessor, or on notice from the lessee.

Art. 13. Voted Unanimously: That the Board of Park Commissioners are hereby authorized to acquire by purchase or take by right of eminent domain for park purposes an easement for persons and vehicles to pass and repass over the driftway, so called, extending northeasterly from Tower Avenue between property of David N. Crawford and Margaret DeCoursey, and that the sum of Two Dollars (2.00) be raise and appropriated for the acquisition of said easement

The Moderator appointed J. Edward Mulligan, Francis A. Rea and Alfred C. Sheehy as tellers and they were sworn as such by the Moderator.

Upon the vote being taken the tellers reported 95 voting in the affirmative and none in the negative.

Art. 14. Motion offered by the Appropriation Committee: That the Board of Park Commissioners be and hereby are authorized to institute proceedings under Chapter 80 A of the General Laws for the taking by eminent domain for park purposes of the following described parcels of land, said parcels forming in the aggregate the two parcels of land described in Article 14 of the warrant.

Northerly by parcel 1 above described One Thousand Four Hundred Forty-nine and 18.100 (1449.18) feet; Easterly by land of the United States of America by four courses a total distance of about Nine Hundred Forty-six and 82.100 (986.82) feet; Southerly by land now or formerly of Edward C. Ross about Eighty-ix (86.) feet; Southwesterly, southeasterly and southeasterly again by land of Alvah M. Thompson by four courses measuring respectively about Three Hundred Thirtyfour (334.) feet, about Eight Hundred Eighty-nine (889) feet, about Four Hundred Sixty-three (463.) feet and about One Hundred Forty-seven (147.) feet; Northwesterly by Green Street about Two Hundred Seventy-eight (278.) feet; Northeasterly by land of Alvah M. Thompson about Fifty-two (52.) feet; Northwesterly by land of Alvah M. Thompson by two courses measuring respectively about Seventy (70.) feet and about Five

Hundred Thirty-seven (537.) feet; Southwesterly by land of Alvah M. Thompson about Three Hundred Ninety-two (392.) feet; Southeasterly by land of Alvah M. Thompson about Three Hundred Twenty-two (322.) feet; and Westerly by Green Street about Two Hundred Forty-six (246.) feet.

Containing about 24 acres more or less.

See plan by Russell H. Whiting, Civil Engineer, dated Sept. 1910.

Being the same premises conveyed to Alvah M. Thompson by William Shaw et al by deed Dated Sept. 20, 1910, recorded with Norfolk Deeds, Book 1156, Page 632.

THIRD PARCEL

Westerly by Green Street about Three Hundred Twenty (320.) feet; Westerly by land of Alvah M. Thompson about Fifty-two (52.) feet; Southwesterly by said land of Alvah M. Thompson by two courses measuring respectively about Seventy (70) feet and about Five Hundred Thirty-seven (537.) feet; Northeasterly by said land of Alvah M. Thompson about Three Hundred Ninety-two (392.) feet; and Northeasterly by said land of Alvah M. Thompson about Three Hundred Twenty-two (322.) feet.

Containing about 3.85 acres more or less.

Being a portion of the premises conveyed to Alvah M. Thompson by Abbie M. Jordan by deed dated August 25, 1923, recorded with Norfolk Deeds, Book 1566, Page 573.

FOURTH PARCEL

Easterly by Green Street about Three Hundred Forty-seven (347.) feet; Southerly by Green Street about Two Hundred Forty-five (245) feet; Westerly by other land of the said Alvah M. Thompson by what is known as the second ditch about Four Hundred Forty-one (441) feet; and Northerly by land of Miles P. Keene about Two Hundred Seventy-eight (278.) feet.

Containing about 2.2 acres more or less.

FIFTH PARCEL

Easterly by land of the said Alvah M. Thompson about Four Hundred Forty-one (441) feet; Southerly by Green Street about One Hundred Eighty-nine (189.) feet; Northerly by land of Miles P. Keene; and Westerly by other land of the said Alvah M. Thompson.

SIXTH PARCEL

Southwesterly by land of Harry L. White and Amy L. White, joint tenants, about Four Hundred (400.) feet; Northwesterly by land of Adelaide A. Baxter about Eight Hundred Sixty-nine (869.) feet; Northeasterly by other land of the said Alvah M. Thompson about Six Hundred Fifty-five (655.) feet; and Southeasterly by Green Street about Five Hundred Thirty-seven (537.) feet.

Containing about 10 acres more or less

Being the same premises conveyed to the said Alvah M. Thompson by Charles J. and Lucy E. Lincoln by deed dated March 30, 1912, recorded with Norfolk Deeds, Book 1211, Page 168.

SEVENTH PARCEL

Northwesterly by Green Street about Seven Hundred twelve (712.) feet; Northwesterly by other land of the said Alvah M. Thompson about One Hundred Forty-seven (147.) feet; Northeasterly by said other land of Alvah M. Thompson Eight Hundred Fourteen and 59/100 (814.59) feet; Southerly by land of James B. Jones about Six Hundred Sixty-four (664.) feet; Southeasterly by said land of James B. Jones about One Hundred Seventy-nine and 10/100 (179.10) feet; and Southwesterly by land of Joseph O. Thompson about Six Hundred Twenty-four and 65/100 (624.65) feet.

Containing about 11.8 acres more or less.

See plan by Russell H. Whiting, Civil Engineer, dated October 23, 1919.

Being the same premises conveyed to the said Alvah M. Thompson by Joseph O. Thompson by deed dated Nov. 3, 1919, recorded with Norfolk Deeds, Book 1438, Page 56

EIGHTH PARCEL

Northwesterly by other land of the said Alvah M. Thompson about Eight Hundred Eighty-nine (889.) feet; Northeasterly by said other land of Alvah M. Thompson about Three Hundred Thirty-four (334.) feet; Easterly and Southerly by land now or formerly of Edward C. Ross and now or formerly of Mary. E. Rudd, and by land of James B. Jones by various courses a total distance of Nine Hundred Forty-three (943.) feet; Southwesterly by said land of James B. Jones about Three Hundred Thirteen (313) feet; Southeasterly still by said land of James B. Jones about Twenty-eight and 85/100 (28.85) feet; and Southwesterly by other land of Alvah M. Thompson Three Hundred Fifty-one and 59/100 (351.59) feet.

Containing about 11.3 acres more or less.

See plan by Russell H. Whiting, Civil Engineer, dated Aug. 9, 1911.

Being the same premises conveyed to the said Alvah M. Thompson by Mary M. Thompson by deed dated Sept. 14, 1911, recorded with Norfolk Deeds, Book 1190, Page 204

NINTH PARCEL

Northerly by other land of the said Alvah M. Thompson about Eighty-six (86.) feet; Easterly by land of the United States of America about Three Hundred Eighty-two (382) feet; Southerly by land now or formerly of Mary E. Rudd about Seventy-four (74.) feet and Westerly by other land of the said Alvah M. Thompson about Three Hundred Eighty-five (385.) feet.

Containing about .6 acres more or less.

Being a portion of the premises conveyed to Edward C. Ross by Mary A. Pratt by deed dated May 2, 1901, recorded with Norfolk Deeds, Book 896, Page 133.

TENTH PARCEL

Northerly by land now or formerly of Edward C. Ross about Seventy-four (74.) feet; Easterly by land of the United States of America about Four Hundred Ten (410.) feet; Southerly by land

of Hinston Realty Trust by the end of Sunset Road, so-called, a private way, and by land of James B. Jones a total distance of about One Hundred Sixty-eight (168.) feet; Southwesterly by said land of James B. Jones about Two Hundred Twenty and 06.100 (220.06) feet; and Northwesterly by other land of the said Alvah M. Thompson about Three Hundred Seventy-five (375.) feet.

Containing about 1.86 acres more or less.

Being a portion of the premises conveyed to Mary E. Rudd by Thomas F. Grace by deed dated July 20, 1907, recorded with Norfolk Deeds, Book 1067, Page 161.

ELEVENTH PARCEL

Northerly by land of Alvah M. Thompson by three courses measuring respectively Six Hundred Ninety-one and 90.100 (691.90) feet; Two hundred Five and 31.100 (205.31) feet; and One Hundred Eighty-four and 06.100 (184.06) feet; Northeasterly by land now or formerly of Mary E. Rudd, Two Hundred Forty-six and 48.100 (246.48) feet; Southeasterly by land now or formerly of Hinston Realty Trust One Thousand Four Hundred Fifty (1450) feet; Southwesterly by land of James B. Jones about One Thousand (1000.) feet; and Southwesterly by land of Joseph O. Thompson and land of Alvah M. Thompson a total distance of about Eight Hundred Thirty-five (835.) feet.

Containing about 29.5 acres more or less.

Being a portion of the premises covered by land court transfer certificate No. 7898 Registry District of Norfolk County, dated March 25, 1925; and that the sum of Ten Thousand Dollars (10,000.) be raised and appropriated for the acquisition of said land.

After quite a long discussion on this motion, George E. Cunniff moved the previous question and it was so voted.

The tellers reported 52 voting in the affirmative and 67 in the negative the motion was declared lost.

Under this article Stanley Heald moved: That the Golf Committee continue in office for the coming year and bring in a further report as to the desirability of constructing a Municipal Golf Course, so voted.

Art. 15. Voted: That the Board of Park Commissioners be instructed to investigate the advisability of acquiring for the town the parcel of land described in Article 15 of the warrant and report at a future meeting.

Art. 16. Voted unanimously: That the sum of Fifteen Thousand Dollars (15,000.) be appropriated for the construction of water mains of six inches or more in diameter, and that the Treasurer of the town be and hereby is authorized, with the approval of the Selectmen, to borrow said sum of \$15,000.00 for said purpose, and to issue bonds or notes of the town therefor, said bonds or notes to be payable in accordance with the provisions of Section 19 of Chapter 44 of the General Laws, so that the whole shall be paid in not more than fifteen (15) years.

The tellers reported 101 voting in the affirmative and none in the negative.

Art. 17. Voted: To appropriate a sum not exceeding Twenty Thousand Dollars (20,000.) from the general fund of the Water Department for the purpose of carrying on necessary work for private parties, payment for said work to revert to the general fund.

Art. 18. Voted: That the Board of Water Commissioners are hereby authorized to continue the acquisition by gift or purchase or the taking by right of eminent domain for the purpose of protecting the town's water supply the land located within the watershed of Great Pond as authorized by vote of the town under Article 35 of the warrant for the Annual Town Meeting in 1928 and Article 12 of the warrant for the Annual Town Meeting in 1929, and that the sum of Sixteen Thousand Five Hundred Dollars (16,500.) be appropriated from the revenue of the Water Department for said purpose.

The tellers reported 68 voting in the affirmative and 29 voting in the negative. More than 2-3 voted in favor, it was so voted.

Art. 19. Voted: That the Board of Selectmen are hereby authorized to accept on behalf of the town deeds of any lands adjoining parcels taken or purchased by the town for the protection of the water supply, and are authorized to sell said lands or convey them in full or partial settlement of any claims for damages for lands taken for the purpose of preserving the purity of the water supply.

Art. 20. Voted: That the subject matter of this article be referred to a committee of three consisting of the Superintendent of the Water Department and two others to be appointed by the Moderator, to investigate and report upon the question of a suitable site for the proposed reservoir and all other questions connected therewith, and that their report be filed at the next town meeting. (Committee Fred O. Stevens, Allan C. Emery and Stanley T. Torrey)

Art. 21. Voted: That the subject matter of this article be referred to the Water Department.

Art. 22. Voted: To raise and appropriate the sum of Five Hundred Dollars (500.) for forestation of the land acquired by the town within the water shed of Great Pond, the same to be expended under the direction of the committee on Town Forests and Tree Warden (Committee: Jalmar N. Nelson, Parker T. Pearson, Carl F. Prescott, Fred O. Stevens, Frank H. Torrey and Charles L. Merritt)

Art. 23. Voted: That the Board of Water Commissioners be authorized to acquire by gift or take by right of eminent domain not exceeding four parcels of land adjoining Whitman's Pond in the district known as "The Birches" for the purpose of digging wells or constructing other means of emergency water supply and fire protection thereon and that the sum of Fourteen Hundred (1,400.) be raised and appropriated for the acquisition of said land and the construction herein authorized; provided however that no part of this money shall be expended for construction until the Town Counsel shall file with the Town Accountant a certificate that proper papers conveying the parcels of land to the town free of expense have been filed with him.

The tellers reported 102 voting in the affirmative and 1 in the negative.

Art. 24 Voted: That no action be taken under this article.

Art. 25. Voted: That no action be taken under this article.

Art. 26. Voted unanimously: To appropriate the sum of Seventy Thousand Dollars (70,000.) for the construction and original equipment of a new fire engine house in Ward 2 including the necessary filling and grading, of which sum Twenty Thousand Dollars (20,000.) shall be raised by taxation in the levy of the current year and to meet the balance of said appropriation the Treasurer with the approval of the Selectmen is hereby authorized to borrow a sum not to exceed Fifty Thousand Dollars (50,000.) and to issue bonds or notes therefor, such bonds or notes to be payable in accordance with Section 19 of Chapter 44 of the General Laws so that the entire sum shall be payable in not more than ten years from the date of issue of the first bond or note or at such earlier date as the Treasurer and Selectmen may designate.

The tellers reported 94 voting in the affirmative and none in the negative.

Art. 27. Voted: To raise and appropriate the sum of Eleven Thousand Five Hundred Dollars (11,500.) for the installation of a new Fire Alarm Circuit in the Ward 2 Fire Station authorized to be erected under Article 26, said money to be expended under the direction of the Building Committee in charge of the erection of said new Fire Station. (Committee: John Q. Hunt, deceased, J. Ralph Bacon, John W. Heffernan, Ralph H. Haskins, Edward I. Loud, Winslow M. Tirrell, deceased, William A. Hannaford)

Art. 28. Voted: That the Committee on New Town Hall and War Memorial are hereby instructed to close the accounts in reference to the New Town Hall other than the appropriations made from the income of the John B. Rhines Fund on or before July 1, 1930, unless this time shall be extended by the Selectmen, and that all moneys remaining in the appropriations for the construction and equipment of the New Town Hall made at the Annual Town Meeting in 1928 and thereafter revert to the treasury on said date and that any moneys which may thereafter be found due to the Contractor be paid from the appropriation for the payment of damages.

Art. 29. Voted: To appropriate from the accumulated income of the John B. Rhines Fund the sum of One Hundred Thirty (130.) for further decoration of the walls in the Town Hall.

Art. 30. Voted: To raise and appropriate the sum of Nine Hundred Dollars (900.) for the dedication of the Memorial Cross and the remaining tablets of the Open Air Theatre.

Art 31. Voted: To raise and appropriate the sum of Two Thousand Dollars (2,000.) for the completion of the work in connection with the War Memorial.

Art. 32. Voted: To raise and appropriate the sum of Thirty Five Hundred Dollars (3,500.) for celebrating the 300th Anniversary of the founding of the Massachusetts Bay Colony, the dates of the celebration and the expenditure of the money to be determined by the Tercentenary Committee appointed under the vote at the Annual Town Meeting in 1929. (Committee: James M. Hooper, resigned, Howard M. Dowd, chairman, Newland H. Holmes, Sec'y, Mrs. Parker T. Pearson, Frederic G. Bauer, Orlindo S. Garafalo, Walter L. Bates, C. Edgar Stiles, John W. Heffernan, H. Franklin Perry.)

Art. 33. Voted: That the subject matter of this article be referred to the Tercentenary Committee.

Art. 34 John W. Heffernan moved: To lay this article on the table. On motion duly made and seconded, it was unanimously voted: That the hospitable invitation referred to in said article be accepted and that the Moderator, George L. Barnes, be and is hereby commissioned to represent the Town of Weymouth in the State of Massachusetts at the dedication of the New Town Bridge in said Borough of Weymouth and Melcombe Regis, Dorset, England, and that in the event of the inability of the Moderator to attend said dedication, Josiah B. Reed, representative in the Legislature, be and is hereby designated as alternate.

Further voted: That the Selectmen be requested to notify the proper officers of the Borough of Weymouth and Melcombe Regis, Dorset, England, of this action on the part of the Town Meeting of Weymouth in the State of Massachusetts and express to the officials of said Borough the appreciation of the inhabitants of this town for the invitation that has thus been extended.

Art. 35. Voted: That the Board of Selectmen be authorized and instructed to extend to the National Commander and National Convention of the American Legion an invitation to visit the town officially or hold a session of the Convention in the town in connection with the National Convention to be held in Boston during the current year, such invitation to be extended through the Commander of Weymouth Post No. 79 American Legion.

Art. 36. Voted: To raise and appropriate the sum of Eight Thousand Dollars (8,000.) for the further improvement of the Legion Memorial Field the same to be expended under the direction of the Committee appointed under Article 14 for the Annual Town Meeting in March 1929. (Committee: Members of the School Committee and Fred O. Stevens.)

Art. 37. John W. Heffernan for the Appropriation Committee moved: That the subject matter of this article be referred to the next town meeting.

Prince H. Tirrell moved as a substitute motion: To appropriate the sum of \$145,000.00 for the construction and original equipment of an addition to the Bicknell School according to the plans and specifications already adopted therefor, and in recognition of the

accepted bids for construction and heating and ventilating now in possession of the Committee having such matter in charge under the vote passed on Article 16 of the Warrant for the Annual Town Meeting held on March 4, 1929, of which sum \$25,000. shall be raised in the levy of the present year, and to meet the balance of said appropriation the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow a sum not to exceed \$120,000.00 and to issue bonds or notes of the town therefor, said bonds or notes to be payable in accordance with Section 19 of Chapter 44 of the General Laws, so that the whole of said loan shall be due and payable in not more than twenty years from the date of issue of the first bond or note, or at such earlier date as the Treasurer and Selectmen may designate, and that the Building Committee be composed of the School Committee, the Superintendent of Schools, and the same six citizens chosen under Articles 15 and 16 at the Annual Town Meeting held on March 4, 1929, which Committee shall have general charge and control of such construction and original equipment, and the expenditures relating thereto, and further, that the unexpended balance of the appropriation made under Article 16 of the meeting of March 4, 1929 be made available for the purpose of this article.

The tellers reported 97 voting in the affirmative and 7 in the negative. (Committee: School Committee, Superintendent of Schools, John H. Tower, William J Fitzsimmons, Louise R. Crawford, Joseph Kelley, Theron L. Tirrell and C. Lincoln Abbott.)

Art. 38. Voted: That no action be taken under this article.

Art. 39. Voted: That no action be taken under this article.

Art. 40. Voted: That no action be taken under this article.

Voted: To take up Article 59. Voted: That the Board of Selectmen be instructed to petition the Legislature for an Enabling Act permitting Weymouth or any part or parts thereof to become a member of the South Metropolitan Sewerage District.

Voted: To take up Article 69. John W. Heffernan for the Appropriation Committee moved: That the Board of Selectmen be instructed to petition the Legislature for the enactment of a bill prepared by the Town Counsel entitled "An Act relative to the Department of Public Welfare in the Town of Weymouth", a draft of which has been submitted to this meeting.

Mr. John H. Moran moved as a substitute motion: That the Selectmen be instructed to carry out the action of the town taken under item 28 of Article 1, at the meeting held on March 3, 1930, relative to the employment of the Welfare Worker for the current year.

This substitute motion was put before the meeting and it was so voted.

Voted: To adjourn to Friday evening March 7, 1930 at the same time and place.

CLAYTON B. MERCHANT, Town Clerk

CERTIFICATE

Weymouth, March 6, 1930.

I hereby certify that the adjourned Annual Town Meeting of the Town of Weymouth, further adjourned to meet at the Hall of the Weymouth High School on Friday evening March 7, 1930 at 7:45 o'clock.

CLAYTON B. MERCHANT, Town Clerk.

The above notice was posted in ten public places in the Town as provided in Section 3 of Chapter 61 of the Acts of 1921 as amended by Chapter 13 of the Acts of 1930, also a notice was sent to each Town Meeting Member of the adjournment.

CLAYTON B. MERCHANT, Town Clerk

ADJOURNED ANNUAL TOWN MEETING

Friday Evening, March 7, 1930

The time to which the adjourned Annual Town Meeting having arrived as per vote of the meeting held March 5, 1930, the meeting was called to order by George L. Barnes, Annual Moderator. Rev. Dr. Winfield S. Randall offered prayer.

Art. 41. Motion offered by John W. Heffernan for the Appropriation Committee: To accept the reports of the Selectmen laying out as town ways the following private ways and parts of ways, to wit:

Addington Circle	Clinton Road
Durant Road	Elinor Road
Kirkland Road	Riley Avenue
Roosevelt Road	Vanness Road
Wachusset Road	Wilson Avenue

and that the Board of Selectmen be authorized to acquire by gift or take by right of eminent domain an easement for all purposes of a public street and highway in and over each of said streets and portions of streets as so laid out and accepted, and that the following sums of money be raised and appropriated for the working of said streets including the acquisition of the foregoing easements, to wit:

For Addington Circle	300.00
For Durant Road	700.00
For Kirkland Road	4,000.00
For Roosevelt Road	1,500.00
For Wachusset Road	4,200.00
For Clinton Road	800.00
For Elinor Road	200.00
For Riley Avenue	800.00
For Vanness Road	800.00
For Wilson Avenue	1,500.00

Being in the aggregate 14,800.00, which sums shall be expended under the direction of the Superintendent of Streets, except in so far as the Selectmen may expend a portion of the same for the acquisitions of easements; provided that no entry shall be made or work done on any of said streets nor shall any portion of the appropriation for any street be available until the Town Counsel

shall file with the Town Accountant a certificate that a release satisfactory to him has been delivered and recorded covering said street, and further provided that any unexpended balances from the amount hereinbefore appropriated for any of said streets shall be available for the working of any other or others of said streets or for general highway purposes, and that the Board of Selectmen be authorized to accept deeds of any reservation strips adjoining and streets accepted at this meeting.

Mr. John W. Heffernan moved as an amendment: To accept that portion of the report of the Board of Selectmen laying out Lakeside Avenue as lays out a private way over land between Iron Hill Street on the Southeast, and the waters of Whitman's Pond and the reservoir leading therefrom on the Northeast, and that the board of Selectmen be authorized to acquire by gift or purchase or take by right of eminent domain the land within the portion of the layout thereby accepted, and such further land and easements as are necessary for the construction of a public foot bridge across said body of water in continuance of said street, and that the sum of 1,500.00 be raised and appropriated for the construction of said bridge, the working of said street, and the acquisition of the land and easements above mentioned.

The question on the amendment was put before the meeting and so voted

The question on the motion of the Appropriation Committee as amended was then put before the meeting, and it was so voted.

The tellers reported 81 voting in the affirmative and none in the negative, a unanimous vote.

Art. 42. Voted: That the Town hereby requests the Eastern Massachusetts Street Railway Company to remove their tracks from Broad Street between Johnson Square and Jackson Square and that the Board of Selectmen are hereby requested to take action under Section 77 of Chapter 161 of the General Laws to revoke the location of the Eastern Massachusetts Street Railway Company in the portion of Broad Street above mentioned.

Art. 43. Voted: That no action be taken under this article.

Art. 44. Voted: That the subject matter of this article be referred to the Lighting Committee.

Voted: On motion of Frank A. Pray, that Articles 45 and 46 be taken up together

John W. Heffernan of the Appropriation Committee moved under Article 45 as follows: To raise and appropriate the sum of Seven Hundred Fifty Dollars (750.) for the installation of a traffic light in Washington Square the same to be expended under the direction of the Police Department.

He also moved under Article 46 as follows: To raise and appropriate the sum of Six Hundred Dollars (600.) for the installation of a traffic light at the junction of Bridge and North Streets, the same to be expended under the direction of the Police Department and the Superintendents of Streets.

Frank A. Pray moved as a substitute motion: That the Town raise and appropriate the sum of \$2,493.00 for the installation of traffic lights as follows: Lincoln Square 599.00. Bridge and North Streets 554.80. Independence Square 708.20 Washington Square 631.00 making a total of 2,493. under Articles 45 and 46.

John W. Heffernan moved to amend the motion as follows: And that the Selectmen be requested to petition the Department of Public Works to designate that part of Main Street as a through way under General Laws Chapter 89 Section 9 as amended. (Main and Middle Streets)

Prince H Tirrell moved: That so much of this motion as related to traffic lights in Lincoln, Washington and Independence Squares be indefinitely postponed, and it was so voted.

The question then came upon the motion by the Appropriation Committee for a traffic light at Bridge and North Streets, for the sum of 600.00, this being a larger sum than the motion of Mr. Pray the Moderator declared the motion lost

The question was then put on Mr. Prays' motion as amended by Mr. Heffernan, and it was declared a vote.

Art. 47. Voted: That no action be taken under this article.

Art. 48. Voted: That the subject matter of this article be referred to the Street Department. (Repair of Iron Hill Street.)

Art. 49. Voted: That the subject matter of this article be referred to the Street Department (Sidewalk southerly side of Hollis St.)

Art. 50. Motion offered by the Appropriation Committee: That no action be taken under this article.

Mr. Frank W. Rea Moved: That the sum of \$1,500.00 be raised and appropriated for the purpose of constructing a permanent sidewalk on Washington Street from land of William R. Martin (end of present sidewalk) to Middle Street. The question came upon the motion as offered by Mr. Rea, and it was declared lost.

The question then came upon the motion as offered by the Appropriation Committee, that no action be taken under this article, and it was so voted

Art. 51. Voted: That the subject matter be referred to the Street Department. (Sidewalk from Swan Avenue to the residence of Herman Anderson on Pond Street.)

Art. 52. Voted: That no action be taken under this article.

Art. 53. Voted: That the subject matter of this article be referred to the Street Department (Sidewalk on Broad Street from residence of Delia Caulfield to Central Square.)

Art. 54 Motion offered by the Appropriation Committee: That no action be taken under this article.

Mr. Irving E. Johnson moved as a substitute motion: That the sum of \$5,000.00 be raised and appropriated for the purpose of erecting a sea-wall on the water side (northwesterly side) of Wessa-

gussett Road, extending from the property of Lucy Gloag to the property of Charles V. Douse, a distance of approximately three hundred and fifty (350) feet, and it was so voted.

Art. 55. Voted: That no action be taken under this article.

Art. 56. Voted: That a committee of seven be appointed by the Moderator to consider and make a detailed report upon the expediency of widening Broad Street from Lincoln Square or any portion thereof, and to submit a plan for the widening of such portions of said street as they recommend should be widened, and that the sum of Five Hundred Dollars (500.) be raised and appropriated for the doing of the necessary engineering work in preparing said report and plan. (Committee: Alfred V. Coleman, Frederick Humphrey, Alfred C. Sheehy, Marion F. French, Irving E. Johnson, Fred O. Stevens and Russell H. Whiting.)

Art. 57. The Appropriation Committee recommend no action be taken under this article.

Mr. Frederick Humphrey moved as a substitute motion: That the Town vote to raise and appropriate the sum of \$8,000.00 under the provisions of this article. The tellers reported 78 voting in the affirmative and 2 in the negative. (Purchase or taking of Bicknell Meadow.)

Art. 58. Voted: That no action be taken under this article.

Art. 59. Acted upon at the meeting of March 5, 1930.

Art. 60. Voted: That no action be taken under this article.

Art. 61. Voted: That no action be taken under this article.

Art. 62. Voted: That the Board of Selecten are hereby authorized to acquire by purchase or take by eminent domain an easement from drainage purposes over land of D. Arthur Brown Trustee, lying Westerly of Oakcrest Road and northerly of land now or late of George P. and Mildred Neal and that the sum of One Hundred Dollars (100.) be raised and appropriated for that purpose. The tellers reported 75 voting in the affirmative and 1 in the negative.

Art. 63. Voted: That the subject matter of this article be referred to the next Town Meeting (Annunity to the family of the late John Q. Hunt, Chief of the Fire Department.)

Art. 64. Voted: That the subject matter of this article be referred to the next town meeting. (Payment of pensions to the families of policeman and firemen in certain cases.)

Art. 65. Voted: That the subject matter of this article be referred to the next town meeting. (Payment of annuities to the families of policemen and firemen in certain cases.)

Art. 66. Voted: That the subject matter of this article be referred to the next town meeting. (Establishment of a Town Retirement system for its employees.)

Art. 67. John W. Heffernan for the Appropriation Committee Moved: That no action be taken under this article.

Mr. Frank E. Loud moved an amendment: That the terms of office of the Treasurer and Tax Collector be for three years. The question on this amendment was put before the meeting and it was declared lost. More than seven members having doubted the vote, the tellers proceeded to count, they reported 41 voting in the affirmative and 43 voting in the negative, the amendment was declared lost. The motion of the Appropriation Committee was then put before the meeting and it was so voted.

Art. 68. Mr. John W. Heffernan of the Appropriation Committee moved: That the several amendments to the By-Laws as printed in Article 68 of the warrant be adopted with the following amendments: Insert the title "Town Hall" before Section 618 instead before 407; amend Section 621 by inserting so that the last clause thereof shall read, "and no fixtures of any kind shall be installed in the corridors, stairways, Council Chamber or office rooms of the building without a like vote of the town meeting".

Mr. Alfred C. Sheehy moved as an amendment: By striking out the words in Section 60 as follows: "and then only during the time actually occupied by dancing". The question of the amendment was put before the meeting and the motion to amend was lost.

Amend Section 301 by striking out in next to the last sentence the word "two" and inserting in place thereof the word "three"

Section 407. Whenever in connection with the settlement of any claim against the Town for damage to real estate the Selectmen can without additional expense to the Town obtain title to the land affected, and in their judgment it is for the advantage of the Town so to do, they are authorized to accept on behalf of the Town a deed to the fee simple or any less interest therein.

TOWN HALL

Section 618. The janitor of the Town Hall shall cause the National and Town Flags to be displayed daily in front of the Memorial Wall, except in stormy weather. In stormy weather he shall cause the National Flag to be displayed on patriotic holidays and days on which the public schools are in session.

Section 619. Smoking or carrying of lighted pipes, cigars or cigaretts shall not be permitted in the Council chamber.

Section 620. The floor covering of the Council Chamber shall not be removed except when dancing is to take place and then only during the time actually dancing.

Section 621. Until such time as the Town may create an art commission no pictures or other mural decorations shall be placed in the Council Chamber, the central rotunda or the second floor corridor of the Town Hall, except by

vote of the town meeting, and no change in the lighting fixtures or in the color of the paint of the building shall be made, and no fixtures of any kind shall be installed in the building without a like vote of the town meeting.

Section 627 Is hereby amended by inserting in the first sentence thereof after the words "public notice and hearing", the words, "and upon the unanimous recommendation of the Board of Appeal", and by inserting after the words "be built at a less distance" the words, "but no such recommendation shall be given if such erection would damage neighboring property or interfere with any plans then pending or under consideration for the development or widening of the way on which building is located".

Add at the end of Section 711 the following sentence: "In case of damage to a building by fire or other casualty, the Building Inspector may without the issuance of a formal permit allow the roofs and walls to be made tight temporarily, but no reconstruction shall be permitted except in accordance with this chapter".

Amend Section 797 by striking out the words "this by-law" and inserting in place thereof "any section of this article".

Section 901 is hereby amended by striking out the figures "601-602-603-604-605-606-607-608-609-611-612-613-614-615", and inserting in place thereof the words "or of any section of Article VI except Section 610.

The question of the Appropriation Committee to adopt the amendments as printed in the warrant was then put before the meeting and they were adopted as amended.

The foregoing amendments to the by-laws shall go into effect on the calendar day following their third publication after approval by the Attorney General as required by law, provided nevertheless that so far as any of the foregoing provisions are identical with those of the present by-laws of the Town they shall be considered as a continuance of the existing by-laws and the repeal or amendment of any provision shall not affect any penalty or forfeiture incurred before the date on which said repeal or amendment takes effect, and shall be disapproved by the Attorney General or held invalid by any court of last resort, the same shall not effect any other provisions of these by-laws.

(These amendments to the by-laws were approved by the Attorney General April 10, 1930 and published April 18, 25 and May 2, 1930, in the Weymouth Gazette as provided by law)

Art. 70 Voted: That the Board of Selectmen are hereby authorized to accept on behalf of the town deeds, mortgages or other conveyances of any real or personal property belonging to persons receiving poor relief from the town and to dispose of said property in the manner which they may consider for the best interest of the town and all such deeds or mortgages heretofore accepted by the Selectmen are hereby ratified and confirmed and whenever the

amount for which any mortgage shall be given as security has been paid the Town Treasurer is hereby authorized to execute a good and sufficient discharge of the said mortgage, and whenever any property so acquired there shall be encumbrances outstanding, the Board of Selectmen, if they consider it for the best interests of the town may discharge said incumbrances.

Voted: Further to raise and appropriate the sum of Six Hundred Dollars (600.) for discharging encumbrances already acquired by the Board of Selectmen in accordance with the provisions of this article.

Art. 71 Voted: That no action be taken under this article.

Art. 72. Voted: That the Board of Selectmen are hereby authorized to accept from Frederic Gilbert Bauer a deed of a triangular piece of land containing 18 square feet situated in a bend of Shawmut Street in East Weymouth, and shown on a plan of land in (East Weymouth, Mass.) September 20, 1929, Russell H. Whiting, Civil Engineer, recorded with Norfolk Deeds, Book 1874, Page 423.

Art. 73. Voted: That no action be taken under this article.

Art. 74. Voted: To raise and appropriate the sum of Six Hundred Dollars (600.) to be expended under the direction of the Board of Selectmen in leasing or otherwise providing suitable quarters for Wessagussett Post No. 1399.

Voted: To adjourne without date at 10:35 P. M.

CLAYTON B. MERCHANT, Town Clerk.

A true copy, Attest:

CLAYTON B. MERCHANT, Town Clerk

WARRANT FOR SPECIAL TOWN MEETING

COMMONWEALTH OF MASSACHUSETTS

NORFOLK ss

To the Constables of the Town of Weymouth in said County,
GREETING:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of Weymouth aforesaid qualified to vote in Town affairs to meet in the hall of the Weymouth High School on Monday, the Eleventh Day of August, 1930 at seven o'clock and forty-five minutes in the evening, then and there to act upon the following articles, namely:

Article 1. To hear and act upon the report of any committee heretofore appointed and to appoint, enlarge and change any committee the Town may think proper.

Article 2. To see if the Town will accept Chapter 352 of the Acts of 1930 and to see what sum of money the Town will vote to raise and appropriate for payments to the family of the late John Quincy Hunt thereunder.

Article 3. To see if the Town will vote to pay compensation to Earl R. Starratt, a member of its Fire Department, for an injury received by him while on duty as a fireman in the Ward 5 Engine House, and to see what sum of money the Town will vote to raise and appropriate for said purpose, or take any other action in reference thereto.

Article 4 To see if the Town will vote to authorize the Board of Selectmen to compromise a claim of Lena M. Pratt against the Town.

Article 5. To see what additional sums of money the Town will vote to raise or borrow and appropriate for the expenses and operation during the remainder of the current fiscal year of each of the following Town Departments and activities, to wit:

1. Police Department
2. Fire Department
3. Payment of damages
4. Selectmen's Department
5. Unpaid Bills
6. Tercentenary Committee
7. Highways
8. Soldiers' Relief
9. Charities
10. Building Department
11. Harbor Master's Department

and to determine in each case how and under whose direction the money shall be expended, to impose any conditions and restrictions upon the expenditure of any appropriation for any Town Departments now or heretofore made that the Town may think proper, to determine how much of the money so appropriated shall be available for expenditures under Clause (34) of Section 5 of Chapter 40 of the General Laws as amended by Chapter 36 of the Acts of 1928; to fix the terms and conditions of any loan or loans authorized to procure any of such funds and to authorize the issue of bonds or notes for the same, and fix the term and rate of interest of any such bonds or notes, or take any other action in reference to any of the foregoing subjects.

Article 6. To see if the Town will vote to authorize the Board of Park Commissioners to lease from the Stetson Shoe Company for park purposes a certain tract of land located in that part of Weymouth known as South Weymouth, and bounded and described as follows:

Beginning at a point at the intersection of the division line between land of the Stetson Shoe Co., Inc., and land of Georgiana B. Rugman with the easterly boundary line of land of Edward Hirt, said point being about 215 feet southerly from the southerly side line of West St.; thence running southerly by said easterly boundary line of land of said Hirt and by an extension of said line in the same course, a total distance of 253 feet; thence turning at nearly a right angle and running easterly a distance of 140 feet; thence turning and running northerly by a line nearly parallel with the first described course a distance of 275 feet to land of said Rugman; thence turning and running westerly by said land of Rugman a distance of 142 feet to the point of beginning; containing about 37,000 square feet more or less.

Above described parcel is bounded northerly by land of Georgiana B. Rugman; easterly by other land of The Stetson Shoe Co., Inc.; southerly by other land of The Stetson Shoe Co., Inc.; and westerly by other land of The Stetson Shoe Co., Inc., and by land of Edward Hirt, or take any other action in reference thereto.

Article 7. To see if the Town will vote to authorize the Trustees of the Tufts Library to lease for a term of years the ground floor of the Garey Block, so called, on Broad Street, East Weymouth, or any portion thereof for the East Weymouth branch of the Tufts Library, and to see what sum of money the Town will vote to raise and appropriate to pay the rental and other expenses of said premises, or take any other action in reference thereto.

Article 8. To see if the Town will vote to authorize a bronze tablet to the benefactors of the Town to be placed in the central rotunda of the Town Hall.

Article 9 To see if the Town will vote to name the open air theatre in its civic center the "General Solomon Lovell Theatre" in honor of the Weymouth soldier who held the highest rank in command in the history of the Town, or take any other action in relation thereto.

Article 10. ON PETITION: To see what sum of money the Town will vote to raise and appropriate to build a permanent sidewalk on Middle Street from Circuit Avenue to Washington Street, or take any other action in relation thereto.

Article 11. ON PETITION: To see what sum of money the Town will vote to raise and appropriate to build a permanent sidewalk on the westerly side of Middle Street, opposite Lake Shore Drive to Washington Street, or take any other action in relation thereto.

Article 12. ON PETITION: To see what sum of money the Town will vote to raise and appropriate to build a permanent sidewalk on the south side of Park Avenue between Main and Torrey Streets, or take any other action in relation thereto.

Article 13. ON PETITION: To see what sum of money the Town will vote to raise and appropriate for the purpose of improving the Humphrey School Grounds for playground purposes, or take any other action in relation thereto.

Article 14. To see what sum of money the Town will vote to appropriate, or to raise and appropriate for the purpose of surfacing, or grading and surfacing the driveways, parking spaces and other areas at the Hunt School, and to determine in what manner such work shall be done, or to take any other action in relation thereto.

Article 15. To see what sum of money the Town will vote to raise and appropriate for the further improvement of Legion Memorial Field, or take any other action in relation thereto.

Article 16. To see what sum of money the Town will vote to raise and appropriate for the installation of traffic signal lights at the intersection of Bridge and North Streets, and at the intersection of Pleasant Street and Park Avenue, or take any other action in relation thereto.

Article 17. To see if the Town will vote to authorize the Board of Selectmen to sell any portion of the land acquired by eminent domain from Frank H. Holmes by taking dated March 17,

1930 and recorded with Norfolk Deeds Book 1885, Page 401, or take any other action in reference thereto.

Article 18. To see if the Town will vote to authorize the Board of Selectmen to acquire by purchase or take by right of eminent domain the fee simple or any lesser interest in a certain tract of land bounded Northerly by land of Pasquale and Filomena Garofalo, Easterly by land acquired by the Town of Weymouth by a taking dated March 17, 1930 recorded with Norfolk Deeds Book 1885 Page 401, Southerly by land of Gabrielo Costanzo, and Westerly by Shawmut Street, and to see what sum of money the Town will vote to raise and appropriate for the acquisition of the above described property.

Article 19. To see if the Town will vote to name that portion of the new circumferential highway constructed under Chapter 364 of the Acts of 1929 between Main and Columbian Streets as "Park Avenue", or take any other action in reference thereto.

Article 20. To see if the Town will vote to accept the report of the Selectmen relocating a portion of Iron Hill Street lying southerly of land of Eastern Massachusetts Street Railway; and to see what sum of money the Town will vote to raise and appropriate for the cost of construction and for the acquisition of any land that may be necessary to take; and to see if the Town will vote to authorize the Board of Selectmen to acquire by gift or purchase or take by right of eminent domain an easement for all purposes of a public way in and over any property within said relocation, or take any other action in relation thereto.

Article 21. To see what sum of money the Town will vote to raise and appropriate for the obtaining of plans and estimates and other preliminary work in connection with the proposed municipal golf course and to see if the Town will vote to authorize the Board of Park Commissioners to commence proceedings under Chapter 80 A of the General Laws for the condemnation of the following described two parcels of real estate located in that part of Weymouth known as North Weymouth,

First Parcel: Northwesterly by Green Street about 990 feet;

Southerly by Green Street about 742.68 feet;

Northwesterly by land of Miles P. Keene by the southerly end of Forest Ave., so called a private way, and by land of George J. Thiers, a total distance of 1184.38 feet.

Northeasterly by land of the United States of America a distance of 491.35 feet;

Easterly by said land of the United States of America by various courses, a total distance of about 2061.75 feet;

Southerly by land now or formerly of Hinston Realty Trust about 141.58 feet;

Southeasterly by said land now or formerly of Hinston Realty Trust about 1450 feet;

Southwesterly by land of James B Jones about 1000 feet;

Northwesterly by land of Joseph O. Thompson about 655.90 feet;

Southwesterly by said land of Joseph O. Thompson about 624.65 feet.

Containing about 96.2 acres more or less, said parcel comprising the whole of the land described in Land Court Certificate No. 11171 Registry District of Norfolk County, and standing in the name of Catherine H. Mathewson in deeds to Alvah M. Thompson recorded in Norfolk Registry of Deeds Book 1156, Page 632, Book 1566, Page 573, Book 1438, Page 56 and Book 1190, Page 204, and portions of the land described in Land Court Certificate No. 7898, Registry District of Norfolk County, standing in the name of James B. Jones, and in deed to Edward C. Ross recorded with Norfolk Registry of Deeds Book 896, Page 133, and to Mary E. Rudd recorded with Norfolk Registry of Deeds, Book 1067, Page 161.

Second Parcel: Northeasterly by Green Street about 347 feet; Northwesternly by land of Miles P. Keene; Northeasterly by said land of Miles P. Keene; Northwesternly by land of Adelaide A. Baxter about 869 feet; Southwesterly by land of Harry L. White and Amy L. White, joint tenants, about 400 feet; and

Southeasterly by Green Street about 1368.50 feet.

Containing about 15.2 acres more or less, and comprising the whole of each of the various premises more particularly described in the deeds of Alvah M. Thompson recorded in Norfolk Registry of Deeds Book 1566, Page 573, Book 1562, Page 102, and Book 1211, Page 168, and to see what sum of money the Town will vote to raise and appropriate for the institution and expenses of said proceedings or take any other action in relation thereto.

Article 22 To see if the Town will vote to make the following amendments and additions to its by-laws:

Add after Section 111 a new section as follows:

MOTIONS INVOLVING LOANS OR EMINENT DOMAIN

Section 112. No motion involving the borrowing of money or taking of property by eminent domain shall be received by the moderator unless it bears a certificate signed by the Chairman of the Appropriation Committee that the same is in proper legal form and in accord with the established financial policies of the Town. Any Town Meeting member desiring to make such a motion may file the same in writing with the Town Clerk at least four days exclusive of Sundays and holidays, before the date of the meeting at which he desires to present it. The Town Clerk shall mark said motion with the day and hour of its receipt and forthwith transmit the same to the Chairman of the Appropriation Committee, who, if he finds that said motion complies with the above named conditions shall return the same to the person filing it, with a certificate as above provided, in season for use at the meeting. If the motion, though not complying with the above conditions, is capable of being so amended or reframed as to comply with them, the Chairman shall cause the same to be so amended or redrawn, without changing its essential purpose and shall thereupon return to the person filing it, a copy of the redrawn or amended motion with a certificate as aforesaid. Any amendment to a motion involving the borrowing of money or taking of property by eminent domain shall be referred without debate to the Appropriation which shall report to the Town Meeting thereon before the final adjournment of the meeting during which the amendment is offered.

PUBLIC BUILDINGS COMMISSION

Section 306. There shall be a committee known as a Public Buildings Commission consisting of two members of the Appropriation Committee, designated by the Chairman thereof for a term of one year, the Town Engineer, the Inspector of Buildings, and the Town Counsel as members ex officio, and of three persons appointed by the Moderator. The initial appointments by the Moderator shall be made one for the term expiring on the 31st day of March, 1931, one on the 31st day of March, 1932, and one on the 31st day of March, 1933, and thereafter one member shall be appointed by the Moderator each year for the term expiring on the 31st day of March in the third year following his appointment. In addition to the foregoing members, each head of a town department which occupies or is to occupy any proposed building shall be ex-officio a member of said commission on all matters pertaining to that particular building. The commission shall act as a building committee for all buildings of the Town, and for one year after each building has been accepted from the builder or builders shall have charge of making all necessary repairs or alterations thereto. They shall also have charge of the repairing and alteration of all public buildings of the Town where the estimated cost of such repairs and or alterations exceeds Three Hundred Dollars (\$300.00), and may by vote of the Town be given charge of repairs and alterations involving a less sum. The Town may provide for compensation of the members of the Commission, either generally or in particular cases.

Add between the second and third paragraphs of Section 304 a new paragraph as follows:

Any appointed members of a Town Committee who shall fail to attend a majority of any five or more consecutive meetings of the Committee, shall thereby vacate his place thereon, unless the Committee by a majority vote of its remaining members shall have excused the absence for good and sufficient cause, and the vacancy shall thereupon be filled by the Moderator unless the member was appointed in some other manner, in which case the vacancy shall be filled in the same manner as the original appointment. It shall be the duty of the Chairman of every Town Committee to notify the Town Clerk of every case where any member of a Town Committee vacates his place under this paragraph.

By Adding after Section 621 the following new section:

FEES FOR GARAGE AND GASOLINE LICENSES

Section 622. The fees for original licenses under Section 14 of Chapter 148 of the General Laws as amended by Chapter 325 of the Acts of 1928 shall be as follows: For a license for a private garage for not more than two cars \$.100; for a license for any other garage or for the keeping, storage, manufacture, or sale of any of the articles covered by said Section 14, \$25.00.

Add at the end of Section 798 the following new clause 'In addition to the foregoing fees there shall be paid for every application to the Board of Appeal an additional fee of ten dollars (\$10.00) except in cases involving alterations or additions to buildings

erected before April 1, 1929 in which case the additional fee shall be two dollars (\$2.00).

In either case the fee shall be paid on filing the application to the Board of Appeal".

Article 23 To see if the Town will vote to authorize the Board of Park Commissioners to acquire by lease or take by right of eminent domain the right for a term of years to flow and occupy for skating purposes from November 1 to April 1 the following described parcel of land being the same premises conveyed by Elizabeth E. Rayner by deed dated May 26, 1926 and recorded with Norfolk Deeds Book 1698, Page 383, and bounded and described as follows:

Northeasterly by Park Avenue, Seventy-five (75) feet;

Southeasterly by land now or late of Albert C. and Gerda M. Reed, One Hundred Forty (140) feet;

Southwesterly by land now or late of Nellie G. Leary One Seventy-five (75) feet; and

Northwesterly by land now or late of Nellie G. Leary One Hundred Thirty-six and 8.10 (136.8) feet.

Containing 10,300 square feet,

and to see what sum of money the Town will vote to raise and appropriate for the aforesaid purpose, or take any other action in reference thereto.

You are directed to serve this warrant by posting a copy thereof, attested by you in writing, in each of two public places in each voting precinct in said Town, seven days at least before the time for holding said meeting.

Hereof fail not, make due return of this warrant with **your** doings to the Town Clerk of said Town, on or before the **fourth** day of August, 1930.

Given under our hands at Weymouth this twenty-**eight**h day of July in the year of our Lord Nineteen Hundred and **Thirty**.

Constable of Weymouth

RETURN OF SERVICE

Commonwealth of Massachusetts

Weymouth, August 2, 1930

Norfolk ss.

I have this day served the within warrant by posting a true copy thereof attested by me in writing in each of two public places in each voting precinct in said Town of Weymouth seven days before the time of holding said meeting.

Edward F. Butler

Constable of Weymouth

SPECIAL TOWN MEETING

August 11, 1930

Pursuant to the within warrant the special meeting of the inhabitants of the town of Weymouth, represented by its duly elected and qualified Town Meeting Members, was held at the Hall of the Weymouth High School, East Weymouth, on Monday evening August 11, 1930.

The meeting was called to order at 7:51 o'clock by George L. Barnes, Annual Moderator, who requested Rev. Fr. Edward F. McKenna of St. Francis Xavier Church, So. Weymouth, to invoke the Divine Blessing upon the deliberations of this meeting.

The Moderator requested the Town Clerk to read the warrant for the meeting, after reading the call for the meeting it was voted: That the further reading of the articles in the warrant be omitted as each Town Meeting Member present had a copy of the warrant, the Town Clerk then read the last three paragraphs of the warrant and the attestation of the constable who served the warrant.

At this time the following were sworn as Town Meeting Members: Harry A. Bailey, John A. Carter, Herman O. Collyer, William B. Dasha, Albert J. Everett, R. Chester Lopaus, Charles E. Stiles, Anthony Veador, Wilbur F. Woodworth, Montague A. Bettencourt, James D. Bosworth, Thomas A. Boyle, Stuart H. Briggs, Peter F. Hughes, Thomas J. Kelly, Benjamin B. Sylvester, Robert M. White, Frederick V. Nolan, C. Lincoln Abbott, Leon P. Bourke, William J. Coyle, Samuel F. Cushing, Thomas F. Fitzgerald, Michael L. Flynn, Frederick H. Hall, Edward W. Hunt, John P. Hunt, Joseph Kelley, Roy C. Lucas, Thomas Sweeney, William B. Thomas, James L. Trainer, Everett E. Callahan, Richard Halloran, Merton L. Loud, Alfred S. Tirrell, Albert E. Barnes, Charles S. Bicknell, Jacob Denbroeder, Walter R. Field, Stanley Heald, William J. Holbrook, John E. Horace, John S. Jennings, Frank E. Loud, Daniel L. O'Donnell, George Reed, Fred R. Snow, Albert H. Silvester, Arthur R. Taylor, Otis B. Torrey, J. Albert Ahern, Lewis M. Zeach, Charles H. Burkett, Anthony Cassese, George E. Cunniff, L. Henry Godin, Allen Lennox, John H. Moran, Henry C. Pratt, Spurgeon Ward, Charles E. Dunbar, Francis O. Duffey, Clyne W. Bigelow, Charles E. Eddy, Earl S. Porter, Bertha S. Pratt, E. Lillian Rea, John W. Coyle, Edwin R. Hanson and Charles H. Wilder.

Before proceeding to the business of the evening Col. Fred-eric G. Bauer presented the Town through the Moderator with a gavel block of stone, which was taken from the battlefield of Antietam, near the place where Weymouth Soldiers fought in that battle during the Civil War.

The Moderator accepted the block of stone and thanked Col. Bauer for this historic gift.

Mr. Frederick Humphrey offered the following resolution:

Whereas it has pleased Almighty God, our Heavenly Father, to return to us from across the mighty ocean, our esteemed townsman, George L. Barnes, and Whereas his visit to the mother town of Weymouth, England, at the dedication of their new bridge, was a mission of brotherly love and friendship in behalf of our beloved Town.

Therefore, be it resolved that the inhabitants of the Town of Weymouth, through their representatives in Town Meeting assembled heartily welcome him back to preside as Moderator over our deliberations.

Be it further resolved that we, in behalf of the Town extend the thanks of the Town of Weymouth to George L. Barnes for his generous contribution of time and money in attending the dedication of the new bridge in Weymouth, England, thus expressing to the Town of Weymouth, England, our friendship, good will and kindly feeling.

Be it further resolved that we express our approval of the lofty sentiments expressed by George L. Barnes in his masterly and scholarly address delivered on the occasion of the dedication in which he both expressed the friendship which has sprung up between the two Towns of Weymouth on each side of the Atlantic and chronicled the progress of our own Town since our ancestors left the shores of Europe to establish Weymouth in America.

Be it further resolved that these resolutions be spread upon the records of the town and printed in the Town Report, and that a copy duly attested be transmitted to George L. Barnes.

The Town Clerk assumed the chair of the Moderator, and these resolutions were unanimously adopted.

Col. Frederic Gilbert Bauer offered the following resolution:

Whereas the Society of the War of 1812, an organization founded in 1814 by soldiers of that war and now perpetuated by their descendents, has accepted the invitation of our Town to hold their biennial meeting in our Town Hall on Saturday, September 13, 1930,

Be it resolved: That the citizens of the Town of Weymouth in Town Meeting assembled hereby extend to the members of this Society a cordial welcome to this ancient and historic Town, and that the Moderator be requested to attend said meeting and extend the welcome of the Town to the delegates there present.

This resolution was unanimously adopted.

Art. 1. Under article 1 Hon. George L. Barnes read a very interesting report as representative from the Town of Weymouth, Mass., at the dedication of the new town bridge in Weymouth, England, as follows:

To the Representative Town Meeting of the Town of Weymouth

As representative from the Town of Weymouth to the exercises incident to the dedication of the new town bridge in Weymouth, England, I respectfully submit the following report:

On Monday, June 30, 1930, the Honorable Percy A'Curt, formerly Mayor of Weymouth, England, and one of the delegation that visited us on July 4, 1926, met me by previous arrangement at the Hotel Howard, in London. From then until July 9, 1930 I was entirely in the hands of representatives of Weymouth, England, as their guests.

A brief recital of some of the acts of courtesy and hospitality that they extended to your representative during this period of time may be properly of interest.

On June 30, 1930, Mr. A'Court took me to St. Paul's Cathedral, and in the evening we attended the theatre and inspected the London subway system.

Tuesday, July 1, 1930, we left London at 12:30 P. M. for Weymouth, arriving there at 4 P. M. At the station I was greeted by newspaper men and photographers and by Mr. Smallman, the Town Clerk, who was one of the delegates visiting us in 1926. They escorted me to the Gloucester Hotel where I was presented to the Mayor, Percy Boyle. The Mayor, accompanied by Mr. Smallman and Chief Engineer of Construction, Fitzsimmons, escorted me to the new bridge and I was privileged to open it by the electrical devices provided for that purpose. We then attended some boxing matches that were being conducted in behalf of the British Veterans of the World War. I then, in company of the Mayor, attended a meeting of the ladies of Weymouth, and at this occasion I was introduced and spoke briefly.

In the evening I was the special guest of a municipal concert held in the municipal pavillion, which was profusely decorated with American Flags, as we entered the municipal Orchestra played our National Anthem.

On July 2, 1930, I placed a wreath on the grave of Councillor Peters, who was one of the delegation that visited us in 1926, this ceremony taking place in the presence of the Mayor and others, and in placing this wreath upon the grave I made the following statement:- "Councillor Peters, the people of Weymouth in Massachusetts, in America, place this wreath upon your grave with grateful recollection of your notable contribution in 1926 to the friendship between Weymouth in England and Weymouth in Massachusetts".

I found that Councillor Moore, one of the delegation who visited us in 1926, was buried some two hundred miles from Weymouth and that it was impracticable to place a wreath upon his grave. It was suggested to me by the Mayor and Town Clerk that instead, this wreath be placed upon the memorial to the soldiers and sailors of Weymouth who lost their lives in the World War. Accordingly, in the presence of the same delegation, I placed a wreath upon this memorial with the following statement:- "The people of Weymouth in Massachusetts, in America, place this wreath here as their tribute of respect to the illustrious dead of this town".

On Thursday, July 3, 1930, the British squadron, under the command of Admiral Hyde, tendered me a reception upon the flagship "Emperor of India".

This was a very ceremonious occasion, with several hundred guests in attendance, the battleships being decorated by the flying of all their signal flags, a band in attendance, luncheon, and dancing.

In the evening of July 3 I attended the meeting and dinner of the British correspondents, who had gathered for the purpose of reporting the exercises on the following day.

On July 4, 1930, I was conducted to a seat in a stand where was gathered a small party of men and women for the purpose of being presented to the Duke of York. The Duke of York arrived a few minutes later and I was presented to him by Mayor Boyle. He expressed pleasure at the opportunity of meeting your representative. A procession was then formed and with the Duke of York we marched to the bridge, where the Duke inspected the electrical devices for opening the bridge, and then caused the bridge to be opened, declaring it to be open for public use. There was no speeches made at this time. We then retired to the Gloucester Hotel, here a luncheon was tendered to the Duke of York and where he spoke briefly and again expressed his pleasure at meeting the representative from America saying that he appreciated that this would further cement the friendly feeling existing between the two nations. In the evening a banquet was tendered by the people of Weymouth England to the officers of the British Fleet and myself at the Hotel Royal. This banquet was attended by some four hundred and fifty invited guests comprising several members of the House of Lords and their ladies, representatives of the press and the officials of the town of Weymouth. Admiral Hyde, in command of the Fleet, spoke appreciatively of the visit of your representative. At this banquet I was asked to speak and delivered the address that has been published in the local papers.

On July 5, 1930, I paid a visit to the widows of Councillor Moore and of Councillor Peters. I was then invited by the Mayor to attend a session of the local court and invited to sit upon the bench with him. In the evening I was the guest of the Rotary Club at a dinner arranged for the occasion. I there presented resolutions that had been prepared and engrossed by our Rotary Club, which was gratefully acknowledged.

Sunday, July 6, 1930, in company with the Mayor, I was escorted to Church by a band and the members of the Town Council in their gowns and insignia of office. The Mayor was in full regalia and was attended by mace bearers. Immediately following the exercises at the Church, I visited the municipal offices, where was gathered the Mayor, Town Clerk and members of the Council, and there presented the picture of our municipal group of buildings. The Mayor responded and expressed his gratitude for this gift and said it would immediately be placed on the walls of the Mayor's office.

I left Weymouth on July 7, 1930, and upon arriving at the station found that the engineer of the train that was to take me to London was the Mayor of Dorchester who visited us here in Weymouth some few weeks ago.

He invited me to ride in the cab with him and I gladly accepted his invitation. I was accompanied to London by Mr. Smallman, the Town Clerk, who had previously arranged several interesting events for my entertainment in London. One of these was an interview with Sir Ramsey MacDonald, Prime Minister of England, this being arranged through the courtesy of Lord Cranbourne. Following the interview with Mr. MacDonald I was escorted to the distinguished visitors' gallery in the House of Parliament.

On July 8, 1930, through the kindness of Mr. Smallman and by arrangement made by him, I was privileged to meet the Lord Mayor of London at the Mansion House. We were graciously received by the Lord Mayor and his wife.

On returning from the Mansion House we saw the King and Queen of England driving to Buckingham Palace from their dedication of the "India House".

On July 9, 1930, Mr. Smallman left London for Weymouth, thus ending the entertainment of your representative by the people of Weymouth in England.

I desire here to record, in order that it may be perpetuated in this record, the extreme courtesy, kindness and generosity that the people of Weymouth in England extended to me during my visit. Every act that friendship and kindly thoughtfulness could inspire was performed.

This, assuredly, was not extended to me in any personal capacity, but only as your representative, and, therefore, was a manifestation of the friendship of the people of Weymouth in England for the people of this town.

In their multitude of decorations for the occasion of the dedication of the bridge was displayed a great many American flags, which could have been done for no other reason than to express friendship and courtesy for us.

This was very manifest in various conversations with their officials and representatives in which they spoke of the increasing friendly intimacy between these two towns and our being brought together in closer bonds of friendship.

For my part, I endeavored to represent you to the best of my ability in a manner which I hoped was calculated to inspire respect for our town.

To what extent, if any, I was successful it is not within my province to state, but I like to think that perhaps this visit made some contribution toward increasing our already friendly and pleasant relations with the mother town in England.

I greatly regret the necessity in this respect of the so frequent use of the personal pronoun I, but in view of the fact that it is a recital of my activities while serving as your representative. I have been unable to see how it could have been avoided.

I want to express to you and the people of Weymouth my profound appreciation of the honor and privilege that you conferred upon me in designating me as your representative for the purpose of attending these ceremonies in Weymouth in England. It was truly a very great privilege and I was, I trust, at all times deeply sensible of the honor of serving there as the representative of this town of Weymouth in Massachusetts.

Respectfully submitted,

August 11, 1930

GEORGE L. BARNES

The Moderator resigned the chair to the Town Clerk, and it was unanimously voted by a rising vote that this report be accepted and the same be spread upon the records of the town.

John W. Hefferman, Sec'y of the Appropriation Committee moved and it was so voted: That the Tercentenary Committee be authorized to appoint such sub-committees as it may consider necessary for the proper conduct of the celebration.

Art. 2. Voted unanimously: That the Town accept Chapter 352 of the Acts of 1930, and that the payment to be made in accordance with the provisions of said act be charged to the appropriation for the payment of damages.

Art. 3 John W. Heffernan, Sec'y of the Appropriation Committee moved:

That in accordance with Section 100 of Chapter 41 of the General Laws and the Acts in amendment thereof and in addition thereto there be allowed to Earl R. Starrett a permanent member of the Fire Department for expenses and damages sustained by him while acting as such member of the Fire Department including loss of pay by reason of absence of duty on his part because of temporary incapacity caused by injuries suffered through no fault of his own while in the performance of duty such amount as he may expend with the approval of the Chief of the Fire Department for medical and surgical attendance, hospitalization, medicines, surgical supplies and nursing plus the sum of Twenty-five dollars (\$25.00) per week during such time as he is absent from duty on account of said injuries, such payments to continue until such time as in the opinion of the Chief of the Fire Department he is able to return to duty, or until otherwise ordered by the Town Meeting, such payments to be charged to the appropriation for the payment of damages.

Mr. Everett E. Callahan moved as an amendment: That the words and figures "Twenty-five dollars (\$25.00)" be stricken out and insert the words "full pay". This question on the amendment was put before the meeting and was declared not a vote.

The motion as offered by the Appropriation Committee was then put before the meeting and it was so voted.

Art. 4 Voted: That the Board of Selectmen be authorized and empowered to compromise for a sum not exceeding Twelve Hundred Dollars (1,200.00) the claim of Mrs. Lena M. Pratt and of her husband Frank W. Pratt for personal injuries received by said Lena M. Pratt on account of an alleged defect in Sea Street opposite the turn-out situated westerly from North Street.

Art. 5 John W. Hefferman Sec'y of the Appropriation Committee moved as follows: To raise and appropriate the following additional sums of money for the operation and expenses during the remainder of the current year of the following town departments and activities, to wit:

Item 1 Police Department \$610.46 which sum shall include the installation of automatic traffic signals at the corner of Bridge and North Streets, the corner of Park Avenue and Main Street and the corner of Park Avenue and Middle Street. Mr. David J. Toomey moved as an amendment that the sum of \$2,100.00 be raised and appropriated for the Police Department and a traffic

signal be placed at the corner of Bridge and Evans Streets. After quite a discussion on this subject, Mr. Toomey on consent of the meeting withdrew his amendment. The question on the motion of Mr. Hefferman was then put before the meeting and it was so voted.

Item 2. Mr. Heffernan moved as follows: Fire Department \$922.00 of which sum Five Hundred Dollars shall be for the purpose of purchasing hose, One Hundred Fifty Dollars for the purpose of cellar pipe, One Hundred Fifty-Seven Dollars for alterations to the boilers in the Engine houses in Wards 3 and 5, Fifty Dollars for moving the Ward 2 whistle to the new Fire House and Forty Dollars for a so-called ("fire Freeze") extinguisher for gasoline fires.

H. Franklin Perry offered the following amendment: That the sum of Sixty-two and 50/100 for payment of rental to the First Baptist Church and Society for the use of their bell as a Fire Alarm, at the rate of Twelve Dollars and fifty cents per month from August 1, 1930.

The question on this amendment was put before the meeting and it was so voted. More than seven members raising their hands as having doubted the vote, a recount was thus ordered. The Moderator appointed Alfred C. Sheehy, Ralph H. Haskins and Melville F. Cate as tellers, they were sworn to the faithful performance of their duty. The tellers reported 101 voting in the affirmative and 65 voting in the negative and the amendment was so voted.

Mr. William A. Connell moved to amend the motion as amended by adding the sum of \$295.00 for the purpose of installing a fire alarm box near the Weymouth-Rockland line. This amendment was put before the meeting and it was so voted.

The motion offered by the Appropriation Committee as amended was then put before the meeting and it was so voted. Total amount \$1,379.50)

Item 3 Payment of damages \$4,100.00.

Item 4 Selectmen's Department \$680.00 of which sum \$300.00 shall be for additional printing, \$300.00 for miscellaneous expenses and \$80.00 for the purchase of the latest model Remington No. 6 Noiseless typewriter.

Item 5. Unpaid bills, \$446 40.

Item 6. Massachusetts Tercentenary Committee, \$3,800.00 which sum shall include the construction of seats of the bleacher type for the open air theatre at the civic center, said seats to be so constructed that they can be moved and stored.

Item 7. Highway Department, \$25,050.00 of which sum \$12,500.00 shall be for completing surfacing of Broad Street, \$800.00 for resurfacing Wessagussett Road, \$5,800 for a permanent sidewalk with curbing on the North side of Park Avenue from Main Street to Pleasant Street, \$2,450.00 for a sidewalk on Lake Street, \$2,800.00 for a sidewalk on Webb Street from Broad Street to Commercial Street, \$700.00 for a sidewalk on Phillips Street extending in from Broad Street, provided that all said appropriations shall be accounted for as one fund and any unexpended balances thereof shall

be available for the construction of a permanent sidewalk on Washington Street southerly of Middle Street.

Mr. William A. Hannaford moved as an amendment: That so much of the vote as relates to the Highway Department be amended so that the first portion thereof shall read: Item 7. Highway Department \$36,000.00 of which sum \$13,600.00 shall be for the permanent construction of Middle Street, \$13,500.00 shall be for the completing of surfacing of Broad Street, etc., and by adding at the end of said clause the words, the sum of \$4000.00 heretofore appropriated for the construction of Middle Street is hereby made available for the permanent construction of Middle Street herein authorized, in addition to the sum herein appropriated.

The question of the amendment as offered by Mr. Hannaford was put before the meeting and it was lost.

Mr. David J. Toomey moved as an amendment that the sum of \$1,000.00 be added to construct a drain at the junction of Wharf Street and Commercial Street. The question on this amendment was put before the meeting and it was lost.

The question of the motion as offered by Mr. Heffernan was then put before the meeting and it was so voted. (\$25,050.00)

Item 8. Soldiers' Relief \$800.00

Item 9. Charities, \$33,250.00 in addition to which sum \$250.00 appropriated at the special Town Meeting held September 16, 1929 for the expenses of the Committee to investigate and report on approved methods of administering poor relief, and \$1,500.00 appropriated at the Annual Town Meeting in March 3, 1930 for the payment of an executive secretary of the Department of Public Welfare are hereby appropriated and made available for the general use of the Department of Public Welfare.

Mr. Everett E. Callahan offered the following amendment: That the Moderator appoint a committee of ten, two from each Ward, one to be chairman, to act with the Welfare Worker on all present and future welfare cases and, further, that this committee be empowered to act as they deem for the best interests of the town, the committee to dissolve after their report at the next Annual Town Meeting.

This amendment was put before the meeting and was declared not a vote.

The question on the motion of Mr. Heffernan was then put before the meeting and it was so voted.

Item 10. For the Building Inspector's Department \$120.00, for the expenses of the Board of Appeal.

Item 11. For the expenses of the Harbor Master including reimbursement for expenses already incurred \$212.00.

Of the sums herein appropriated for the Tercentenary Committee \$150.00 shall be available for expenditures under clause 34 of Section 5 of Chapter 40 of the General Laws as amended by Chapter 36 of the Acts of 1928; provided that all mechanics, laborers or teamsters, employed under any appropriation made at this Town Meeting shall be citizens of Weymouth and all materials purchased from any such appropriation shall be purchased of dealers who are citizens of Weymouth whenever they can supply the same.

The question on the motion of Mr. Heffernan on the several items as amended was then put before the meeting and it was so voted.

Mr. Heffernan offered the following emergency preamble:

Whereas, the deferred operation of so much of the foregoing vote as appropriates the sum of \$3,800.00 for the Tercentenary Committee would defeat its purpose, which is to enable seats to be provided for the open air theatre in season for use at the celebration in September and would thereby prevent the proper conduct of the Town's Celebration,

Therefore, so much of the foregoing vote as makes said appropriation is declared to be an emergency measure, necessary for public convenience.

The above resolution was adopted, the tellers reported 133 voting in the affirmative and 1 in the negative.

Art. 6. Voted: That the Board of Park Commissioners be authorized to accept from the Stetson Shoe Co, Inc., a lease for five years revocable at will by the town and on six months notice by the lessor, with an automatic clause until such time as either parties shall give the other party sixty days notice of its intention to terminate the same, of the following described parcel of land:

A certain tract of land located in that part of Weymouth known as South Weymouth, and bounded and described as follows:

Beginning at a point at the intersection of the division line between land of the Stetson Shoe Co. Inc., and land of Georgianna B. Rugman with the easterly boundary line of land of Edward Hirt, said point being about 215 ft. southerly from the southerly side line of West St.; thence running southerly by said easterly boundary line of said Hirt and by an extension of said line in the same course a total distance of 253 ft.; thence turning at nearly a right angle and running easterly a distance of 140 feet; thence turning and running northerly by a line nearly parallel with the first described course a distance of 275 feet to land of said Rugman; thence turning and running westerly by said land of Rugman a distance of 142 feet to the point of beginning; containing about 37,000 square feet more or less.

Above described parcel of land is bounded northerly by land of Georgianna B. Rugman; easterly by other land of the Stetson Shoe Co., Inc.; southerly by other land of The Stetson Shoe Co., Inc.; and westerly by other land of the Stetson Shoe Co., Inc., and by land of Edward Hirt.

Art. 7. Voted: That the Trustees of Tufts Library be authorized to accept a lease at a rental of One Hundred Fifteen Dollars (\$115.00) per month for the term of five years of the ground floor of the Garey block so called on Broad Street, East Weymouth.

Art. 8. Voted: That the Committee on Town Hall and War Memorial be authorized to place in the central rotunda of the Town Hall a bronze tablet in commemoration of the benefactors of the Town.

Art. 9. Motion offered by Mr. Heffernan: That the subject matter of this article be referred to a committee consisting of the School Committee and of the Town Hall and War Memorial Committee, the meeting to be called in accordance with the first paragraph Section 304 of the by-laws, with power to select a name.

Mr. Daniel L. O'Donnell in an eloquent appeal moved that the open air theatre in the civic center be named "Ralph Talbot Memorial Auditorium". and it was so voted. The motion as amended was so voted .

Art. 10. Mr. Heffernan moved: That no action be taken under this article. Mr. John W. Knox mover as ammendment: That the sum of \$2,500.00 be raised and appropriated to build a permanent sidewalk on Middle St., from Circuit Avenue to Washington Street.

The question on the amendment was put before the meeting and it was lost.

The question on the motion offered by Mr. Heffernan was then put before the meeting and it was so voted.

Art. 11. Voted: That no action be taken under this article.

Art. 12. Voted: That no action be taken under this article.

Art. 13. Voted: That no action be taken under this article.

Art. 14. Voted: To raise and appropriate the sum of Three Thousand Nine Hundred Sixty-two and 50 100 Dollars (\$3,962.50) for grading and surfacing the drive way and the area in the rear of the Hunt School said work to be done under the supervision of the Superintendent of Streets.

Art. 15. Motion offered by Mr. Heffernan of the Appropriation Committee: To raise and appropriate the sum of Ten Thousand Dollars (\$10,000.00) for the further improvement of Legion Memorial Field said work to be done under the direction of the Committee in charge of the project. The Moderator declared the motion as carried. More than seven members having doubted the vote a recount was ordered. The tellers reporting 108 voting in the affirmative and 16 voting in the negative the motion was carried.

Art. 16. Voted: That no action be taken under this article.

Art 17. Voted: That the Board of Selectmen be authorized to sell at private sale or release in part satisfaction of any claim for damages such portion of the land acquired by eminent domain from Frank H. Holmes by taking dated March 17, 1930 and recorded with Norfolk Deeds Book 1885, Page 401, as in the opinion is no longer needed by the Town for which it was taken and to give in the name of the Town a good and sufficient deed or deeds therefor, and that the Selectmen be further authorized to release, if in their judgment advisable, so much of the right of way extending from said premises to said Shawmut Street as covers any land in excess of a strip twelve feet in width.

Art. 18. Voted unanimously: That the Board of Selectmen be and hereby are authorized to take for drainage purposes the following easements in and over a strip of land twelve feet wide extending from Shawmut Street, to land acquired by the Town from Frank H. Holmes by taking dated March 17, 1930 and recorded with Norfolk Deeds Book 1885. Page 401, and bounded: Northeasterly by land now or late of Pasquale and Filomena Garofalo there measuring 102.23 feet; Southeasterly by land acquired by the Town of Weymouth from said Holmes by the taking above referred to there measuring 12 feet; Southwesterly by land of Gabriel Costanzo, there measuring 102 feet more or less, and Northwesterly by Shawmut St., there measuring 12 feet, being a portion of the premises covered by land court certificate No. 5025 and recorded with Norfolk Registry District of said land court in Book 26, which are described as being subject to rights of way.

(1) A right to pass and repass with persons, animals, and vehicles at all times in so far as the same may not all ready covered by an easement now owned by the Town as appurtenant to the land acquired from said Holmes under the taking above referred to.

(2) An easement to lay and conduct conduit pipes, wires and conduits under the surface of said land from Shawmut Street to the land so acquired from said Holmes by taking above referred to, and to repair and renew same; and that the sum of \$1.00 be raised and appropriated for the purpose of acquiring said easement, but that the Board of Selectmen be authorized if in their judgment it is desirable, to accept on behalf of the Town a deed in fee simple of said premises and to make any agreement with the owner of said premises reserving him a right of way thereover and any other agreements not inconsistent with the Town's use of said premises.

Art. 19. John W. Heffernan of the Appropriation Committee moved: That the portion of the circumferential highway construction constructed under Chapter 364 of the Acts of 1929 lying between Main and Columbian Streets be named Park Avenue. Mr. Alfred S. Tirrell moved as an amendment: That the name of this new street be named Park Avenue West.

The question on the amendment was put before the meeting, and it was so voted. The question as amended was then put before the meeting and it was so voted.

Art. 20. Voted unanimously: To accept the report of the Board of Selectmen relocating that portion of Iron Hill Street lying southerly of land of Eastern Massachusetts Street Railway and that the Board of Selectmen be authorized to acquire by gift or purchase or take by right of eminent domain an easement for all purposes of a public street and highway in and over the property within said relocation and that the sum of Fifty Dollars (\$50.00) be raised and appropriated for the expense of acquiring said easement, provided nevertheless that nothing herein contained shall be construed as an abandonment by the Town of any portion of said street as now existent

The tellers reported 138 voting in the affirmative and none in the negative.

Art. 21. John W. Heffernan of the Appropriation Committee moved as follows: To raise and appropriate the sum of Two Thousand Dollars (\$2,000.00) for the expense of ascertaining the cost of the proposed municipal golf course, half of which sum shall be for the use of the committee on municipal golf course in obtaining plans and estimates of constructing such a course of the land herein described and half of which shall be for the expense of bringing proceeding under Chapter 80 A of the General Laws for the condemnation of the following described two parcels of real estate situated in that part of Weymouth known as North Weymouth, to wit:

First parcel: Northwesternly by Green Street about 900 feet; Southerly by Green Street about 742.68 feet; Northerly by land of Miles P. Keene by the southerly end of Forest Avenue, so-called a private way, and by land of George J. Thiers, a total distance of 1184.38 feet; Northeasterly by land of the United States of America a distance of 491.35 feet; Easterly by said land of the United States of America by various courses about 141.58 feet; Southerly by land now or formerly of Hinston Realty Trust about 1450 feet; Southwesterly by land of James B. Jones about 1000 feet; Northwesternly by land of Joseph O. Thompson about 655.90 feet; Southwesterly by said land of Joseph O. Thompson about 624.65 feet; Containing about 96.2 acres more or less, said parcel comprising the whole of the land described in land court certificate No. 11171 Registry District of Norfolk County, and standing in the name of Catherine M. Mathewson in deeds to Alvah M. Thompson recorded in Norfolk Registry of deeds Book 1156, Page 632, Book 1566, Page 573, Book 1438, Page 56 and Book 1190, Page 204 and portions of the land described in land court certificate No. 7898, Registry of Norfolk County standing in the name of James B. Jones, and in deed to Edward C. Ross recorded with Norfolk Registry of deeds Book 896, Page 133, and to Mary E. Rudd recorded with Norfolk Registry of Deeds Book 1067, Page 161

Second Parcel: Northeasterly by Green Street about 347 feet; Northwesternly by land of Miles P. Keene; Northeasterly by land of Miles P. Keene; Northwesternly by land of Adelaide A. Baxter about 869 feet; Southwesterly by land of Harry L. White and Amy L. White, joint tenants, about 400 feet; and Southeasterly by Green Street about 1368.50 feet.

Containing about 15.2 acres more or less, and comprising the whole of each of the various premises more particularly described in the deeds of Alvah M. Thompson recorded in Norfolk Registry of Deeds Book 1566, Page 573, Book 1562, Page 102 and Book 1211, Page 168.

And the Board of Park Commissioners are hereby authorized to file a petition for the condemnation of said land for park purposes in accordance with said Chapter, provided nevertheless that all moneys herein appropriated shall be accounted for and disbursed as one fund.

Mr. Harold A. Condrick moved: That further action under this article be postponed.

The question on this motion to postpone was put before the meeting and it was declared carried. More than seven members doubting the vote a recount was ordered. The tellers reported 79 voting in the affirmative and 74 voting in the negative and the motion to postpone was carried.

Art. 22. Item 1. Mr. Heffernan of the Appropriation Committee moved: To adopt the proposed amendments to the by-laws by adding a new section after Section 111 to be called Section 112. (as printed in the warrant)

Mr. Alfred C. Sheehy moved to indefinitely postpone action under this item. After quite a discussion on the merits of this item it was voted to indefinitely postpone the same.

Item 2. Mr. Heffernan of the Appropriation Committee moved: To adopt the proposed amendment to the by-laws by adding a new section to be called section 306. (as printed in the warrant)

Mr. Prince H. Tirrell moved: To indefinitely postpone action under this item. So voted.

Item 3. Mr. Heffernan of the Appropriation Committee moved: To adopt a new paragraph between the second and third paragraph of section 304 of the by-laws. (as printed in the warrant.)

Mr. Prince H. Tirrell moved: To indefinitely postpone action under this item

Item 4. Mr. Heffernan of the Appropriation Committee moved: To adopt the proposed amendment to the by-laws by adding a new section to be called Section 622. (as printed in the warrant.)

The question to adopt this amendment was put before the meeting and it was declared not a vote.

Item 5. Mr. Heffernan of the Appropriation Committee moved: To adopt a new clause at end of Section 798.

Mr. Spurgeon A. Ward moved: To indefinitely postpone action under this item. So voted

Art. 23. Mr. Heffernan of the Appropriation Committee moved: That the Board of Park Commissioners be authorized to lease or take by right of eminent domain the right between November 1 and March 31 of each year for the term of five years to flow and occupy for skating purposes the following described parcel of land, said occupancy to be terminable at the will of the Park Commissioners or in any case any year the Town shall fail to appropriate the money for the payment of the rental.

Northeasterly by Park Avenue, Seventy-five (75) feet;

Southeasterly by land now or late of Albert G. and Gerda M. Reed. One Hundred Forty (140) feet;

Southwesterly by land now or late of Nellie G. Leary, Seventy-five (75) feet; and Northwesterly by land now or late of Nellie G. Leary, One Hundred Thirty-six and 8.100 (136.8) feet.

Containing 10,300 square feet, and that the sum of Eight Dollars (\$8.00) be raised and appropriated for the payment of rent thereunder during the first year.

The tellers reported 67 voting in the affirmative and 26 voting in the negative. More than 2/3 voting in the affirmative the motion prevailed.

Mr Joseph Kelley moved: To reconsider Article 21.

After some discussion on the question Mr. Wallace H Bicknell moved: That this meeting do now adjourn, the Moderator declared the motion lost. More than seven members having doubted the vote a recount was ordered. The tellers reported 48 voting in the affirmative and 80 voting in the negative, the motion to adjourn was lost.

Mr. Howard M. Clark asked the Moderator what constituted a quorum. The Town Clerk informed the Moderator that 132 members constituted a quorum this number being a majority of the eligible Town Meeting Members. Mr. Clark then questioned a quorum. The members were then asked to raise their hands to be counted by the tellers and they reported 140 members had raised their hands. The Moderator declared a quorum present.

The question on the motion of Mr. Kelley was then put before the meeting and it was so voted. (To reconsider Article 21.)

The question then recurred on the motion to indefinitely postpone.

Mr. Howard M. Clark moved: That the question be laid on the table until our next meeting.

Mr. George E. Cunniff moved to amend: That we appropriate \$2,000.00 to be spent under the direction of the Golf Committee to bring in a definite report at the meeting in March, 1931.

The question then came upon Mr. Cunniffs' motion to substitute for the motion to indefinitely postpone, that we appropriate the sum of \$2,000.00 to be spent under the Golf Committee and bring in a report at the next Annual Town Meeting.

Mr. David J. Toomey questioned a quorum present. Upon a count being taken the tellers reported 152 Town Meeting Members present.

The Moderator declared the motion of Mr. Cunniff lost. More than seven members having doubted the vote a recount was ordered. Upon a recount being taken 52 voted in the affirmative and 75 voted in the negative, the motion of Mr. Cunniff was declared lost.

Mr. Clark moved: That we do now adjourn, this motion was lost.

The motion as offered by Mr. Heffernan, being the original motion, was then put before the meeting as follows: To raise and appropriate the sum of Two Thousand Dollars (\$2000.00) for the expense of ascertaining the cost of the proposed municipal golf course in obtaining plans and estimates of construction such a course of the land hereafter described and half of which shall be for the expense of bringing proceedings under Chapter 80 A of the General Laws for the condemnation of the following two parcels of real estate situated in that part of Weymouth known as North Weymouth.

(The description as in the warrant) And the Board of Park Commissioners are hereby authorized to file a petition for the condem-

ation of said land for park purposes in accordance with said Chapter, provided nevertheless that all moneys herein appropriated shall be accounted for and disbursed as one fund.

The question on this motion, moved as a substitution for the motion to indefinitely postpone was put before the meeting and it was so voted.

Voted: At 11:25 P. M. to adjourn without day.

CLAYTON B. MERCHANT, Town Clerk

Attest:

CLAYTON B. MERCHANT
Town Clerk

e

WARRANT FOR STATE PRIMARY COMMONWEALTH OF MASSACHUSETTS

NORFOLK, ss.

To either of the Constables of the Town of Weymouth
GREETING:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of said Town who are qualified to vote in Primaries, to meet at the polling

places in their precincts, to wit: in precinct one, three, five and six in the hall of the Fire Engine houses located in those precincts respectively: in precinct two at G. A. R. Hall; in precinct four at the building of the Citizens' Association, Inc. on Front Street; in precinct seven at the Lovell's Corner Improvement Association building on Washington Street; in precinct eight at the Weymouth Heights Club building on North Street. Tuesday, the sixteenth day of September, 1930 at 12:00 o'clock noon for the following purposes:

To bring in their votes to the Primary officers for the Nomination of Candidates of Political Parties for the following offices:

Governor, for this Commonwealth; Lieutenant Governor, for this Commonwealth; Secretary of the Commonwealth, for this Commonwealth; Treasurer and Receiver General, for this Commonwealth; Auditor of the Commonwealth, for this Commonwealth; Attorney General for this Commonwealth; Senator in Congress, for this Commonwealth; Representative in Congress, for 14th Congressional District; Councillor, for 2nd Councillor District; Senator, for Norfolk and Plymouth Senatorial District; One Representative in General Court, for 5th Norfolk Representative District; District Attorney, for Southeastern District; Register of Probate and Insolvency, for Norfolk County; One County Commissioner, for Norfolk County; Two Associate County Commissioners, for Norfolk County; County Treasurer, for Norfolk County, and for the election of the following officers: District Member of State Committee for each political party for Norfolk and Plymouth Senatorial Districts; 16 members of the Republican Town Committee; 10 members of the Democratic Town Committee; 17 Delegates to the State Convention of the Republican Committee; 10 Delegates to the State Convention of the Democratic Committee;

All the above candidates and officers are to be voted for upon one ballot. The polls will be open from 12:00 noon to 8:00 P. M. and you are directed to serve this warrant by posting a copy thereof: attested by you in writing, in each of two public places in each voting precinct in said town, seven days at least before the time for holding said meeting called for in this warrant.

Hereof fail not and make return of this warrant with your doings thereon to the Town Clerk on or before the 12th day of September, 1930.

Given under our hands this second day of September, A D. 1930.

WILLIAM A. CONNELL

FRED E. WAITE

H. FRANKLIN PERRY

EDWIN R. SAMPSON

WILLIAM A. HANNAFORD

Selectmen of Weymouth

A true Copy attest:

Edward F. Butler

Constable

RETURN OF SERVICE

Commonwealth of Massachusetts

Weymouth, September 6, 1930

Norfolk ss.

Pursuant to the within warrant I have this day notified the inhabitants of Weymouth aforesaid to meet at the respective places and times for the purpose set forth in said warrant by posting true and attested copies of the same in each precinct as therein directed.

EDWARD F. BUTLER

Constable of Weymouth

Clayton B. Merchant, Town Clerk

APRIL 19, 1930

The Memorial Cross erected by a grateful people to the memory of the Soldier and Sailor, sons of Weymouth, who gave their lives for their country and the remaining tablets bearing names of citizens of Weymouth who participated in the several wars in which this country has been engaged were dedicated this afternoon.

Thousands of townspeople, friends and representatives of neighboring towns were present to witness the dedication and the goal for which the committee had so ardously worked for had become a reality and one of the most beautiful and lasting tributes to American patriotism to be found in this part of the country has become a part of the Civic Center of the Town of Weymouth.

The Memorial Cross which stands on the knoll east of the south wing of the High School is built of Barre White Granite and is 28 feet in height, and when electric lights are turned on this cross at night it stands out and becomes an object of great beauty. On the upper part of the cross is a bronze Crusaders sword and below a bronze wreath on which is inscribed the words "Pro Patria", and near the base the inscription "In Memory of the Soldier and Sailor, Sons of Weymouth who gave their lives for their Country.

The program opened with the singing of Handels "Jubilate" by a chorus of 100 voices led by James W. Calderwood, supervisor of music in the Weymouth Schools, assisted by Miss Alva Boyden of Brockton, soloist and Mrs. William A. Hodges, accompanist.

The exercises of the unveiling of the Memorial Cross were conducted by the members of Reynolds Post No. 58, G. A. R. assisted by Veterans of Foreign Wars, Sons of American Revolution, American Legion and Sons of Union Veterans. The dedication exercises were read by acting Commander Waldo Turner, Senior Vice Commander Department of Massachusetts, G. A. R. Arthur R. Taylor, Junior Vice Commander, Sons of American Revolution, and Rev. John B. Holland, the beloved pastor of Sacred Heart Church acting as Chaplain. Near the Cross stood Stanley Heald representing the American Legion, as Officer of the Day, Charles J. Downing, representing the Sons of Union Veterans, as Adjutant and William A. Connell, representing the American Legion as Officer of the Guard. At a given signal the two large American flags which veiled the cross were released by Mrs. Edward B. Nevin, daughter of Gen. James L. Bates, Weymouth's highest ranking officer in the Civil War who was assisted by Commander David Dunbar of Reynold's Post No. 58, G. A. R.

Following the dedication of the Memorial Cross, the tablet to the heroes of the French and Indian Wars was dedicated by the members of the Weymouth Historical Society, Bates Torrey, President officiating. Rev. Nathan Wood offered a prayer and Rev. Charles W. Allen, Secretary of the Society, gave a brief recital of that war.

The tablet to the unknown soldiers was dedicated by the members of Reynold's Post No. 58, G. A. R. Senior Vice Commander, Department of Massachusetts, Waldo Turner in charge, he was assisted by Rev. Winfield S. Randall acting as Chaplain. Mr. H. M. Comey of Danvers a 91 year old veteran of Chelsea, a former Department Commander of Massachusetts also spoke.

The tablet to the Weymouth men who fought in the Revolutionary War was dedicated by the Sons of American Revolution, Arthur R. Taylor, president officiating. This Society were holding their annual meeting at the Town Hall on this date and there were many present to assist in this dedication.

The tablet to Shays Rebellion was unveiled by Hon. George L. Barnes, Annual Moderator of the Town of Weymouth, who gave a short address on that uprising.

The tablet to the memory of those men who fought in the War of 1812 was dedicated by the Society of 1812 and the ritual for the dedication was read by Lieut. Col. Frederick Anson Estes, a member of that Society.

Wessagusset Post, Veterans of Foreign Wars performed the dedicatory ceremony for the tablet to those who fought in the Mexican War, the China Relief Expedition and the occupation of Vera Cruz. This ceremony was performed by Commander Louis N. Barcello, Robert F. Goforth, Senior Vice Commander and Earl F. McDonald, Junior Vice Commander of that organization.

The tablets to the men of Weymouth who fought in the World War were unveiled by members of Weymouth Post No. 79, American Legion, John G. Easton Commander.

Col. Frederic Gilbert Bauer presented a tablet to mark the exact spot where the last Indian attack upon Weymouth was made. This tablet was accepted by William A. Connell, Chairman of the Board of Selectmen, and the tablet will be placed near Middle and Washington Streets on the site of the old Town House.

After the dedication of each tablet a salute of three volleys were fired by Howitzer Company, 101st Infantry of Quincy.

Music was performed by the "Pond Plain Band" Julian R. Merchant, Conductor.

A luncheon was served at noon to the representatives of the patriotic orders by the Daughters of Union Veterans, Mrs. Harriet C. Fern, president.

Following the dedication exercises a pageant depicting the last Indian attack upon Weymouth April 19, 1676 was produced under the direction of Mrs. Flora Haviland McGrath. A log cabin had been set up on the lot opposite the High School and the cast was made up of young men and women of Weymouth.

CLAYTON B. MERCHANT
Town Clerk

WARRANT FOR A STATE ELECTION

COMMONWEALTH OF MASSACHUSETTS

NORFOLK, ss

To either of the Constables of the Town of Weymouth.

GREETING:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of Weymouth aforesaid, qualified to vote in elections, to meet at the polling places in their precincts to wit: Precincts 1, 3, 5 and 6 in the Fire Engine houses located in those precincts respectively; in 2 at G. A. R. hall; Precinct 4 at the building of the Citizeus' Association, Inc., on Front Street, Precinct 7 at the Lovell's Corner Improvement Association Building on Washington Street; Precinct 8 at the Weymouth Heights Club Building on North Street; on Tuesday, the fourth day of November, 1930 at 5:45 A. M. then and there to bring in to the election officers their votes on one ballot for the following named public officers, to wit: Governor; Lieutenant Governor; Secretary; Treasurer; Auditor; Attorney General; Senator in Congress; Congressman; Councillor; Senator; Representative in General Court (1, 2, or 3); District Attorney; Register of Probate and Insolvency; County Commissioner; Associate County Commissioners (2); County Treasurer, and also to vote "Yes" or "No" on the following questions:

PROPOSED AMENDMENTS TO THE CONSTITUTION

Question No. 1: Article XXI of the articles of amendment is hereby annulled and the following is adopted in place thereof:

Article XXI. In the year nineteen hundred and thirty-five and every tenth year thereafter a census of the inhabitants of each city and town shall be taken and a special enumeration shall be made of the legal voters therein. Said special enumeration shall also specify the number of legal voters residing in each precinct of each town containing twelve thousand or more inhabitants according to said census and in each ward of each city. Each special enumeration shall be the basis for determining the representative districts for the ten year period beginning with the first Wednesday in the fourth January following said special enumeration; provided, that such districts as established in the year nineteen hundred and twenty-six shall continue in effect until the first Wednesday in January in the year nineteen hundred and thirty-nine.

The house of representatives shall consist of two hundred and forty members which shall be apportioned by the general court, at its first regular session after the return of each special enumeration, to the several counties of the commonwealth, equally, as nearly as may be according to their relative numbers of legal voters, as ascertained by said special enumeration; and the town of Cohasset, in the county of Norfolk, shall, for this purpose; as well as in the formation of districts as hereinafter provided, be considered a part of the County of Plymouth; and it shall be the duty of the secre-

tary of the commonwealth to certify, as soon as may be after it is determined by the general court, the number of representatives to which each county shall be entitled, to the board authorized to divide such county into representative districts. The county commissioners or other body acting as such or, in lieu thereof, such board of special commissioners in each county as may for that purpose be provided by law, shall, within thirty days after such certification by the secretary of the commonwealth or within such other period as the general court may by law provide, assemble at a shire town of their respective counties, and proceed, as soon as may be, to divide the same into representative districts of contiguous territory and assign representatives thereto, so that each representative in such county will represent an equal number of legal voters, as nearly as may be; and such districts shall be so formed that no town containing less than twelve thousand inhabitants according to said census, no precinct of any other town and no ward of a city shall be divided therefor, nor shall any district be made which shall be entitled to elect more than three representatives. The general court may by law limit the time within which judicial proceedings may be instituted calling in question any such apportionment, division or assignment. Every representative, for one year at least immediately preceding his election, shall have been an inhabitant of the district for which he is chosen and shall cease to represent such district when he shall county, and to the clerk of every city or town in such county, to be filed and kept in their respective offices. The manner of calling and conducting the elections for choice of representatives, and of ascertaining their election, shall be prescribed by law.

Article XXII of the articles of amendment is hereby annulled and the following is adopted in place thereof:

Article XXII. Each special enumeration of legal voters required in the preceding article of amendment shall likewise be the basis for determining the senatorial districts and also the councillor districts for the ten year period beginning with the first Wednesday in the fourth January following such enumeration; provided, that such districts as established in the year nineteen hundred and twenty-six shall continue in effect until the first Wednesday in January in the year nineteen hundred and thirty-nine. The senate shall consist of forty members. The general court shall, at its cease to be an inhabitant of the commonwealth. The districts in each county shall be numbered by the board creating the same, and a description of each, with the numbers thereof and the number of legal voters therein, shall be returned by the board, to first regular session after the return of each special enumeration, divide the commonwealth into forty districts of contiguous territory, each district to contain as nearly as may be, an equal number of voters, according to said special enumeration; provided however, that no town or ward or a city shall be divided therefor; and such districts shall be formed, as nearly as may be, without uniting two counties, or parts of two or more counties, into one district. The general court may by law limit the time within which judicial proceedings may be instituted calling in question such division. Each district shall elect one senator, who shall

have been an inhabitant of this commonwealth five years at least immediately preceding his election, and at the time of his election shall be an inhabitant of the district for which he is chosen; and he shall cease to represent such senatorial district when he shall cease to be an inhabitant of the commonwealth.

Question No. 2: An act to repeal section two A of chapter one hundred and thirty-eight of the General Laws, inserted by chapter three hundred and seventy of the acts of nineteen hundred and twenty three.

Question No. 3: An act to amend chapter one hundred and thirty-one of the General Laws.

The polls will be open at 5:45 in the morning until 4:00 o'clock in the afternoon.

And you are directed to serve this warrant by posting attested copies thereof seven days at least before the time of holding said meeting as directed by vote of the town.

Hereof fail not and make return of this warrant with your doings thereon to the Town Clerk of said town on or before the first day of November, in the year of our Lord nineteen hundred and thirty.

WILLIAM A. CONNELL

FRED E. WAITE

H. FRANKLIN PERRY

EDWIN R. SAMPSON

TOWN CLERK'S SUMMARY STATISTICAL REPORT

Births, Marriages and Deaths recorded during the year 1930

BIRTHS

The total number of births recorded during the year of 1930 were 580; Males 288; Females 292; of this total number 464 were born in Weymouth and 116 were born elsewhere; born in Weymouth of parents living elsewhere 185; either parent born in Weymouth 162; either parent born in other cities and towns in the United States 777; either parent born in a foreign country 207; birthplace of either parent unknown 14.

The number of births in each quarter of the year were 131, 150, 161, 138.

MARRIAGES

The total number of marriages recorded during the year of 1930 were 198; ceremony performed in Weymouth 112; performed in other cities and towns in Massachusetts 79; performed in other states 7; either party born in Weymouth 79; either party born in other cities and towns in the United States 273; either party born in a foreign country 44.

The number of marriages performed in each quarter of the year were 31, 57, 68, 42.

DEATHS

The total number of deaths recorded during the year of 1930 were 296; Males 141; Females 155; died in Weymouth 237; died elsewhere 59; of the total number 48 died in Weymouth who were residents of other cities and towns; 95 of the decedents were born in Weymouth; 141 were born in other cities and towns in the United States; 61 were born in foreign countries. 112 of the decedents were married; 99 were single; 81 were widowed; 2 were divorced and one was unknown.

The ages of the decedants were as follows: Stillbirths 18; under 1 year of age 27; from 1 to 5 years of age 8; from 5 to 20 years of age 13; from 20 to 50 years of age 43; from 50 to 80 years of age 143; from 80 to 90 years of age 39 and over 90 years of age 5.

The number of deaths in each quarter of the year were 75, 66, 64, 91.

Note; The object matter of printing the registrations of births, marriages and deaths is to afford an opportunity for correction of errors and omissions. If any corrections or omissions be noted notice should be sent to the Town Clerk in writing, giving the correct facts, so that the records may be perfected for the Town Records and a copy be prepared for the State Archives.

JURY LIST

The following is a list of Proposed Jurors prepared by the undersigned for use during the year commencing August 1, 1930.

Adamson, George, 54 Rosemont Road	Ship Joiner
Alden, Clark L. 550 Columbian	Shoeworker
Alden, Frank, 41 Johnson Road	Clerk
Alden, James G., 391 Bridge	Retired
Anderson, Herman. 641 Pond	Machinist
Baldwin, Fred W. 561 Main	Moth Dept.
Barcello, Charles W. 80 Forest	Machinist
Barnard, John M. 721 Commercial	Advertiser
Barraud, Ernest S. 27 Walnut Avenue	Salesman
Bates, A. Parker. 620 Main	Shoeworker
Bates, J. Edward 21 Kensington Road	Clerk
Bates, Quincy B. 198 Washington	Gardener
Beach, Lewis M. 26 Myrtle	Motorman
Beals, S. Franklin 43 Phillips	Machinist
Beck, Walter A. 176 Green	Painter
Belcher, Charles S. 1212 Washington	Shoeworker
Bernier, Nelson, 143 Bridge	Musician
Billings, Howard E. 46 Putnam	Electrician
Blackwell, Alfred F. 170 North	Electrician
Bleakney, Charles T. 60 Beals	Carpenter
Blenis, Henry C. Jr. 1069 Front	Carpenter
Bloom, Morris, Lincoln Square	Grocer
Bonney, Winfred C. 1535 Commercial	Carpenter
Brayshaw, Edmund H. 45 Sea	Fore River
Briggs, Frank E. 28 Chard	Printer
Brown, Joseph, 8 Washburn	Shoeworker
Cadmen, Alfred W. Jr. 39 Beals	Carpenter
Calen, August A., 312 Pond	Engraver
Callahan, Lewis W. 85 Mill	Decorator
Callahan, William F. 412 Washington	Leather Worker
Calnan, Thomas H. 29 Johnson Road	Real Estate
Carter, Eugene M., 61 Middle	Retired
Cassesse, Americo A. 197 Lake	Cement Blocks
Cate, Melville F. 918 Main	Salesman
Clapp, F. Everett 53 Middle	St. Car Operator
Clawson, Thomas J., 190 Washington	Chipper and Caulker
Clinton, Thomas L., 1126 Middle	Chauffeur
Coffey, John H. 47 Prospect	Salesman
Connor, Timothy J. 71 Pond	Plumber
Corridan, Lawrence P. Foye Ave	Clerk
Coate, Henry A. 158 Washington	Auto Repairer
Cox, Oscar F. 566 Bridge	Agent
Coyne, Edward T. 7 Washburn	Shoeworker
Coyle, William, 64 Webb	Farmer
Coyle, William J., 64 Webb	Machinist
Craig, Robert, 364 Summer	Moulder
Crane George B., 917 Commercial	Shipper
Crane, Herbert N. 174 Green	Extractor
Culley, Lester H. 46 Babcock Avenue	Painter
Cullinane, James A. 62 Hawthorne	Flagman

Cullinane, John P. 99 White	Shoeworker
Cushing, Robert J. 535 Bridge	Carpenter
Curry, Hugh, 23 Baker Avenue	Fore River
Cushing, Samuel F., 39 Hunt	Fore River
Cuthbert, Robert J. 522 Main	Shoeworker
Davis, George M., 28 Phillips	Meat Business
Davy, Clinton H. 28 Sterling	Steam Fitter
DeCoste, Augustus 240 East	Carpenter
Delehunt, William H. 949 Main	Salesman
Delano, Henry F. 240 North	Painter
Delorey, Joseph E. 110 Chard	Druggist
DeNeil, John V. 142 Broad	Inspector
Derrig, Howard R. 34 Shaw	Asst. Chemist
Desmond, Allen 37 Adams Place	Shoeworker
Desmond, John P. 23 Adams Place	Shoeworker
Dizer, Emerson R. 108 Middle	Accountant
Dodge, Don R. 320 Pond	Painter
Dondero, Angelo 15 Curtis Avenue	Contractor
Donlan, John F. 75 Summit	Carpenter
Donovon, Jeremiah 38 Walnut Avenue	Teamster
Dooley, John J. 20 Shore Drive	Electrical Engineer
Downing, Charles A. 126 Oak	Printer
Drinkwater, Rotheus 23 Phillips	Engineer
Dunbar, Charles E. 75 High	Painter
Dwyer, John F. 324 Washington	Assessor
Easton, John G. 162 Middle	Salesman
Ellis, Harry A. 28 Lane Avenue	Chauffeur
Evans, Daniel S. 49 Massasoit Road	Shoeworker
Fearing, Clarence A., 36 Water	Shoeworker
Ford, J. Clifford, 1076 Main	Shoeworker
Fisher John P. 287 Commercial	Manufacturer
Gannon, Timothy J., 43 Bryant Avenue	Shoeworker
Garlick, Harry E. 1678 Commercial	Auto Repairer
Gloster Patrick, 29 Granite	Shoeworker
Hall, Leo T., 493 Pleasant	Painter
Halloran, Richard, 466 Main	Shoeworker
Hamilton Robert, 33 Bartlett	Fore River
Harper, Fred, 133 Broad	Laborer
Hartt, Guy W. C. 308 Pond	Manager
Hawley, William S., off Pond	Foreman
Heffernan, John W., 1024 Front	Shoeworker
Hersey Roger W., 738 Main	Salesman
Hodgdon, George R., 171 White	Shoeworker
Holbrook, Charles H., 23 Curtis Ave.	Shipper
Holbrook Clifton H. off Ralph Talbot	Laborer
Hollis, Charles J., 143 Washington	Garage Prop.
Hollis, Sanford J., 749 Main	Saleman
Humphrey Albert R. 111 Hawthorne	Clerk
Jones, George W., 378 Broad	St. Car Operator
Keefe, William P., 174 Washington	Shoeworker
Kemp Emory L., 1147 Commercial	Ref. Engineer
King, Victor, 50 Federal	Engraver
Knox, James A., 412 Broad	Shoeworker

Leavitt, Charles E., 28 Broad	Carpenter
Lennox, Allen D., 310 Middle	Fireman
Lewis, Sheldon W., 99 Cedar	Salesman
Lincoln, George A., 1282 Commercial	Fireman
Litchfield, Henry S., 15 Baker Avenue.	Woolen Mill
Lohnes, Arthur R. 69 Vine	Real Estate
Longuemare, Theodore A. 11 Franklin	Machinist
Lond, George G., 11 Loud Avenue	Carpenter
Lonergan, Thomas P. 38 Laurel	Salesman
Lothrop, Robert W., 24 Oakden Avenue	Draughtsman
Lucas, Roy C., 98 Front	Credit Man
Lukeman, Edward, 391 Summer	Bookkeeper
Lukeman, Edward J., 391 Summer	Shoeworker
MacDonald, John J. 18 Vine	Elec. Pole Con.
MacKay William R., 9 Field Avenue	Shoeworker
Marr, Edward, 94 Union	Shoeworker
McAlpine, James S., 952 Commercial	Fore River
McCarthy James J., 247 Washington	Fore River
McGonigal, James, 24 Richmond	Quartermen
McPhee, William P., 34 May Terrace	Carpenter
Melcher, Nathaniel E., 174 Central	Fireman
Melville, James L., 568 Main	Laborer
Melville, Thomas H., 568 Main	Shoeworker
Merchant, Edwin E., 6 Water	Merchant
Miller, Frank R., 636 Main	Adv. Eng.
Mitchell, Robert. 39 Shawmut	Shoeworker
Moore, James, 82 Kensington Road	Carpenter
Moore, Walter E., 21 Clinton Road	Real Estate
Murray Gideon, 74 Putnam	Shoeworker
Nadell, Warren F., 468 Summer	Merchant
Nash, Robert B., 55 Broad	Fore River
Negus Arthur I., 81 Thicket	Insurance
Newcomb Irving S., 108 Middle	Farmer
Nightingale, Irving R., 8 Randall Ave.	Carpenter

REPORT OF AN AUDIT
 OF
 THE ACCOUNTS OF
 THE TOWN OF WEYMOUTH

For the period from January 1, 1929 to
 September 16, 1930

Made in Accordance with the
 Provisions of Chapter 44, General Laws
 December 22, 1930

December 22, 1930

To the Board of Selectmen

Mr. William A. Connell, Chairman
 Weymouth, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the Town of Weymouth for the period from January 1, 1929 to September 16, 1930, made in accordance with the provisions of Chapter 44 of the General Laws. This report is in the form of a report made to me by Edward H. Fenton, Chief Accountant of this Division.

Very truly yours.

Theodore N. Waddell

Director of Accounts

Mr. Theodore N. Waddell

Director of Accounts

Department of Corporations and Taxation

State House, Boston

Sir:

In accordance with your instructions, I have made an audit of the books and accounts of the town of Weymouth for the period from January 1, 1929 to September 16, 1930, and submit the following report thereon:

The financial transaction of the town, as recorded on the books of the several departments receiving or disbursing money for the town, were examined and checked with the records of the town accountant.

The books and accounts on the town accountant's office were examined and checked with the treasurer's books and with the records in the several departments collecting money for the town.

The appropriations, as entered in the town accountant's books, were checked with the town clerk's records of appropriations authorized by the town.

The receipts, as shown on the accountant's books, were checked with the records of the treasurer, and the payments were compared with the warrants authorizing the treasurer to disburse town funds.

Automotive equipment has been purchased by some of the departments, the bills being charged to the regular departmental appropriations. Purchases of such equipment should be made only upon a vote of the town duly appropriating the money necessary for such purposes.

The books and accounts of the town treasurer were examined and checked. The recorded receipts were analyzed and compared with the records in the several departments collecting money for the town and with the other sources from which money was paid into the town treasury. The disbursements were checked with the selectmen's warrants authorizing the treasurer to disburse town funds.

The bank balances were reconciled with statements furnished by the Weymouth Trust Company as of September 16, 1930, the audit date, and again on October 25, 1930, at which time the duties of the treasurer's office were relinquished by the treasurer on account of illness, and taken over by the temporary treasurer.

The debt and interest payments were checked with the amounts falling due and with the cancelled securities and coupons on file, together with the balance remaining in the bond coupon account.

The saving bank books and securities, representing the investments of the trust and investment funds in the custody of the town treasurer were examined, the income being proved and the disbursements verified.

The accounts of the collector of taxes and assessments were examined and checked. The commitment lists were reconciled, the payments to the treasurer were verified by a comparison with the treasurer's books, the recorded abatements were checked with the assessors' record of abatements granted, and the outstanding accounts were listed and proved. Verification notices were mailed to a number of persons whose names appeared on the books as owing money to the town, the replies received thereto indicating that the accounts, as listed, are correct.

It was noted that it has been the custom to make cash payments to the tax collector for taxes on property held by the town

under tax titles, such payments being charged to an appropriation for incidental expenditures. It is recommended that the tax collector be credited, through a journal entry, with the amount of taxes on property taken or purchased by the town for non-payment of taxes. Attention in this connection is called to Section 95, Chapter 60, General Laws.

In checking the tax title accounts it was found that the deeds on file did not agree with the aggregate amount of the tax title account as shown by the accountant's ledger, and I wish, thereof, to repeat the recommendation made in the report of the previous audit, namely, that individual accounts be opened for each piece of property for which the town holds a tax title, and that the total cost to the town be shown for each account, so that the aggregate of the individual accounts will balance with the control account in the accountant's ledger.

The accounts of the water department were analyzed and checked in detail. The collections were compared with the payments to the treasurer, the abatements were checked, and the outstanding accounts were listed and reconciled with the accountant's records.

In order to establish the aggregate amount of water charges sent out for collection during a given period, to prove the collections, and to secure a detailed list of out standing accounts, it was necessary to analyze a very large number of individual ledger cards upon which all charges for fixed and metered water rates are recorded. Frequent reference had to be made to the stubs of bills paid, since no cash book record of collections was kept. This procedure necessarily consumed a great deal of time and added materially to the cost of the audit.

It is recommended that detailed cash book records be kept of all collections made, and that some form of commitment sheet be installed so that it may be possible to ascertain readily the amount of charges sent out for collections periodically, the collections and abatements applicable thereto, and the outstanding accounts at the end of a period.

The charges are committed and collected by the same person, which is not considered a desirable practice either from a business or an accounting standpoint, and it is therefore recommended that these duties be assigned to persons not in the same department.

An effort should be made to collect the large number of outstanding accounts if they are collectable; and if not, they should be abated, in order that the records may be cleared of such accounts as are no longer assets.

The charges for water furnished summer residents should be entered on the water department records before and not after collections.

The record of receipts in the town clerk's department for dog, sporting and various licenses issued were examined, and the payments to the county, the Division of Fisheries and Game, and the town, respectively, were verified.

The accounts of all departments collecting money for the town or committing bills for collection, were examined and checked.

In the years 1929 and 1930, the town appropriated \$1,800 and \$2,000, respectively, for district nurses. This money is paid to one of the two nurses on rendition of monthly bills for services. The pay checks are endorsed by her to the order of the Weymouth Visiting Nurses' Association, which organization pays the salaries eventually received by both nurses.

This Association also furnishes their transportation. No collections on account of fees are turned over to the town.

If the town is paying for the full time service of these nurses, any money earned while in the employ of the town should be turned into the town treasury. If they are supposed to be in the employ of the town only part of the time, that fact should be a matter of record. The terms used in the making of a contract should be such as to indicate what the public is to receive in return for the public money expended.

The surety bonds of the various officials and employees charges with the collection of money, were examined and found to be in proper form.

Appended to this report are tables showing a reconciliation of the treasurer's cash, summaries of the tax, assessment, and water accounts, tables relating to the several funds, together with a balance sheet showing the Financial condition of the town as of September 16, 1930.

During the progress of the audit, co-operation was received from the various town officials,, for which, on behalf of my assistants and for myself, I wish to express my appreciation.

Respectfully submitted

Edward H. Fenton

Chief Accountant

RECONCILIATION OF TREASURER'S CASH

Balance January 1, 1929:

General	\$141,716.09		
Water,	39,899.39	\$181,615.48

Clayton B. Merchant Town Clerk

REPORT OF THE BOARD OF SELECTMEN

To the Inhabitants of the Town of Weymouth:

At the annual Town Election held March 10, 1930 the following were elected Selectmen: William A. Connell, Fred E. Waite, H. Franklin Perry, Edwin R. Sampson, William A. Hannaford.

On March 11th, 1930, the Board took the oath of office before Town Clerk, Clayton B. Merchant.

At 10:00 A. M. on March 11, 1930, the board organized and elected William A. Connell, Chairman and Fred E. Waite, Clerk.

The following appointments were made:

Edwin R. Sampson and William A. Hannaford finance committee.

Margaret A. Hyland, Welfare Worker, appointed to work full time.

Irving E. Johnson, Superintendent of Streets

Frederic Gilbert Bauer, Town Counsel

John F. Dwyer, Inspector of Animals.

Edward P. Murphy, Registrar of Voters for three years.

Clifford A. Berry, Superintendent of Town Infirmary

Emerson R. Dizer, Town Accountant.

Francis H. Maguire, Jr., Superintendent of Alewives.

ELECTRIC LIGHT COMMITTEE

J. Herbert Libby, Joseph Kelley, William B. Nash, Jr., Edwin Mulready Alfred S. Tirrell.

Fred E. Waite appointed Custodian of Town Hall.

William A. Connell, elected Chairman of the Board of Appeal.

MINOR OFFICERS APPOINTED

Public Weighers: C. Lewis French, Michael Dwyer, Michael A. Lane, John Q. Manuel, Wilfred H. Bartlett, Edward Rayburn, J. Leonard Bicknell, Jacob Harmes, Walter L. Bates, Grace Stancomb, John B. Ferbert, William A. Hannaford, Charles A. Sullivan, Earl F. Bates, Kenneth Holbrook, F. Cecil Manuel, Thomas McCue, M. J. Veno, James D. Bosworth, Clara Mitchell, Evelyn Grundstrom, William Reynolds, Susan R. Worthen, Patrick H. Shea, Charles C. Fortier, Helen Fortier, Anthony Cásse, Thomas A. Hannaford, Theodore Collins, John Day, Theodore L. Marsters, John McKenna, Wallace D. Cowing, Loretta Cope, Herbert K. Cushing, Richards Worthen, Joseph F. Sullivan, Harry Mullen, Russell F. Bates, William Hendrickson Paul Valencinte Arthur Newcomb.

SURVEYORS OF WOOD, LUMBER AND BARK ..

Augustus Dennison, F. Cecil Manuel, Walter L. Bates, Thomas H. Hannaford, Bowdoin B. Smith, Edward Hinds William A. Holbrook, John Q. Manuel, Patrick H. Shea.

FENCE VIEWERS

James P. Maguire, Charles A. Coyle, Elbert Ford.

LOCK UP KEEPER

Arthur H. Pratt.

CONSTABLES APPOINTED

Charles W. Baker, Edward F. Butler,, John W. Coyle, George W. Hunt, Joseph Sewall, Louis Ells, Paul Mulready, J. Lawrence Brennan, George W. Conant, Thomas Fitzgerad, Arthur H. Pratt, Willie F. Tirrell, Clarence L. Pratt and William A. Wagner.

On April 2, 1930, State Fire Marshall, John W. Reth notified the Board of Selectmen that an Inspector of Petroleum should be appointed. The Board appointed Charles P. Reidy, 1274 Commercial Street, Inspector of Petroleum.

On April 7, 1930, Thomas J. Keey was appointed Inspector of Buidings.

Francis H. Maguire, Jr., resigned as Superintendent of Alewives and Thomas O'Toole was appointed in his place.

Appointed Joseph Crehan, Jr., Registrar of Voters to fill the vacancy caused by the death of the late Patrick Corridan.

Appointed Carl O'Neil as Caretaker of graves of soldiers, sailors and marines to fill vacancy caused by the resignation of Joseph Crehan, Jr.

William A. Hannaford and William A. Connell appointed as a committee to supervise the spending of the appropriation of \$1,000.00 for reconditioning of old cemeteries.

Board of Selectmen awarded the contract for the collection of garbage to Dwyer Brothers, in view of the satisfactory way in which the contract was handled the previous year.

Anthony Veador appointed Harbor Master.

The Selectmen perambulated the lines between the Town of Weymouth and the following Towns:

Town of Holbrook
Town of Braintree
Town of Rockland
Town of Abington
Town of Hingham

and found them to be in good condition and in the proper places.

Mr. Edwin R. Sampson tendered his resignation as a member of the Board of Selectmen on October 25, 1930. The Board feel that Mr. Sampson served the Town faithfully while a member of the Board of Selectmen.

John H. Stetson, Town Treasurer was taken ill and was unable to perform his regular duties. The Board appointed Edwin R. Sampson Temporary Town Treasurer, to take his place. Mr. Stetson resumed his duties as Treasurer on December 19, 1930.

At the request of His Excellency, Frank G. Allen, Governor, The Selectmen on November 13, 1930 appointed an Emergency Unemployment Committee.

The Board of Selectmen wish to extend their thanks to all departments under their jurisdiction for their co-operation during the past year.

Mr. Fred E. Waite wishes to take this opportunity to thank all those who have in any way assisted him and to especially thank Miss Aileen L. Raymond for her co-operation during his first year as Clerk of the Selectmen.

WILLIAM A. CONNELL .
FRED E. WAITE
H. FRANKLIN PERRY
WILLIAM A. HANNAFORD
Selectmen of Weymouth.

REPORT OF SUPERINTENDENT OF ALEWIVE FISHERY

1074 Pleasant Street,
East Weymouth, Mass.
January 1, 1931

To the Honorable Board of Selectmen, East Weymouth, Mass.
Gentlemen:

I herewith submit my first annual report as Superintendent of the Alewife Fishery in the Town of Weymouth for the year ending December 31, 1930. Work was started on March 16, and continued until approximately sixty thousand (60,000) alewives were deposited in Whitman's Pond for spawning. Owing to the fact that the run was very poor most of the fish that came up were deposited into the pond for spawning.

The young fish came down to the salt water the latter part of the season in endless numbers as did many of the older ones.

In closing my report I wish to extend my sincere thanks to your Honorable Board of Selectmen, to the Weymouth Light and Power Company, and to the Weymouth Wool Scouring Company, for the help and co-operation given me during the season.

Respectively submitted,

THOMAS M. O'TOOLE
Superintendent of Alewife Fisheries

REPORT OF THE BOARD OF PUBLIC WELFARE

To the Inhabitants of the Town of Weymouth:

We have aided during the past year 242 cases having a Weymouth settlement. We have aided for other cities and towns 92 cases. The present industrial depression has caused a great deal of unemployment and therefore, necessitated a great number of people to apply for aid that ordinarily would not have to, however, we feel that this is a temporary condition that will right itself during the coming year.

Miss Margaret A. Hyland, Welfare Worker has investigated every case thoroughly and made a written report of every case. We wish to extend to her our appreciation of her faithful application to her duties.

Mr. and Mrs. Clifford A. Berry still continue as Superintendent and Matron of our Town Infirmary and are still conducting the Infirmary in their efficient and capable way.

WILLIAM A. CONNELL

FRED E. WAITE

H. FRANKLIN PERRY

WILLIAM A. HANNAFORD

Board of Public Welfare

WEYMOUTH INFIRMARY REPORT FOR 1930

To the Honorable Board of Public Welfare:

Herewith submit report of the Weymouth Infirmary, Essex Street, for the year 1930.

There are three women and sixteen men residing at the Infirmary, as detailed below:

Number of residents January 1, 1930.....	19
Number admitted during year.....	5
Number discharged during year.....	5
Number of residents December 31, 1930.....	19

There has been but one case of serious illness during the year. Although one woman and three men are quite feeble, the general physical condition of the men and women is fairly good. Those that are able to do some work have been very co-operative in doing the general work entailed by making a very successful garden, caring for hens, the lawns, harvesting fruit, etc., painting, clearing the field of surplus bushes and general work.

IMPROVEMENTS: The main house has been thoroughly renovated by cleaning ceilings, painting walls, refinishing woodwork and floors inside. This work having been done by a Contractor. The outside of house and the out-buildings were painted by ourselves also the partition in Men's Smoke House was removed, allowing more space and sunlight.

ENTERTAINMENT AND GIFTS: The regular routine of daily life has been relieved by the radio which still functions in the Smoke House; the trip to Weymouth Fair and the usual Thanks giving and Christmas feasts, with a tree and party on Christmas eve. Through the kindness of your Honorable Board, several Weymouth organizations and many citizens who furnished gifts and entertainment, the spirit of Christmas was enjoyed by all at the Home. We wish to publicly thank them all.

In closing my fourth annual report, wish to thank the members of the Welfare Board for the helpful co-operation received by Mrs. Berry and myself during the past year.

Respectfully submitted

CLIFFORD A. BERRY

Superintendent

REPORT OF VISITOR FOR BOARD OF PUBLIC WELFARE

During the year 1930, I have continued my work as visitor to the families in the Town of Weymouth receiving or asking for aid; and I have presented to the Board of Public Welfare, a weekly written report of these visits.

Because of the continued unemployment situation, the requests for aid have increased noticeably. Although the Board has conscientiously carried on its work in assisting the needy, and in ascertaining, in each case, the actual requirements of the individual, the number of deserving cases has made an amazing increase.

Before giving aid, the Board has made an earnest effort to place in gainful occupation the members of families whose need is a result of unemployment. In these instances, the individuals seeking aid were found to be both willing and anxious to work.

Aged people, widows, and others unable to work because of illness have appealed to the Board for aid. When, upon investigation, these people have been found deserving, they have been cared for in a gracious and humane manner by the Board.

The number of calls which it has been necessary to make has increased from 403 in 1929 to over 1100 in 1930, and this figure does not include calls made at my office personally or by telephone.

While the annual appropriation for this work may seem comparatively high, I am convinced that there can be no decrease while the present condition exists, if the Town of Weymouth wishes to continue its customary benevolence to its worthy townspeople in time of need.

MARGARET A. HYLAND

REPORT OF THE INSPECTOR OF ANIMALS

324 Washington Street
Weymouth, Mass.
January 12, 1931

To the Honorable Board of Selectmen:

Herewith is submitted the annual report of the Inspector of Animals for the year 1930.

Number of Places Inspected	100
Number of Cows Inspected	376
Number of Young Stock Inspected	20
Number of Bulls Inspected	7
Number of Goats Inspected	33
Number of Dogs Inspected	30
Number of Dogs Quarantined	7

Respectfully submitted,

JOHN F. DWYER

Inspector of Animals

REPORT OF THE CARE OF SOLDIERS GRAVES

East Weymouth, Mass
January, 14, 1931

To the Honorable Board of Selectmen:

I herewith submit my report for the care of soldier's graves as provided under Section 22 of Chapter 115 of the General Laws.

Of the 279 lots listed to date as entitled to care under this appropriation, 208 were cared for, the cost being borne by the town. The charge per lot in each cemetery being the same as that paid by the individual lot owners for the same services.

Due to the cooperation of the superintendents of the larger cemeteries nearly every uncared for grave of a veteran in them had some care regardless of the lack of funds in the appropriation to pay for the work. A good start has been made on the task of properly caring for the long-neglected graves of many of the veterans of the earlier wars, while those of veterans of the more recent conflicts, left uncared for only a comparatively short time, are in passable condition after one seasons work.

I would thank most heartily the superintendents of the cemeteries in town for their aid and interest in this work of the town, and for their assistance to me in listing and verifying the records it was necessary to keep.

Yours respectfully,

KARL O'NEIL

ANNUAL REPORT OF THE HARBOR MASTER

January 1, 1931.

To the Honorable Board of Selectmen,
Town of Weymouth.

Gentlemen:

I herewith submit my report as Harbor Master for the year 1930.

In making this report I do so having in mind that our citizens will awaken to the fact that my department is becoming more active each year and that the service rendered has been given gratuitously by me wholly in the interest of public good, i. e. the saving of life and property and enforcing of the law.

If I were to enumerate from my records of service rendered, it would read like a Police Blotter. In brief, I have given eight months of active service and four months of inactive service to my department work, giving my time and use of my launch cheerfully, both day and night at all times when called upon by our citizens and summer residents, and also by Police Departments of our neighboring city and towns which have no police boat.

Approximately one million tons of shipping by way of water now enter our river each year. About 350,000 tons of which is coal for the Edison Electric Illuminating Company. It is necessary that I keep this Company's water front clear at all times so that nothing will interfere with the docking of it's coal steamboats.

The launchings of the Fore River Shipbuilding Company Plant which have increased this year have also kept me busy.

My investigation of the pollution of the Fore River by the industrial concerns situated along it's banks made it necessary for me to call in our State Police, and the Harbor Masters of Quincy and Braintree for assistance.

As a result of a census I took of all boats owned by citizens and summer residents, on August 1, 1930, I enumerated 297 boats of all descriptions with an estimated value of \$121,000.

New laws governing boats have been introduced in our state Legislature. This means more work for my department next year, and will make it necessary for me to equip my launch with a new higher speed engine, if I expect to inforce these laws.

A summary of my records reads as follows:

February 16, 1930, saved four boys from ice cakes as they were drifting out into the channel.

Assistance rendered to yachts in distress	12
Lost boats recovered	4
Missing persons found out in the river at night and day 10	
On night patrol	10 nights
On day patrol	116 days
Oil pollution investigations	5
Bootlegging clam digging investigations	2
Yacht mooring permits granted	16
Total number of miles covered by launch....	1240

The cost of maintaining the department during the year is as follows:

Gasoline and oil	\$115.00
Cost of painting sign "Harbor Master Police Patrol"	15.00
Necessary repairs to launch	65.00
Large size flashlight	5.00
Cost of two grapples used to recover bodies	5.00
Ropes for towing disabled boats	7.50

Total 212.50

This amount has been refunded to me by the town.

In closing this report I want to call attention of our citizens to the fact that my department has become well known to the yachtsmen who maintain three Yacht Clubs on our water front and also to six other associations whose headquarters extend from Rose Cliff to Idlewell. These clubs and associations expect me to keep the waters free from pollution so they may enjoy the bathing, and to do this I must call upon our Town Counsel to start proceedings against those industries that defy my orders to clean up conditions around their plants.

I wish to thank our Selectmen and the Police department for all the assistance which they have rendered my department and trust my service has met with the approval of all concerned.

Respectfully submitted,

ANTHONY S. VEADER
Harbor Master Town of Weymouth.

REPORT OF THE SUPERVISOR OF THE CLAM INDUSTRY OF WEYMOUTH

To the Honorable Board of Selectmen
Town of Weymouth, Mass.

Gentlemen:

At your regular meeting of the Board on August 18, 1930, you ordered me to make an investigation relating to the opening of our polluted clam areas, and I herewith submit my report.

I went into conference with Z. A. Howes, State Supervisor of Marine Fisheries, at his office in the State House Boston. He informed me that if your board intended to make an application to his department to open up these areas, it would require a permit from his department and all rules and regulations made by him would have to be followed by whoever your board should grant permits to dig clams. His rules and regulations read as follows:

That the Board of Selectmen of the Town of Weymouth hereby recommends that the Supervisor of Marine Fisheries grant permits to such individuals, firms and corporations approved by said Town of Weymouth situated on Weymouth Fore River, Back River and Islands within the limits of the Town. That such permits be granted subject to the following restrictions:—

1. That all clams dug shall be purified in accordance with rules laid down by the Supervisor and that said Master permit holders shall pay to the Town of Weymouth a fee of twenty five cents per barrel for all clams taken.

2. That such permits shall be temporary and shall expire at the option of the board of Selectmen.

3. That the Board of Selectmen reserve the right to recommend the appointment of such deputies necessary for proper supervision.

4. That the Supervisor shall not grant permits to other than citizens of Weymouth.

5. That individuals holding digging permits be permitted to sell to any authorized wholesale dealer providing such dealer is a citizen of Weymouth and holds a commercial dealers permit from the town of Weymouth.

6. That the Supervisor appointed by the Board of Selectmen shall have full power to enforce all rules and regulations and collect all fees due the Town for clams dug within it's area.

7. That all diggers of clams shall dig as ordered by the supervisor appointed by the Board of Selectmen of the Town of Weymouth.

8. No clams shall be dug on the Sabbath day.

I then made a survey of our clam areas and found that we have approximately one mile of good digging ground or flats, the same being located on Grape and Slate Islands, and that stretch of flats running from the East head of Lower Neck on Weymouth Back River, west to the American Agricultural and Chemical Company's wharf. There is about one half mile more of good area running west of the Chemical Company's wharf, through Sampson's Cove to Hingham Bridge. But this area will have to be cleaned up before I can allow any clams to be dug there, as samples from this area scored over 500 points when examined by the chemist of the Pioneer Fisheries Co. of Plymouth, which operates a State Certified Chlorinating Plant.

This Company is the buyer of all clams dug in Weymouth which are dug by way of the Master Digger of the Town.

The balance of some five miles of our water front is in such a bad condition from pollution that the flats in this area will have to be closed until our Town Counsel takes the necessary legal action against the polluters, and after being cleaned up this area will produce some 25,000 bushels of clams each year with a commercial value of \$100,000. giving our citizens an opportunity to earn eight to ten dollars a day digging these clams.

The open areas which are ready for digging have approximately 5,000 bushels of good clams that score less than 80 points and have a commercial value of \$20,000. I have made all the necessary arrangements to have these clams dug and any citizen who wants work can apply to me for a permit and then with a pair of rubber boots, a clam digger and a clam washer he can report to James Pitts the Master Digger who will be found each day at Lower Neck, and the clams he digs will be bought at this point and he will receive seventy-five cents a bushel.

The following cities and towns after appointing their supervisors have opened their polluted clam areas: Boston, Newburyport, Quincy, Salisbury, Kingston, Plymouth, Winthrop, Revere, Hull, and Hingham; and all operate under the supervision of Mr.

Howes department. Thousands of barrels of clams have been taken from these clam areas, giving work to the unemployed and at the same time increasing the income of these cities and towns.

I made an inspection of the chlorinating plant owned and operated by the Pioneer Fisheries Co. of Plymouth. It has a 24 hour capacity of 300 barrels of clams. Their method of purifying is as follows: Long concrete bins filled with salt water into which is mixed the right solution of chlorine (the same as used by our city and town water departments to keep drinking water pure) and into these bins the clams are placed which come from the polluted areas.

The chemist in charge then leaves the clams in this bath until they have discharged all the bacteria or germs in them. They are then sold to markets in New York and other places.

On September 2, 1930 at your regular meeting, after I had made a verbal report, you appointed me as Clam Supervisor and acting by that authority, I have laid out the clam digging areas referred to in this report; notifying the Master Digger that he could start operations just as soon as he filed his bond with the State Supervisor Z. A. Howes and that the fee of 25 cents per barrel for all clams dug must be paid by him to our town accountant.

Your Board has already granted a Master Digger permit to James Pitts of North Weymouth, who has filed a \$2,000 bond as required by law and is ready to start operations.

In conclusion I want to report that a number of citizens have asked me why they cannot dig a bucket of clams for their own use, if I open these areas. My answer to them and all who may read this report is that, all polluted clam areas in Weymouth are under State supervision and by their rules and regulations as set forth in this report. In other words if a citizen wanted to dig a bucket of clams for his own use, he first would have to get a permit from my department and the same would have to be O. K.'d by the State Supervisor of Marine Fisheries and he would be informed by that department that he would have to pay a Deputy Game Warden \$5.00 to go with him while he dug the clams, after which he would have to take the clams to Plymouth to be purified and pay for the same. He then would have a bucket of clams with an estimated cost of about \$10.00

The only way our citizens can dig a bucket of clams without going through all this trouble and expense is for our Town Counsel to start proceedings against all the polluters of our waters, and when this is done polluted clam areas will become purified, and our State Board of Health will remove all restrictions on the clams and we will have good claming in abundance.

Trusting I have covered the subject matter in the manner desired by your Board and trusting my recommendations will meet your consideration

Respectfully submitted,

ANTHONY S. VEADER

Supervisor of the Clam Industry of the
Town of Weymouth

REPORT OF BOARD OF HEALTH

To the Citizens of the Town of Weymouth
Gentlemen:

The Board of Health submit the following report:

The Board of Health met and organized in March.

In accordance with the vote of the town, J. E. Ludden resigned as inspector of plumbing, being a resident of Braintree, and George Marshall was appointed inspector and Joseph Crehan deputy inspector.

M. L. Loud was appointed inspector of milk and dairies.

Katherine Pratt was appointed public health nurse and Jeremiah Donovan care of public dumps.

The number of cases of contagious disease reported to the Board were greater than in previous years, there being reported 353 as against 241 last year as follows.

Antirio polomyelitis	3
Chicken pox	20
Diphtheria	6
Dog bite	19
Lobar pneumonia	5
Measles	143
Mumps	20
Scarlet fever	79
Tuberculosis	39
Typhoid fever	1
Whooping cough	18

The big increase was due to a rather severe epidemic of measles which started in November and spread to all parts of the town and continued until the first of the year.

The incident of diphtheria has steadily decreased in the last ten years, this year showing a new low mark. This is due to the large number of children having received torin-anti-toxin. By this treatment diphtheria as we know it now would be entirely wiped out in a few years.

There has been a steady increase in the number of dog bites reported, with one death due to rabies in a child bitten in Weymouth.

We strongly recommend that all dogs be inoculated against rabies.

Road side dumping has greatly improved in the last two years, due largely to the collection of garbage. There were 31 dump complaints investigated and most of these were posted.

Our big problem is sewerage. There were 131 complaints investigated. Most of these we were able to remedy, but such problems as Columbian Square and the Smelt Brook can only be relieved by an adequate system.

Respectfully submitted.

GEORGE E. EMERSON

JOSEPH E. CREHAN

F. L. DOUCETT

Board of Health

REPORT OF INSPECTOR OF MILK AND DAIRIES

South Weymouth, Mass.

January 1, 1931

To the Honorable Board of Selectmen:

I herewith submit the following report as Inspector of Milk and Dairies, also for the issue of permits for the sale of Oleomargarine for the year ending December 31, 1930.

Total number permits issued	201
Milk Licences	175
Oleomargarine Registrations	26

Respectfully submitted

MERTON L. LOUD

Inspector Milk and Dairies

South Weymouth, Mass.

December 31, 1930

REPORT OF THE PLUMBING INSPECTOR

Board of Health of Town of Weymouth:

We herewith submit our report for the year ending December 31, 1930.

There have been issued from this Office 206 permits for installing plumbing together with 2 left over from 1929. Of this number 204 have passed inspection and 2 remain left over for 1931.

There have been installed in old and new buildings the following fixtures: 130 Sinks, 90 Trays, 139 Bath Tubs, 182 Lavatories, 234 Closets, 18 Urinals, 8 Drinking Fountain, 2 Slop Sinks, 3 Showers, making a total of 806 fixtures, the value of which is \$75,411.00.

The number of old and new buildings in which plumbing was installed are as follows: 67 New one-family houses, 77 Old one-family houses, 31 Old two-family houses, 1 New two-family house, 1 Dance hall, 1 Opera house, 1 New fire station, 1 Old Fire station, 1 New school addition, 2 Old school, 4 New gas stations, 1 New refreshment booth, 1 Garage, 1 Parish house, 1 Old hospital, 1 Old railway station, 5 Old stores, 2 New stores, 1 Old office building, 1 New asphalt plant, 1 Old restaurant, 1 Funeral chapel

Respectfully submitted

GEORGE MARSHALL

Inspector of Plumbing

REPORT OF COMMITTEE TO CONSIDER WIDENING OF BROAD STREET

To the Citizens of Weymouth:

Your Committee appointed to make a study and report on the proposal to widen Broad street, or any portion thereof between Lincoln Square and Commercial Square met and organized immediately after its appointment, has held several meetings, including one public hearing, and reports as follows:

I. CONDITIONS AS FOUND

The designated portion of Broad Street is a thoroughfare approximately two and one eighth miles in length averaging about forty-three feet in width. From Central Square to Commercial Square the single track of the Eastern Massachusetts Street Railway Company occupies a position approximately in the centre of the street. In this highway there were found to exist three areas where serious traffic congestion is commonly found, namely, the section in the vicinity of Masonic Building, the vicinity of the Immaculate Conception Church, and the business district from Cottage Street to Jackson Square. The area from Jackson Square to Commercial Square is narrow and partially obstructed by the trunks of large trees that extend out into the roadway.

In the area of the Masonic Building when exercises are in progress and in the area of the Immaculate Conception Church when services are being held, the parking of automobiles on the sides of the street together with the presence of a trolley car, can quickly cause a complete tie-up resulting in a decided inconvenience to the traveller and is a serious hazard in the event of fire or other emergency and causing a grave danger to pedestrians and vehicles at the close of exercises or services.

In the third area named the inadequacy of the roadway presents an overwhelming disadvantage to the business houses and residents on both sides of the street. The congestion and hazard referred to in the other areas is amplified and extended, and during the hours of the day when business in this retail centre is at its height, and particularly on Saturdays the existence of these conditions is practically continuous. The presence of a single trolley car, or of a commercial motor vehicle of large proportions completely paralyzes the flow of vehicles, and any attempt on the part of a large truck or van to back into the curb for the purpose of receiving or discharging merchandise likewise completely blocks the street.

The volume of business which the mercantile establishments can do is, by these causes, greatly lessened and the natural tendency of prospective retail buyers is to avoid East Weymouth and to buy in centers where access is more convenient. The effect to the retail merchant is obvious but as to the Town as a whole, it keeps property values down far below where they should be in a community so readily accessible to our centres of population.

Throughout the length of Broad Street, the following relative widths, including sidewalk areas, will be found:

Lincoln Square area	41 feet
Webb Street area	41 feet
Foye Avenue area	45 feet .
Roosevelt Road area	42 feet
Roosevelt Rd. to Central Sq. (average)	42 feet
Central Square area	43 feet
Masonic Building area	41½ feet
Madison Street area	42 feet
Hillcrest Road area	50 feet
Business Section (near Jackson Sq.)	50 feet
Jackson Square to Commercial Sq.	50 feet

At the time of this report, no decision had been rendered by the Department of Public Utilities on the Town's petition for the removal of the trolley tracks.

II. SURVEY

Your Committee members made personal inspections of the areas in question, and arranged with the Town Engineer to prepare a plan of the section extending from Commercial Square to Central Square, indicating thereon a proposed line widening the street to sixty six feet throughout that length. This plan is filed herewith and made a part of this report, and the new line, as proposed, would extend the southerly side of Broad Street on the portion between Commercial Square and Hillcrest Road, hardly affecting the northerly side there, and upon reaching the Bosworth property the line would begin to extend the northerly as well as the southerly side, allowing for lessening the bend at Madison Street and opposite the new Fire Station, and providing for a slight fill in the Hoffman Pond, thence the proposed line would involve approximately equal areas on both sides of the present street as far as Central Square. These lines were prepared with regard to the number and character of the buildings affected, and with regard to obtaining an improvement in the curves and bends now existing.

If widening were to be considered between Commercial and Jackson Squares, the removal or setting back of six buildings, all of the frame construction type would be necessary.

In the section between Jackson Square and Madison Street one modern two story building, two modern single story buildings, one modern show room, four two story frame structures and two single story frame structures would require setting back or replacement. An accurate estimate of the cost of moving the buildings just described back the required distance of the proposed widening has been made by a reputable building mover and his figures have been taken carefully into consideration in the preparation of the estimated cost.

To move some of the buildings would conflict with the new building laws, but the Committee is of the opinion that the Board of Appeal, in its wisdom and discretion, and in consideration of the great public benefit created, would give careful weight and study to each individual parcel of property and that its rulings,

under the wide discretionary power it possesses, would be fair and inoppressive.

In the section between Jackson Square and Shawmut Street where land takings would encounter a higher cost ratio, there is a possibility of lessening damages by compensating the taking of front land by an exchange of land now owned by the Town in the rear, with proper adjustment.

A public hearing was held in December, and attended by a representative group of abutters and persons interested. The Committee heard and received many constructive criticisms and was greatly aided by them. There was but one mild remonstrance to the plan outlined and all others present favored the project. It was pointed out that drainage conditions needed prompt attention.

III. ADVANTAGES

It seems needless to outline the advantages to be gained. The street will be made passable under all conditions. There will be a ready access to places of business, worship and fraternal gatherings. Trolley service, if continued, will flow normally and without schedule interruption, better and more business will be attracted, while a result not readily predicted, but virtually always experienced, will be an improvement in the character of building and an enhancement of property values.

The street is in need of resurfacing and reconstruction in some parts, and this work at any event will soon have to be done, and may well be absorbed in the general widening project.

At present title to practically all the property involved is in local citizens, whom the committee, from personal interviews, feels would assist and co-operate in the project without any serious tendency toward selfish gain or unscrupulous enrichment, this point being of utmost importance when the possibilities of an invasion of real estate speculators is considered.

Drainage problems, which are now at an acute stage, would meet a solution which would be absorbed in the general cost.

It should be remembered that a large portion of the cost of the improvement would be absorbed in labor, both public and private, which would greatly benefit unemployed citizens.

IV. ESTIMATED COST

The Committee estimates the cost of the entire project between Jackson Square and Central Square, including all damages and road construction, to be approximately one hundred and seventy five thousand dollars (\$175,000.). This cost, if deemed desirable, may be spread over a term of ten years.

Your Committee feels that this would be a sound investment as the increased property values would more than carry the cost of the improvement.

V. RECOMMENDATIONS OF COMMITTEE

Your Committee unanimously recommends that Broad Street from Jackson Square to Central Square, or to a point just west of Central Square, be widened to a width of sixty-six feet at the earliest opportunity.

Your Committee recommends that there be a lay-out made of Broad Street from Central Square to Lincoln Square on a width of sixty feet.

Your Committee recommends that the Town undertake, as speedily as practicable, to make the necessary lay-outs for the foregoing widenings, so that the Town may thus establish lines for building which will avoid any immediate construction out into the areas of the proposed widenings, and that the work be undertaken in sections, the section to be first worked to be determined by the Town finances and needs in other Departments.

Your Committee recommends the continuance of a Committee for a further study of costs, methods, and advantages having in mind the improvement of conditions between Jackson and Commercial Squares, and particularly in connection with improvement in the vicinity of Lincoln Square.

REPORT OF THE SUPERINTENDENT OF STREETS

To the Honorable Board of Selectmen of the Town of Weymouth:
 Gentlemen:

I herewith submit my fifteenth annual report of the Street Department for the year ending December 31, 1930. The organization of the department has remained the same as the past year with the exception of the appointment of an Assistant Superintendent. This office was created for the purpose of improving the efficiency of the department and has proven an economical move. It has been possible to give better supervision to the work and more attention to details than in the past and leaves the department with a head if the superintendent is called away or ill. Mr. John O'Leary was appointed to the office and has proven a most satisfactory assistant.

REGULAR HIGHWAY APPROPRIATION

The amount expended under the regular highway appropriation was \$147,704.90 as compared with \$147,233.40 the previous year. The amounts of the various items are listed under Summary of Expenditures at the end of this report showing the different phases of the work. The general repair item is always the largest single item and this year more money was expended for this work than for several years. A large portion of this work was for general maintenance such as patching and shaping up old worn out roads. More work was done with asphalt concrete in surfacing gutters than ever before due to the fact that we were able to purchase the material locally and at a less cost than ever before.

I feel that this type of work is very important as it saves the expense of repairs occasioned by wash-outs and makes a greater width in the traveled way.

Washburn Street was entirely resurfaced with asphalt concrete out of the general repairs account and proved a most economical way of treating a worn out street that had a good foundation.

The oiling account shows a decided drop in cost, a saving of over \$10,000.00 which is very pleasing especially in view of the fact that our surface treated streets are at present in better condition than ever before. A decided new method of doing this work was inaugurated after a study and observation of work that the State Department of Public Works was doing. A heavier tar called retread, was first applied to the old road, then a light application of pea stone spread over the surface, then another light coat of sand on top of the stone. This was immediately dragged with a special designed drag which removed bunches and filled up depressions with a mulch of tar, stone and sand. After dragging the surface until the same is brought to a uniform grade the surface is lightly sanded again and traffic allowed to iron out the surface. This method uses less tar and the pea stone and sand produces a wearing surface that withstands the traffic wear much better than the old method. Practically all streets were treated this way and one application was sufficient for the season.

This was the first full year that we have had the benefit of the sanding machine and this has been a big factor in reducing the cost, in fact it would hardly be practical to use this method without the use of a sanding machine.

Total number of gallons used for surface treatment work was 152,864. gallons.

The crusher at Keiths pit was operated about the usual length of time. This plant is getting pretty old and this year considerable work was done to strengthen the bins. The gravel, suitable for road work, belonging to the Keith property is about exhausted and steps should be taken to obtain it from adjoining property. The cost of operating the crusher was as follows:

Labor	\$4,955.24
Power	203.48
Repairs & Supplies	174.77
Gravel	473.50
<hr/>	
Total cost of operating	\$5,806.99
Tons crushed	6,236.
Cost per ton93c

One two and a half ton Mack truck was purchased to replace one of the old Netco trucks and has worked out very satisfactory. A Ford pick-up truck was purchased for the use of the assistant superintendent to enable him to get from one job to another and to carry small supplies. One of the five ton tractors was traded in for a new one, it being deemed better policy than paying out a large sum for repairs. We still have one Netco truck of the vintage of 1922 which is about fit for the grave yard.

I would advise replacing this with a two and a half ton job.

SPECIAL APPROPRIATIONS

Broad Street: This work constituted the largest single job done by the department the past year. This street was originally surfaced with asphalt hot-mix in 1920 at a cost of approximately \$2.00 per square yard for a three inch pavement. The work was done by contract and with the exception of a few short places nothing was done to the old gravel surface. This year the Eastern Massachusetts Street Railway removed the car tracks on Broad Street from Center Street to Lincoln Square so that with the places that had become worn out and the area occupied by the railroad it was necessary to resurface the whole area. To take advantage of the existing pavement that was in good shape it was decided to use a hot-mix of asphalt concrete for resurfacing. On that portion occupied by the railroad it was necessary to excavate and fill in with gravel, upon this gravel a four inch stone penetration base was laid. Besides the car track area there were several other portions of the road that showed a poor foundation, these places were treated the same as the car track area, namely excavated, filled with gravel and four inch base laid to receive the hot-mix. A total of 11,446 square yards of surface was so treated before the surface was laid. This work cost \$17,203.25 or about \$1.50 per square yard. The matter of resurfacing with hot-mix was a new job for our men as we had never done this type of work before and had no men who had previous experience. Our problem was to train a crew for this work, so we hired two experienced rakers to give our men an idea how to handle the material. In a surprisingly short time our men, became quite proficient in laying the material and while we were handicapped by not having the right type of roller I feel quite proud of the results, both as to quality of workmanship and as to the cost of the finished job. The total cost of three and one half inch asphaltic concrete top was \$28,296.35 and the number of square yards covered were 22,150 making a cost of \$1.27 per square yard for the surface, which is much lower than contract prices for similar type of work. The material excavated from this job was used to fill in the Bicknell meadow. The total cost of the work including base course and 3½ inch hot top was \$45,499.60 or \$2.05 per square yard.

SIDEWALKS

Our next largest appropriation was for sidewalks. Previous to this year the commonly called tar sidewalks were let out at contract. The prices paid for this work done by contract was \$1.65 per square yard for three inch walks and \$3.00 per square yard for driveways. Extra excavation, engineering ledge or rock removal and the cleaning up of surplus material was paid for as an extra and of course practically all the money went out of town. This year with the establishment of a local plant we were able to buy an asphalt sidewalk composition at a much lower price than we could mix it ourselves so decided to do the work with our local men. To obtain the best grades and lines we used wood forms carefully set to grade, the same care being taken as if cement concrete walks were to be laid. This entailed considerable extra expense but the object was to lay a better walk than ever before rather than to see how cheap we could build them. I think that the results as far as smoothness and workmanship goes is appar-

ent to all as I know of no work done by the department that has caused so much favorable comment. The tax payer is naturally interested in the cost and I take pleasure in submitting the following list of sidewalks that were laid which shows the total cost and number of square yards.

Name of Street	No. yards, walks	No. yards driveways
Webb	1,527	394
Phillips	296	130
West	425	63
Hollis	1,131	223
Pond	1,267	195
Liberty Square	116	
Park Avenue	1,408	280
Broad	3,306	456
Bridge	514	77
Pleasant	738	102
Bayview	375	
Stetson	84	
Various small jobs	640	
Totals	13,145	2,109

Total cost\$23,866.79

Average cost per square yard including driveways \$1.56. This cost included engineering, excavation and the removal of surplus material. Based on the contract price of a year ago the total cost would have been as follows:

13,145. square yards @ \$1.65	\$21,689.25
2,109 square yards @ \$3.00	6,327.00
Engineering	425.00
Estimated ledge and excavation	600.00
Removal of surplus material	500.00

\$29,541.25

Actual cost

23,866.79

A Saving of

\$5,674.46

In addition to the work done on asphalt sidewalks a total of \$2,874.26 was expended for cement walks in front of the Civic Centre and for concrete curb on Park Avenue and Stetson Street., making a total of \$26,741.05

NEW STREETS

The following is a list of the new streets accepted and the cost of construction:

Street	Cost
Addington Circle	\$201.26
Clinton Road	600.00

Durant Road	250.67
Elinor Road	47.09
Kirkland Road	3,292.32
Roosevelt Road	1,548.65
Vaness Road	1,927.38
Wachusett Road	2,697.22
Wilson Road	1,557.34
Riley Avenue	1,199.00
Lakeside Avenue bridge	1,583.15

Total \$14,904.29

The construction of the above streets consisted of gravel with a surface treatment of tar, with the exception of Vaness Road on which the tar surface was not applied as it was too late in the season when the road was finished.

Front Street Drain.

This drain was laid from Front Street through the Hunt School grounds across Broad Street discharging into Weston Park. It was necessary to build this drain as the addition to the Hunt School interfered with the existing drain and was not of sufficient size. Two new catch basins were built on Front Street and sufficient manholes built so that it is accessible to clean. Eighteen and fifteen inch pipe was used and the distance was 1130 feet.

Wessagusset Sea Wall.

A cement sea wall three feet thick at the bottom and fifteen inches at the top with an average height of six feet six inches for a distance of about 350 feet was built at Johnson's Beach between the property of Lucy Gloag and Charles V. Deuse. This wall was much needed to protect the road and adjacent property. A tide water gate was installed to allow the surface water from the land in the rear to reach tide water. The appropriation for this work was \$5,000.00 and the amount expended was \$4,986.48

Bicknell Meadow.

This property belonging to Frank Holmes, off Shawmut Street was acquired for the purpose of eliminating an unsightly and unhealthy condition that had existed for years, also to improve the trouble caused by surface water on Broad Street. Two catch basins were built on Shawmut Street and a drain laid from them across the meadow to an existing outlet. This was for the purpose of preventing so much water entering onto Broad Street. Likewise two catch basins were built on Commercial Street and connected with the drain that runs to the Herring Brook. Dry drains were built across the meadow to take care of the ground water then the whole area covered with gravel and material excavated from Broad Street to a depth of about 2½ feet. The result has been to overcome the unsightly and unhealthy conditions but apparently has not prevented ground water from coming into several cellars on Broad Street. This condition is probably caused by filling in of the meadow which tended to prevent ground water reaching the out-let readily. I would advise laying a drain on two sides of the

meadow for the purpose of allowing the ground water to reach the out-let faster. This may not solve the problem, if not, the only alternative is to relay the out-let drain with a larger pipe at a lower depth. \$8,000.00 was appropriated for acquiring the land and doing the work. \$7,510.10 was expended.

Lakeside Avenue Foot Bridge.

This bridge was built across the out-let of Whitmans Pond near the end of Iron Hill Street. The old bridge was in a dangerous condition. The new bridge consists of steel girders set on stone foundations and is 90 feet long by 7 feet wide. Three inch hard pine planks were used for flooring and a 4 foot chain link fence used for guard rails the length of the bridge. This bridge is used by a great number of people and is built to last a long time. The total cost was \$1,583.15

Middle Street Widening

\$4,397.75 was expended on widening Middle Street from Washington Street to Centre Haven. The grade and lines were materially changed and the road resurfaced with gravel and tar ready to receive a permanent surface. 6,667 square yards of road surface was so treated and a gravel sidewalk built on one side. I would recommend that if any appropriation for permanent construction is made that it be expended to continue this work.

Wessagusset Road.

\$800.00 was appropriated to resurface a portion of the road adjacent to the new sea wall but due to the lateness of the season only part of the work was done. The work will be completed in the Spring.

SUMMARY OF REGULAR STREET APPROPRIATION

Superintendent	\$3,500.00
General Repairs	62,233.47
Maintenance of trucks and tractors	1,514.27
Crusher	5,806.92
Fences and signs	2,219.21
Street Cleaning	8,777.46
Equipment and supplies	8,573.66
Bridges	1,500.00
Gravel sidewalks	1,042.41
Maintenance of Department building	249.98
Drains and catch basins	6,369.46
Snow removal	8,539.40
Sundries	132.76
Oiling	24,415.83
Exchange on Dodge automobile	725.00
New truck	4,311.00

	<u>\$111,293.96</u>	<u>\$106,758.07</u>
Balance to Treasury		4,536.64
		<u>\$111,293.96</u>

RECOMMENDATIONS

A small gasoline roller six or eight ton is badly needed also a two and one half ton truck to replace an old Netco that has been run for nine years. I also believe that the showing made with asphalt sidewalks warrants a liberal extension of this work.

Respectfully submitted,

IRVING E. JOHNSON

Superintendent of Streets.

ASSESSORS' REPORT FOR 1930

East Weymouth, Mass.
January 6, 1931

To the Honorable Board of Selectmen:

We have assessed upon the polls and estates of all persons liable to taxation the sum of \$1,313,411.46 and have committed the same to Frank W. Holbrook, Esq., the duly elected Collector of Taxes, with our warrants in due form of law, for the collections and payments, in accordance with the votes of the town and warrants of the County of Norfolk and the Commonwealth of Massachusetts.

Commitment April 1, 1930	\$24,825.31
Commitment July 11, 1930	12,528.00

REPORT OF COMMITTEE ON WARD 2 FIRE STATION

To the Board of Selectmen:

Carrying out the vote of the town meeting March 4, 1929, plans, specifications and competitive bids were obtained for a fire station in Ward Two.

Following the meeting of 1930, a contract was signed with J. J. Gallagher Construction Company and work started.

The station is now practically completed and equipped and will soon be turned over to the Town, being finished within the appropriation.

We regret that during construction two members of the committee died, Chief John Q. Hunt and Selectman Winslow M. Tirrell.

REPORT OF MASSACHUSETTS BAY TRICENTENARY COMMITTEE

January 15, 1931

To the Honorable Board of Selectmen:

In June the former Chairman of this Committee resigned and the Moderator appointed Howard M. Dowd to fill the vacancy. Two members of the Committee had previously prepared resignations but at the solicitation of the new Chairman consented to withhold the same. In as much as the Town had already committed to a celebration in September and had invited guests to be present, there remained less than three months to make all the arrangements and the Committee worked under pressure during the entire summer.

In view of the lack of time the Committee decided it was wise to modify some of the earlier tentative plans that had been made and accordingly the celebration was made to center around a historical pageant illustrating scenes in Weymouth's history on the 9th, 11th and 13th days of September.

September 9th was designated as "Governor's Night", and although his Excellency, the Governor, was at the last moment prevented by illness from attending, he was represented by Secretary of State, Frederic W. Cook and there were also many prominent officials in County, State and Town affairs present.

The invited guests were received at the Town Hall by a reception Committee and conducted to Cain's Grill where dinner was served, after which, all returned to the Town Hall escorted by a squad of motorcycle police and a detachment of cavalry. Preceding the pageant remarks were made by the Chairman of the Committee, Honorable George L. Barnes, and Honorable Frederic W. Cook, Secretary of State.

Thursday, September 11th was designated as "Army and Navy Night" and representatives from the First Naval District, First Corp Area United States Army, and Massachusetts National Guard were present.

Saturday, September 13th was designated as "War of 1812 Day" in as much as the general society of the War of 1812 had sometime previously accepted an invitation of the Town to hold its bi-annual national meeting in Weymouth on that date. Delegations were present from all the northeastern cities and paid a high tribute to the hospitality of the Town and the beauty of the Civic Center.

Dr. James D. Iglehart, of Baltimore, Maryland, was introduced to the assembled audience by Colonel Frederic G. Bauer, a member of the Committee and Vice-president of the Society of the War of 1812 in the Commonwealth of Massachusetts and made a brief address.

This pageant was the first function to be given in the open air auditorium. Many of the citizens who had not before appreciated the possibilities of our Civic Center were present at the pageant and spoke in the highest terms of the beauty and utility of this feature of our Civic Center. In as much as souvenir programs were distributed to every house in the Town it was unnecessary to go into detail as to the historical scenes presented. Many of them

were written from contemporary sources which were discovered and brought to light by the researches necessary in connection with the War Memorial and their presentation would have been impossible had it not been for historical data thus obtained.

So far as the Committee is aware, no adverse criticism was made either by the Townspeople or outsiders, all spoke in the highest way of this celebration.

The Committee wishes to express its gratitude to all persons, citizens of the Town and outsiders who contributed in any way to the success of the celebration.

Respectfully submitted,

HOWARD M. DOWD, Chairman.
NEWLAND H. HOLMES, Secretary.

REPORT OF COMMITTEE ON GOLF COURSE

To the Honorable Board of Selectmen:

About three years ago the Town Meeting Members appointed a Committee to look into the advisability of a Golf Course for the Town of Weymouth. Your Committee have given a lot of time, study and thought to the proposition, and to that end have selected a site with the co-operation of the Park Department, at Weymouth Heights, which the Committee and also the Park Department believe is ideal for the purpose. This property is so located, in our opinion it would take many years before a profitable valuation from a taxable standpoint could possibly occur. From the class of development in the immediate vicinity of this property, it did not appear to the Committee the kind of development that the Town desires. Whereas the building of a Golf Course and other recreational facilities will give an opportunity for our citizens to indulge in an ever increasing sport at a very low fee, and add a feature to our Town which would put Weymouth in the group of progressive Cities and Towns, aiming for the welfare of her citizens. We unanimously recommend with the unanimous vote of the Park Department, that this project be accepted by the Town and that work be started immediately, giving employment to heads of families which in many cases would have to apply to the Selectmen for aid. Saving a considerable sum of money for the Welfare Department, we believe, which would reduce the cost of this project a great deal. And to that end and by vote of the Town for this project at our last Town Meeting, we procured the services of Stiles & Van Kleek, Golf Architects who have laid out eighteen

holes, which if accepted by the Town, we propose to build nine holes at once which would be ready to use by October 1, 1931, at an estimate cost of about \$25,000.00 by using unskilled labor. And from authentic information which we have of other Cities and Towns we propose that the care and maintenance and the building of the second nine holes would be entirely completed and taken care of from the earnings of the first nine holes.

The Committee to a man have every confidence that this program can be carried out so satisfactorily that if there are any of our citizens who have had doubts, that after two years time will be as enthusiastic and as proud of Weymouth's Golf Course as your Committee is after three years of careful investigation into this matter.

Respectfully submitted,

JOSEPH KELLEY, Chairman
JOHN HEFFERNAN, Secretary.

REPORT OF PARK COMMISSIONERS REGARDING TAKING LAND FOR GOLF AND PARK PURPOSES

To the Honorable Board of Selectmen:

The Park Commissioners wish to report on the doings in the taking of the land at Weymouth Heights for Golf and Park purposes. This matter is being intelligently handled by our Town Counsel, Mr. Bauer, and we feel that a very reasonable and satisfactory price will be obtained through his efforts.

We strongly recommend and advise that the Town secure this property at this price as it will add to the Town a project which will not only return in our opinion an income to the Town, and give work to the unemployed that might otherwise have to be supported through the Welfare Department, and lend an opportunity to many hundreds of our citizens the privilege of an ever growing recreation at a very small cost on a property of small taxable valuation at the present time. And from the surrounding real estate development it would appear that it would be a long time for other developments. Again urging from our best judgement, the purchase or taking of this land at this time, we beg to remain

Very respectfully,

FRANCIS W. REA
CHARLES H. BURGESS
JOSEPH KELLEY
Park Commissioners

REPORT OF THE ELECTRIC LIGHTING COMMITTEE

Weymouth, Mass., December 31, 1930

To the Honorable Board of Selectmen:

In accordance with the vote of the Town and with the approval of the Town Counsel, we entered into a contract with the Weymouth Light and Power Company to light the streets for one year ending April 1, 1931 under the same specifications and rates as in the preceding year.

As ordered by the Town Meeting, we have located two 1000 C.P. lamps at Legion Field, and have installed about 75 other lights, bringing our total number to nearly 1500. We have provided adequate lighting on all newly accepted streets, and have been able to comply with most of the requests for better lighting in various locations.

The smallest light, and the one most commonly used, is of 60 C.P. and costs \$20.90 per year while the largest is of 1000 C.P. and costs \$95.00 per year. In the former the fixture is furnished by the company and the cost included in the figure given; but the larger 1000 C.P. light is used in ornamental fixtures exclusively and the figures given is for operation only, as the Town furnishes the fixtures. Our monthly bill is now over \$3000, about one sixth of which is for the support of sixty-two 1000 C.P. lights.

Each member of the committee is now provided with a map of his section of the Town on which is shown the location and candle power of each light; and also with a list of streets showing the number of lights on each and the number necessary to bring the lighting up to our usual standard of efficiency.

We recommend the following budget for the year 1931:

Maintenance of present service.....	\$36,944
100 new 60 C.P. lights or their equivalent (six months service....)	1,045
	<hr/> 37,989

Respectfully submitted

JOSEPH KELLEY, Chairman

EDWIN MULREADY

REPORT OF THE SEALER OF WEIGHTS AND MEASURES

December 31, 1930

To the Honorable Board of Selectmen of the Town of Weymouth:

Gentlemen:

I herewith submit my annual report for the year 1930 with the sealing fees amounting to \$379.96.

During the year 23 Fish, Fruit and Vegetable licenses were granted at \$10. each, 12 Junk licenses at \$25. each.

There were two convictions made during the year both for peddling without a license. They were both found guilty and paid fines. I wish to call to your attention the statue law relative to pedlers of Fish, Fruit and Vegetables of which is often misunderstood, if the goods are bought and sold over again by the agent a license is required to go from house to house; but if the vegetables are raised by him, the fish obtained by his own labor or that of his family, or clams dug by his own hand, a license is not required.

My general work for the year is as follows:

Sealed	4146 articles
Not sealed	139 articles
Condemned	10 articles
Gas Pumps	243 articles
Reweighings	406 articles

Respectfully submitted,

CHARLES W. BURGESS
Sealer of Weights and Measures

SIXTEENTH ANNUAL REPORT OF THE WEYMOUTH VISITING NURSE ASSOCIATION

To the Honorable Board of Selectmen of the Town of Weymouth.

Gentlemen:

Another year of service in the community has been completed by the Weymouth Visiting Nurse Association and we respectfully submit the following report. Nine regular meetings of the officers and directors have been held in the Clinic room at the Town Hall with an average attendance of twelve.

Receipts for the year of 1930 are:

Town of Weymouth in checks to Mrs. Pratt	\$2,000
Metropolitan Insurance Company, for calls	726.50
John Hancock Insurance Company for calls	390.75
Paid calls made by nurses	477.21
Memberships in the Association	772.00
'Tag Day' receipts	287.98
Box in Clinic room	8.15

Donations to the Association:

Gifts during the membership drive	146.58
Wessagusset Chapter, Order of the Eastern Star	5.00
Union Church of Weymouth and Braintree	5.00

Donations to the work of the Baby Clinic

Ladies Benevolent Society, First Church Wey. Hts.	10.00
Ladies Social Circle, M. E. Church, E. Weymouth	10.00
Mrs. H. S. Godfrey (from whist party)	18.00
Mrs. M. P. Koopman (community basket)	13.00
Mayflower Chapter, Order of the Eastern Star	10.00
Monday Club of East Weymouth	25.00

Donations to the Pre-school Clinic

Mrs. Frank E. Hanson (Sale of Christmas Seals)	25.00
Monday Club	25.00

Total receipts	4955.17
----------------	---------

Disbursements for 1930

Paid to nurses Mrs. Pratt, Miss Wilbar, extra nursing	3623.34
Dr. Fitzgerald for Baby Clinic	750.00
Paid for new car for use of nurses	314.00
Paid for upkeep of car ,gas and oil	258.28
Garage rent	48.00
Nurse supplies	69.89
Telephone	110.40
Secretary and Treasurer supplies and postage	4.62
Printing	14.50
Expense of Tag Day	10.50
Expense of Pre-school clinic	98.25
Membership Mass. Association Dept. of Public Health Nursing	2.00

Total disbursements	5303.78
---------------------	---------

— Mrs. Pratt, the Visiting Nurse reports number of nursing visits made

Number of business visits	691
Number of instructive visits	174
Number of calls on tuberculosis patients	213
Number of calls in Summer Round Up work	52

Total number of calls	6510
-----------------------	------

Number of patients cared for

Number of cases carried over from December 1929	24
Number of medical patients for 1930	296
Number of surgical patients for 1930	147
Number of Obstetrical patients for 1930	79
Number of Tuberculosis patients for 1930	73

Total	619
-------	-----

The work of the nurse includes the distribution of food, clothing, Christmas dinners and toys to needy families made possible by the generosity of our friends and just as the need this year has been more than usually great so the response to meet it has been prompt and generous which we gratefully acknowledge and appreciate.

The Child Welfare Committee has held 49 Baby Clinics during the year with a total attendance of 1028 or an average attendance of 21. We hope it is understood that any mother of a baby less than 2 years old may bring that baby to the Clinic where it will be weighed, measured and examined by our baby specialist, Dr. Fitzgerald, free of charge and suggestions for its diet and care will be given on competent authority and help on any individual problem the mother may have. Some of our babies come only to be weighed and their growth watched and recorded, this is a service we are very glad indeed to render. Many volunteer workers help us to make this possible and we sincerely thank them.

To the many organizations in our town who have helped us through the year to keep our supply chest full of the needed things as dressings, bandages, baby clothes, bedding, etc., we also wish to give our thanks.

One other item I wish to touch upon probably the outstanding accomplishment of our years efforts, our work for the Pre-school Clinic, the 'Summer Round-Up'. The aim of this clinic is to have all children enter school physically fit. Through an intensive advertising campaign we tried to reach the parents of all children entering school in the fall and have them bring their children to the schools on Registration Day, June 21. Here the parents were met by the nurses and the need for a physical examination explained to them, that their children might enter school physically fit to do their school work and not be handicapped by remedial physical defects. Those who were able were urged to consult their family physician and cards were given them to be filled out by their physician showing their physical fitness, these to be returned to the school nurse at the beginning of the fall term. Those who were financially unable to do this were cared for at the expense of the Association. A few figures will be of interest here, 431 children entered school in September, 296 of these registered at the Summer Round-Up. 135 had to be reached by personal calls. 161 returned cards signed by their family physician, 229 gave only verbal reports and so could not be recorded as in the A-1 class, 31 were examined by Dr. Fitzgerald at the Association clinics.

Next year we hope for greater response in the number of cards filled out and returned. But we feel we have made a good beginning of a splendid work for surely there could be no higher ideal than the perfect physical fitness of our children at the beginning of their careers, a physical soundness on which to build fine characters.

Respectfully submitted

LOUISE E. DODGE, Sec'y

REPORT OF THE PARK COMMISSIONERS

Year ending December 31, 1930

To the Honorable Board of Selectmen of the Town of Weymouth.

Gentlemen:

BEALS PARK

We wish to state at this time that there has been expended this year at Beals Park a considerable amount of money which perhaps does not show. But it cost quite a sum this last summer to clean out the pond, and we would like to have the co-operation of the people around this locality to notify the police if they see any one dumping rubbish into the pond.

RUFUS CLARK PARK

The grass was kept mowed and the ground cared for during the summer.

WEYMOUTH HEIGHTS MALL

The grass was kept mowed, also a walk was put on the southerly side of the park going to the school house, and a fence erected on the southern boundary of the park.

WEBB PARK

General care of the Park and Playground equipment was thoroughly gone over. The Band Stand was reinforced and repaired to a condition of safety.

WESTON PARK

The ball field was enlarged, some grading done upon it and six benches erected. Sheltering tool house painted, and some grading done in that vicinity. The fencing around the Tennis Courts was straightened and painted. Drainage pipe was put in from back of James Reilly's house, and three points on Broad street connected by catch basins, and continued to a point about fifty feet into the pond. It is hoped that we can finish the piping this year, connecting the drain from Washington Street into the Broad Street sewer and on through to the end of the Park. This will prevent the sewerage from forming the pond which the children now use for skating. It makes an unhealthy, unsanitary and dangerous condition.

We also feel that with the very efficient police force, that Town property in the form of Parks should be patrolled regularly by the police to prevent the destruction of Town property.

POND PLAIN PLAYGROUND

Pond Plain Playground has been graded, and a fine new Tennis Court built, and the equipment painted and repaired.

We would recommend an enclosure for the Tennis Court, and a summer house for the hot days. The Pond Plain Improvement Society provides necessary conveniences for the children.

LAKE STREET PLAYGROUND

The Lake Street Playground has been graded and a wall put next to the street.

We recommend a wall next to the water, making the playground larger and the bathing better.

JACKSON SQUARE AND BAILEY GREEN

Jackson Square and Bailey Green have been well taken care of, and shrubs added. More shrubs of an evergreen nature should be added this year.

PARK AVENUE

The Meadow leased on Park Avenue for the purpose of having a skating park has been cleared and a Dam built.

Would recommend a Dam built of Cement and a curb to keep water off street.

LOVELL'S CORNER PLAYGROUND

The Lovell's Corner playground is always well attended by the children and young people of this and other neighborhoods. The grass is well mowed and the equipment kept in condition for the safety of the children. A new sand pit has been built of concrete 20 x 20 and the Band Stand roof has been made tight. One hundred and seventy-five feet of fence was put along the street, and the Tennis Court enclosure put into shape. Some new shrubs have been added, and a great number of seat posts have been made. Hawes Grove has been cleared of some of the underbrush. This is a very fine grove, and in years to come will be a great asset to the grounds.

LOVELL'S MEADOW

After a careful investigation on the proposition of the Lovell Meadows, we would not deem it advisable to go into this project at this time for two reasons- Namely: That there is a lot wet low land there which would incur a large expense of which we believe would be wise to curtail on at this time, and then it is too near to the church property

REPORT TO THE PARK COMMISSIONERS BY DIRECTOR OF
PLAYGROUNDS - EVERETT MCINTOSH

Eight Public Playgrounds are now well established in Weymouth. There is stationary equipment on all the grounds located at Beals Park, Lake Street Park, Pond Plain Playground, Webb Park Bicknell School Grounds, Lovell's Corner Playground, Stetson Field Weston Park.

Over a thousand children visit the various playgrounds daily and take advantages of the opportunity afforded them. Due to the intense heat of the past summer more effort was put into handwork than strenuous games.

A field worker of the Dennison Paper Manufacturing Company, Mrs. Clara Nichols spent one week here giving instruction in paper mosaic and glorified glass work at each playground. The teachers had a class of instruction in this work. Many attractive articles were made by the children. Painting vases and flower pots soap carving and wooden door stops were popular branches of hand-work.

Paddle Tennis was enjoyed on all grounds and a tournament was held at Stetson Field. Town Champions of each class were chosen. The classes were Junior Girls, Senior Girls, Junior Boys and Senior Boys.

Many inter-playground games of baseball and volley ball for the boys, and volley ball for the girls were played. Competition was very keen and so interest and enthusiasm was aroused. Horribles and doll carriage parades always added interest. Much time and effort was spent in the decorating of carriages and the results were most gratifying.

Sand boxes were always filled with castles of sand as the various children worked out some project foremost in their minds.

Upon receiving an invitation from the chairman of the Selectmen, the Town of Weymouth was entrusted to the Juniors for the second year for two honors on July 28, 1930.

The officers previously elected were:

BEALS PARK AND BICKNELL SCHOOL

Selectman, June Schieble; Assessor, Eleanor Brayshaw; School Committee, Regley O'Done; Water Commissioner, Thomas Bleakney; Park Commissioner, William Boudreau.

WESTON PARK AND WEBB PARK

Selectman, Fred Murray; Assessor, Mary Harrington; School Committee, Harriet Berry; Water Commissioner, Charles Marsh; Park Commissioner, Leonard Kearns.

STETSON FIELD

Selectman, Joseph Dunbar; Assessor, Jared Marinar; School Committee, Francis Hanson; Water Commissioner, Puritan Poole; Park Commissioner, Theda Munroe.

LOVELL'S CORNER PLAYGROUND

Selectman, Francis Russell; Assessor, Muriel Doble; School Committee, Katherine Reed; Water Commissioner, Robert Griffith; Park Commissioner, Marn Doble.

LAKE STREET PLAYGROUND

Selectman, Richard Burns; Assessor, Russell Jacobs; School Committee, Marjorie Jacobs; Water Commissioner, Michael Striano; Park Commissioner, Robert Clark.

POND PLAIN PLAYGROUND

Selectman, Joseph O'Kane; Assessor, Pauline Dymont, School Committee, August Calen; Water Commissioner, Robert Candy; Park Commissioner, Elaine Proctor.

In keeping with the Tercentenary celebration the Selectmen were dressed in Puritan costumes. The purpose of this project is to initiate the children into the affairs of town government. It is undoubtedly of educational value and encouraging to note the zeal of the children and satisfying to view the efficiency with which they do the business at hand of governing the town.

The children of Pond Plain and Lovell's Corner gave a pageant entitled "The Dearest Wish" under the direction of Miss Genevieve Perkins and Miss Helen Moulton at the Pond Plain Community Grounds. Sixty-five children in the cast presented the pageant to a large and appreciative audience.

During the final week each playground had a picnic at Weymouth Beach, Swimming, sports and frankfurt roast were enjoyed by all and the bath house was taxed to its capacity.

Please accept my sincere thanks for the splendid cooperation of the Town Officials in making Junior Town Government Day possible, the parents for making paper costumes for the pageant, the Weymouth Gazette and Transcript for their generosity in paper space and the donation of election ballots, and all who in any way helped during the past season.

The parks and playgrounds providing beauty spots and recreation areas for both adults and children, are giving justification for the expenditure of town funds for aesthetic and health improvement of the citizens.

Beauty and utility are notable in the care of Weston Park. The landscaping is effective and attractive. The playground, tennis courts, and the skating pond, all in proximity to the Hunt school, are in use at all seasons. In only a few years with but a moderate outlay of money a rough field has been converted into a very useful ornament.

Great Hill Park is a natural beauty spot. Its sight seeing advantage, and its bathing beach attract the young people. The night parkers, petting parties gave rise to complaints that necessitated the closing of this beautiful park at 9 o'clock evenings. Over \$75,000.00 of the Town's money should not be denied to the citizens. The Commissioners recommend removal of the present restriction to enable law abiding citizens to enjoy to the full the fine New England summer nights. The Park commissioners, therefore, recommend that a sufficient sum be raised and appropriated for such police protection as shall be necessary for maintaining order on Great Hill Park.

In closing the Commissioners want to thank the citizens who have aided them by appreciating the parks without abusing the privilege. There are some thoughtless people however who have been destructive if not outright malicious proclivities. The Commissioners call upon all the good citizens to aid in curbing the unfortunate acts of the careless ones to the end that our parks will be what all desire. Places of beauty and recreation.

Park Commissioners

FRANCIS W. REA

CHARLES W. BURGESS

JOSEPH KELLEY

ANNUAL REPORT OF THE COLLECTOR OF TAXES

For Years of 1928, 1929, and 1930

To the Honorable Board of Selectmen of the Town of Weymouth.

I am pleased to submit to you my report of the Taxes and Interest collected by me, as Collector of Taxes, during the year 1930. These collections, as made and paid over to the Town Treasurer, apply to the several commitments to me, for the years 1928, 1929 and 1930:

Interest \$1.29

Abatement Personal 13.61

Total collected and abated 14.90

Respectfully submitted

A. W. SAMPSON
Collector of Taxes for 1926 and 1927

REPORT OF TOWN ENGINEER

To the Honorable Board of Selectmen of the town of Weymouth,

Gentlemen:-

I submit herewith my twenty-fourth annual report on surveying and engineering work done for the town in 1930.

This includes the yearly revision of the Assessor's maps; the routine surveying and engineering work done each year to a greater or less degree in all cities and towns; and other special work done during the year.

The assessors maps numbered 1 to 65 inclusive were corrected to and including April 1, 1930 by copying and entering thereon all transfers for the preceding year; by the measurement, location and addition of all new buildings; by the removal of all buildings razed lost by fire or otherwise eliminated; by the correction of existing buildings materially changed either by additions or otherwise; and by the plotting thereon of all new streets, and such land subdivisions or developments, or other data as may assist in the assessment of taxes or be of interest to the assessors.

In the revision to April 1, 1930 a total of 1400 parcels of land transferred by deeds, takings or releases, including original and transfer certificates in the Land Court, were copied; about 156 dwellings, 220 other taxable buildings, and approximately 157 exterior changes in existing buildings were located and measured; and all entered or plotted on the maps.

Municipal buildings added included the addition to the Hunt School building, the public bath house at North Weymouth, and a small building on Weston Park. The broadcasting station W. E. E. I. at the Edison Plant at North Weymouth was also entered on the maps.

As the parcels of land transferred, the new buildings and the changes in the old buildings are quite evenly distributed throughout the town it is apparent that after doing the registry work and field work necessary to obtain the required data, much remains to be done on the maps. This includes the erasure of the names of former owners and of buildings no longer existing or changed in location or shape; the addition of new buildings and the correction of such as are changed; and the entering of the names of the new owners with the area covered by such new ownership.

While occasionally a parcel of land is sold as a whole, in many cases a sale means an additional owner and two areas in place of one. All of the above is necessary work done each year to put the maps into proper shape for the use of the assessors.

The final step is the taking of new negatives from the corrected maps and furnishing of a set of prints therefrom to the assessors.

Copies of any or all of these maps can be obtained practically at cost from the town.

The above with some minor work appurtenant to same is listed as town survey work and charged against the appropriation made for that purpose.

I would recommend an appropriation for 1931 of \$2500, similar to that of the past few years.

I want to again touch on the desirability and value of recording all legal papers relative to the ownership of the title to the land; such a record often results in a substantial saving to future owners or perhaps to ones heirs and may be the means of determining the location of a disputed boundary line without the expense of recourse to the land court.

During the past year numerous town survey sheets were sold; also quite a number of the lithograph maps published in 1929 were sold or voted by your Board to various organizations for their use.

An appropriation of \$500. was made in former years for the purchase and setting of stone bounds on town streets, and bounds charged to this appropriation have been set on Beals Street, Pecksuot Road, Broad Street, Commercial Street, Evans Street, Webb Street, Liberty Square, Pond Street, Wilson Avenue, Shaw Road, Bartlett Street, Bayview Street, Addington Circle, and Clinton Road. This work is important and should be continued each year.

Other stone bounds set on streets or elsewhere and charged to the appropriation for that particular street or work include bounds on Riley Avenue, Vanness Road, Kirkland Road, Wachusett Road, Roosevelt Road, at the junction of Front and Stetson streets on the Weymouth Water Works taking near Swan Avenue, and on the boundary line of Bicknell School land. In addition a number of old bounds have been reset.

During the past two years an appropriation of \$500. has been made each year for the purpose of making a survey and plan of cemeteries in Weymouth showing thereon the location of the graves of the deceased veterans of different wars together with the name of the veteran and the war in which he served.

Survey and plans of the following cemeteries have been completed and prints for your Board and for distribution to the veteran organizations for their use have been delivered to the Selectmen:- Village Cemetery, Fairmount Cemetery, Saint Francis Xavier Cemetery, Highland Cemetery and the North Weymouth Cemetery. This work should be completed and I would recommend an appropriation of \$500. for the coming year.

On special work perhaps the most outstanding was the design and construction for the new addition to the Bicknell School at North Weymouth of a septic tank 20 feet long, 10 feet wide and 8 feet 3 inches deep (inside dimensions) of reinforced, waterproof concrete, with an accompanying disposal field.

This is the third and smallest of three septic tanks (each designed for its particular location and number of persons served) built for the school department of Weymouth, the first being at the High School and the second at the Hunt School.

Among the routine work I would list the following: Survey and plan of land on Front and Stetson Streets (adjacent the Hunt School lot) acquired for school purposes and topographical plan of same; design and grading plan of Hunt School grounds, and stak-

ing and giving grades for curbs, drives, walks, etc.; staking property lines of land owned by the town; survey and sketch showing suggested straightening of Pleasant Street from its junction with Water Street to a point near the police station; survey and plan of takings at or near Great Pond for preservation of water supply; staking and grades for permanent sidewalk construction; profile, staking and grades for Bicknell meadow drains and filling, off Broad Street, East Weymouth; staking for sea wall at Wessagusset; staking and grades on newly accepted streets; profile, staking and grades for Middle Street south of Washington Street; survey and preliminary plan showing proposed widening of Broad Street between Central Square and Commercial Square; preliminary survey and plan of Broad Street between Central Square and Lincoln Square; staking and giving grades for curb on Park Avenue and elsewhere; profiles, staking and giving grades for permanent sidewalk construction; establishing and giving street lines, and staking corner junctions; taking profiles of streets; taking profiles and giving grades for drains; staking at Legion Field and at the Central Fire Station; surveys and plan of relocation of a part of Iron Hill Street; of relocations at the junction of Neck and North Streets, at Spring and Broad Streets, at Bartlett Street and Babcock Avenue, at Bayview Street north and Bayview Street east, and at Charles and Lake Streets; survey and plan of land to be acquired by the town; plan of that portion of Lakeside Avenue accepted by the town; street descriptions; street numberings; staking Westminster Road, survey and plan of land on Island View Road, an dprofile and grades for pipe line in the Birches for the Water Department; various work in connection with the proposed municipal golf course; and surveys, taking levels, etc., together with attendance at court on hearings or actions by or against the town.

In closing I would extend to your Board, to other town officials, to members of different veteran organizations, to various cemetery officials and to the citizens of the town in general my thanks for all courtesy shown and assistance rendered to me and to my assistants in our work for and throughout the town.

Respectfully submitted,

RUSSELL H. WHITING

Civil Engineer

REPORT OF THE INSPECTOR OF BUILDINGS

To the Honorable Board of Selectmen of Weymouth:

The estimated valuation of new buildings and alterations during 1930 was approximately 54% of the 1929 estimated valuation. This decrease has been due mainly to industrial depression and has accentuated the overbuilt conditions prevailing in residential types.

New residential building has fallen drastically and shows no signs of immediate recovery. The estimated valuation of residential building was \$303,900. in 1930 as compared to \$667,700 in 1929.

There is no doubt that residential building which is now considerably below long term normal is approaching or has struck

the bottom of the present movement at least. This is not to say that any recovery is in immediate prospect, but there are indications that the force of the decline has spent itself, and that the present situation serves to limit building to actual requirements and lays the groundwork for a healthy improvement when general business recovers and the population again drift back to normal living conditions.

It is apparent that there is a surplus of building and until this surplus has decreased materially, the financing of new construction will be difficult to obtain, but with the price of material and cost of labor as at present substantially reduced it is only a reasonable assumption that considerable activity will result during the coming year.

The co-operation of the builders and owners to standardize construction in general has been gratifying except in the case of Lucy J. Cosgrove, 50 Clarkson Street, Dorchester, where it became necessary for the Town Counsel to conduct criminal proceedings in Quincy Court for violations of the provisions of the building laws when alterations were made on a building at No. 24 Idlewell Boulevard.

The complaint was made Sept. 6, 1930 on three counts. The defendant appeared in said court Sept. 8, 1930, pleaded guilty and was substantially fined and required to make the buildings conform to all requirements of the building laws.

The addition to the Bicknell School, Ward 1, and the new Fire Station, Ward 2, were the two major projects constructed by the Town during the year. The construction on these buildings began in March and was completed about Dec. 1, 1930.

Herewith is summary of the records of the Department:

Building permits issued	225
Alteration permits issued	258
Estimated valuation of buildings	\$468,770.
Estimated valuation of alterations	176,110.
Total valuation	<hr/> \$644,880.
Receipts	\$883.
Elevators inspected and certificates issued	16.

Approximately 73% of the number of permits issued in 1929 were issued in 1930, and the estimated valuation for this year is approximately 54% of the 1929 total.

It is my desire to express my deepest gratitude and thanks to your Honorable Board, to the Chief of Police, the Chief of the Fire Department and the Town Counsel for the assistance and co-operation given the Building Department during the past year.

Respectfully submitted,

Inspector of Buildings

T. J. KELLY

REPORT OF THE BOARD OF APPEAL

To the Honorable Board of Selectmen:

The Board of Appeal during 1930 has had thirty-three (33) meetings devoted entirely to cases presented for relief from the provision of the Building Laws. The Board has given careful consideration to 103 applications and have rendered decisions for safety of the occupant and protection of adjacent property.

The Town of Weymouth has never adopted zoning laws although several years ago the matter was referred to the Planning Board. When it does so the Board of Appeal under its Building Laws will, under the provisions of Chapter 133 of the Acts of 1924 and Chapter 116 of the Acts of 1925 automatically become the Board of Appeals under the Zoning Laws. This is a mandatory provision of the statutes over which the Town has no control. In all matters governing zoning, the requirements of Section 27A of Chapter 40 of the General Laws inserted by the statute as above named are quite technical as to procedure, notice and records. Of course, a person aggrieved by the decision of the Board of Appeal on matters of law can apply to the Supreme Judicial Court for certiorari and there have already been one or two threats made by non-residents to apply for certiorari. In view of the fact that when and if the Town adopts zoning laws the Board must follow the procedure laid down in the statutes, and the substance of the procedure is a convenient way of being sure that the positive requirements of law have been complied with, it is believed that the time has come when the meetings of the Board of Appeal should be more formal and that better provisions should be made for putting its decision in formal shape and preserving them. This will not only be of value to the Town should it ever be necessary to defend the rulings of the Board on petitions for certiorari against the Board by dissatisfied applicants for building permits, but will help to secure a uniformity and continuity of policy in the decisions of the Board. Furthermore, it will enable property owners and builders to know in advance by reference to the recorded decisions what probably will and what probably will not be approved by the Board and to make their plans accordingly, an article has accordingly been placed in the warrant which provides for the Board adopting rules of procedure until such time, if ever, as the Town may adopt the provisions of the zoning law.

Herewith is summary of the records of the Board.

Applications approved	36
Applications conditionally approved	22
Applications partially approved	2
Applications disapproved	43

Respectfully submitted,

RUSSELL H. WHITING
Secretary of Board

REPORT OF THE PLANNING BOARD

To the Citizens of Weymouth:

The work of the Planning Board during the past year has been along the same lines as in previous years, and while perhaps the results were not quite so pronounced, we have, nevertheless accomplished much which will, we trust, materialize in the coming years.

We have received many requests, both by letters and telephone calls, from the different parts of the Town, asking for our assistance in developing and carrying forward certain projects that they were particularly interested in, and we have been very glad to lend our aid in any way we can for the welfare of our Town.

We have now received a Service Map of the town which will be of much assistance to us in our work.

We have been in communication with the State Highway Commission relative to the State constructing sidewalks on all State Highways.

Six members of the Board attended the annual State Planning Board Convention at the Hotel Kenmore, Boston, on September 30, 1930. It was very interesting and instructive.

The following were some of the many projects that were considered by our Board:

The installation of traffic lights at Lincoln Square and Independence Square and a blinker light at the junction of North, Norton, and East Streets, Weymouth Heights.

That all electric wires be put under ground.

The removal of tracks on Broad Street between Jackson Square and Johnson Square, also the widening of Broad Street.

The cement wall at the corner of Commercial and Madison Streets.

To construct Putnam Street to its full width at and near the corner of Lafayette Avenue.

To lower the grade on Commercial Street just east of Union Avenue.

Beginning at the junction of Commercial Street and Middle Street, to construct a sixty foot street to Central Square and through to Washington Street.

The extension of Academy Avenue.

Straightening and widening of Pleasant Street between Jackson Square and the Community Garage; also Commercial, Essex, and Forest Streets.

Extension of the Sea Wall on Fore River Avenue.

Enlargement of Bath House at Great Hill.

The multiplicity of gasoline stations.

Parking facilities at Washington Square.

The beginning of Zoning,

Installation of studded signs at each intersection of the Town.

The sidewalks in various parts of the Town.

We feel this work has been badly neglected and trust that more sidewalks will be built in the near future, and we recommend that they be of permanent construction and with curbing where practical.

That the names of all new streets be submitted to the Selectmen for approval, thus saving repetition, as there are many such cases in different localities in town.

We wish to call your attention to our recommendations in last year's report regarding a street connecting Bridge and Lovell Streets, also a street connecting Pond and Randolph Streets, and the taking of land at the corner of Pond and Derby Streets.

We still are of the unanimous opinion that all of these three projects should be seriously considered by every voter of the Town who has the Town's welfare at heart.

Respectfully submitted,

FRANK A. PRAY, Chairman
RALPH H. HASKINS, Clerk
RUSSELL H. WHITING
JOSIAH B. REED
ALLAN C. EMERY
THOMAS J. KELLY
ARTHUR I. NEGUS

Weymouth Planning Board

REPORT OF THE CHIEF OF THE FIRE DEPARTMENT

To the Honorable Board of Selectmen,
Gentlemen,

I respectfully submit the annual report of the activities of the Fire Department during the year ending December 31, 1930.

While the department has had a very busy year responding to calls of various nature, the insurance losses have been extremely small. There were a great many dangerous fires, which if allowed to spread, would have caused considerable loss of life and property, and I feel justly proud of the way the men of my department, although handicapped by the shortage of help, overcame these difficult and hazardous situations. I sincerely recommend the appointment of four permanent men to relieve this condition at meal hours and days off.

During the fiscal year we answered to 539 alarms for fires, including 2 out-of-town calls, and 9 emergency calls, making it necessary for 1718 pieces of apparatus to respond.

The following is a resume of each alarm,

Box alarms,	156
Telephone alarms	198
Still alarms	185
	<hr/>
Total	539

Automobiles	41	Oil heaters	4
Barn	8	Peat Bogs	2
Bonfires	4	School House	2

INSPECTIONS MADE AND PERMITS ANSWERED

During the year 497 inspections were made with the thought of Fire Prevention in view. Every Factory, garage filling station, and mercantile establishment was inspected, their fire appliances checked, and if needed refilled and made ready to use in case of fire. Suggestions were made, and conditions have been improved and many fire hazards removed.

Permits issued were as follows,

Burning of rubbish	93
Bonfires	3
Blasting	4
Display of Fireworks	4
Garage	14
Oil Heaters	213
Removal of tanks	4
Sale of Fireworks	27
Storage of Inflammables	
Storage of Inflammables used in manufacturing	5
Transporting explosives	2
Total	369

Property protected during fires,

Insurance on buildings	\$1,612,750.00
Insurance paid \$60,433.35	3.747% loss.
Insurance on contents	68,700.00
Insurance paid \$18,992.98	27.65% loss.

MOTOR APPARATUS AND EQUIPMENT

The motor apparatus in service at the present time includes three Seagrave 750 gallon, triple combination pumping engines, one Maxim 1000 gallon, triple combination pumping engine, one six cylinder and one four cylinder Seagrave City Service ladder truck, one White Squad Truck, one Chevrolet Forest Fire Truck, one model "A" Ford Forest Fire Truck, one Chevrolet Fire Alarm Truck and one Hudson Chief's car. All are giving splendid service, each piece having been tested and gone over by service men, with the exception of our Squad Truck which at this time has given sixteen years of hard service, and I do not believe that this piece is capable of giving the efficient service needed, as this truck answers all alarms, and expensive repairs are necessary to bring it up to standard.

I recommend the purchase of a new Squad truck equipped with a booster tank to replace this piece in the near future.

Much new equipment has been added during the past year. An Inhalator, which has been used to such good advantage in resuscitation, high powered hand lights, and an up-to-date Baker Cellar and Bridge pipe. In the event of electrical fires, two Carbon Dioxide extinguishers are ready together with an All Service Gas and

Ammonia mask. This equipment has all been tested and the men of the Department feel equal to any emergency which may arise.

There is 7,700 feet of 2½ inch hose, 1400 feet of chemical and booster hose now in service. 2500 feet of 2½ inch hose having been purchased and put in service this past year.

I would recommend the purchase of 1000 feet of 2½ inch hose and 3000 feet of 1 inch hose, in view of the fact that dragging the long lines of 2½ inch hose into the woods during fires, is a tedious job which requires more men and time than is possible to spare. The greatest loss of hose results from the small holes burnt in the jacket during these fires which destroys it for other fire service.

If this recommendation is accepted it will mean a saving not only in the cost of hose, but also in the labor cost of callmen at forest fires.

Thru the cooperation of Supt. Fred Stevens of the Water Department, hydrants have been added over the several districts where needed, and as conditions arise more are to be installed. The fire menace at the section known as the "Birches", which previously has been without water service in case of fire, has been greatly lessened owing to the installation of three drafting hydrants.

STATIONS

I am indebted to the citizens of the Town who have made it possible for my department to enjoy the fine stations recently completed. It is indeed gratifying to have such fine quarters for our equipment.

The new home of Engine 2 at East Weymouth was opened Thursday, December 4, the apparatus and Fire Alarm equipment being installed and tested, and is now open for public inspection. These quarters are equal to any in the State, and the Fire Alarm equipment is of the latest type, and allowance has been made for future expansion.

The quarters of Engine 3 at Weymouth Landing are in fine condition.

The quarters of Engine 5 at South Weymouth have been repaired and painted inside and out, a bath and shower added and living conditions in general greatly improved. The apparatus floor of this station has settled considerable and will need attention soon.

The quarters of Engine 1 at North Weymouth have been improved, having had a bath installed and a new sleeping room added. This station will have to be repaired as the floors have settled and the chimney has cracked open leaving it in a dangerous condition. This condition is in need of immediate consideration.

In conclusion, my first annual report, I acknowledge with grateful appreciation, the cooperation that the Honorable Board of Selectmen have so generously rendered at all time.

To the officers and members of the Department under my charge, I tender my sincere thanks for your cooperation in carrying out the work assigned to you as without this splendid spirit the task of protecting our citizens life and property would indeed be difficult.

To Chief Pratt, Chief of Police his Officers and Patrolmen I extend my thanks for the performance of their duties maintaining traffic conditions, which at such times is a trying situation.

To the heads and members of other Departments, various Committees and to every Citizen who has helped in any way, I also extend my sincere appreciation.

Respectfully,

J. RALPH BACON

Chief of the Fire Department.

Weymouth, Mass., January 12, 1930

To Chief J. Ralph Bacon,
Chief of Fire Department,

Chief Bacon,:

I wish to submit the annual report of the present and future needs of the Fire Alarm Department.

The number of bell alarms sent over the Fire Alarm circuit during the past year, are as follows,

Alarms for fires,	328
Response to Out-of-Town calls,	2
False,	20
Lost child,	2
Total	352

The Department has been gratified by the purchase and installation of a complete new receiving and transmitting apparatus of the latest design, which is an honor to the Town.

The various outside wires are in a very good condition, due to the new construction which added to the cost of maintenance.

Three new Fire Alarm boxes have been added to the system, which brings the total to eighty-one. One replacement has been made, and as there are many of the old boxes that are obsolete, being from thirty-five to forty years of age, I would recommend that these be replaced, a few each year, which will relieve a dangerous condition.

The whistle and equipment formerly on the old quarters, has been removed and placed in operation on the new quarters.

Number one circuit has been divided to allow new boxes to be added in the north section of the Town.

In closing I wish to extend my thanks to those who have cooperated with me during the past year, and to extend an invitation to all who may be interested, to inspect our new quarters and equipment.

Respectfully submitted,

C. F. COOLIDGE

Supt. of Fire Alarm

REPORT OF TREE WARDEN AND MOTH SUPERINTENDENT

To the Honorable Board of Selectmen of the Town of Weymouth.

Gentlemen,

Herein please find my report for the year 1930. I am glad to report the setting out of more than 100 young Norway Maple Trees this last year most of them on Park Avenue East and West where most of the Trees were destroyed in building the new State Highway. We also transplanted 12 Elms from the Hunt School grounds to Academy Avenue. We have taken down dead or other objectionable Trees in the streets, etc., all over Town. I hope to set out many more Trees this year.

Respectfully submitted,

CHARLES L. MERRITT

Tree Warden

To the Honorable Board of Selectmen of the Town of Weymouth.

Gentlemen,

Herein please find my report for the year 1930. Regarding the gypsy and brown tail moths we find very few of the former and absolutely none of the latter. However we have in their stead the Satin Moth which defoliates our poplars and willows. The Maple Cottony Scale which exudes that white substance which with the sap drawn from the tree spreads all over your verandas and everything in reach. This seems to be a hard pest to handle as we sprayed last year with an emulsion prescribed by M. A. C. giving it a good dose with little effect. We cut and burned last year a great many truck loads of the fall tent worms but while we covered most of the streets and some infected sections adjacent there are plenty left for seed this year. But what I fear most is the Elm leaf Beetle as we had in plenty last year not only in this town but practically all over the State many Towns being stripped clean. I hope that any person who sees them in the spring will notify me at once. We must have a new big Sprayer this spring as the Only Sprayer (except orchard) in this department is a Sprayer that has been on this job for Eighteen years. You can see that this is all tall work. Come to Town Meeting and help have it done.

Respectfully submitted,

CHARLES L. MERRITT

Moth Superintendent

REPORT OF THE TOWN COUNSEL

To the Honorable Board of Selectmen:

I submit my annual report as Town Counsel for the year 1930:

The situation in reference to the Town's legal affairs continues each year to be more favorable. As a result of the methods pursued during the past few years the appropriation for 1930 was less than that for the preceding year and my present estimates for 1931 indicate that the appropriation for this year can be still smaller. The reasons for this are twofold. In the first place, by endeavoring to keep in touch from the start with such Town activities as are likely to involve legal questions, I can prevent a situation arising which is likely to involve the Town in litigation, and in the second place, the success the Town has had in its recent litigation discourages unfounded suits. As a result of these two factors, although the Town's legal business is several times what it was twenty years ago, the number of actual trials in court is hardly in excess of what it was at that time.

For this policy to be successful, all Town committees and officials must keep me informed regarding the progress of so much of their work as involves legal questions. Failure to do this in two instances during the past year came near involving the Town in serious and expensive legal difficulties.

LITIGATION

The Town has continued to be successful in its litigation. In the only two cases tried before a jury during the past year, one, a land damage case, resulted in the price of the land being fixed far below what the Selectmen would have been willing to pay in settlement, had the demands of the landowner been more moderate, and in the other, which was brought for the purpose of getting back a deposit made with the Water Department as security, the plaintiff did not succeed in getting to the jury, a verdict being ordered in favor of the Town.

The following suits pending against the Town at the date of my last report have been disposed of:

Alfred J. Jewett et al vs. Inhabitants of Weymouth, Norfolk Superior Court No. 20658. This was a petition for the assessment of damages for the land and buildings of the so-called 'Hawk-Island Club' at Great Pond, taken by eminent domain. The case was settled out of court by the payment of \$3800 for the property taken.

Lars P. Solsness vs. Inhabitants of Weymouth. This was a petition before the Industrial Accident Board for services rendered to a Town employee. There was a hearing before the Industrial Accident Board on March 25, 1930, and the Board rendered a finding that the Town was not liable for the services in question under the Workmen's Compensation Act.

Inhabitants of Weymouth vs. Inhabitants of Easton, Norfolk Superior Court No. 19343 and No. 22009. These were two actions to recover for the support of a person receiving soldier's relief who was claimed to have a settlement in Easton and was settled by a payment to Weymouth of \$680.00.

Alice P. Jewell vs. Inhabitants of Weymouth, Norfolk Superior Court No. 19934. This was a petition for assessment of damages for the meadow taken opposite the high school by eminent domain, tried before Mr. Justice Hammond and a jury in the Superior Court at Dedham on November 18 to 26, 1930, and the jury returned a verdict assessing the value of the property at \$3000 instead of the \$20000 claimed by the petitioner. This verdict was \$10,500 less than the lowest offer of settlement made by the petitioner, so that the expense of the trial was amply repaid to the Town.

Henry S. Moody, Trustee vs. Inhabitants of Weymouth, Suffolk Superior Court, No. 198254. This was an action to recover a deposit given the Town for the security for the installation of water mains in private ways. This case was tried before Mr. Justice Donahue and a jury and at the close of the evidence the Judge ordered a verdict in favor of the Town. The plaintiff has filed exceptions and the case is now on its way to the Supreme Court.

Fannie A. Sternberg, Conservator vs. Inhabitants of Weymouth, Norfolk Superior Court No. 20203. This was a petition to assess damages for the taking of land at Great Pond. A settlement was agreed upon between the petitioner and the Town but by reason of the petitioner being a conservator it was felt desirable for the Town's protection to have a verdict taken and accordingly one was taken in the amount of the damages agreed upon between the petitioner and the Town, namely \$2700.

The following cases brought since my last report have been disposed of:

Bradford Alexander vs. Inhabitants of Weymouth, two petitions before the Industrial Accident Board to recover for board and care of Fred W. Baldwin, an employee of the Tree and Gypsy Moth Department, who was injured while on his duties. The Town authorities felt that inasmuch as Mr. Baldwin was an old and faithful employee of the Town and his being boarded at Mr. Alexander's saved the Town money, as otherwise he would have been obliged to remain in the hospital at greatly increased expense, this claim should be paid. The Town, however, could not legally pay such a claim except by order of the Industrial Accident Board and merely stated the facts to the Board.

Louise Luciano vs. Inhabitants of Weymouth, District Court of East Norfolk, No. 26281. This was an action for an injury received by a child by stepping into a hole caused by a washout in Middle Street. The amount asked was very moderate and the Selectmen were very willing to settle it, but by reason of the plaintiff being a minor the form of a suit had to be gone through in order to protect the Town in making the settlement. The case was settled by the payment of \$7, plus a \$9 doctor's bill.

Frank Willis Holbrook, Collector of Taxes vs. Emily S. Brown, District Court of East Norfolk. This was a suit brought to collect an excise tax due from the defendant. An attachment by trustee process was made and a satisfactory settlement agreed upon by the defendant, so the case was not entered.

Alan L. Wingate, Trustee vs. Inhabitants of Weymouth, Norfolk Superior Court, No. 22693. This was a petition for the assessment

of damages caused by taking a large tract of land on Thicket Street. The case was settled out of court by payment of \$5500.

City of Worcester vs Town of Weymouth, Worcester Superior Court, No. 43,364. This was an action of contract to recover for the hospital bill of a poor person having legal settlement in the Town of Weymouth and as the Town appeared liable the matter was settled by payment of the amount of \$128.50.

The following cases have been brought since the date of my last report and are still pending:

William H. Morrison vs. H. Franklin Perry, et al, Supreme Judicial Court, No. 675. This is a petition for a writ of certiorari to reverse the decision of the Selectmen in granting a license to the Standard Oil Company to maintain oil tanks at North Weymouth, and a hearing is assigned for February 10, 1931.

Smith & Lovett Co. vs. J. J. Gallagher Construction Company & Trs., Suffolk Superior Court, in Equity. This is a bill in equity to reach and apply payment on an alleged debt the money due from the Town of Weymouth on the Ward 2 Fire Engine House. The injunction issued in the case properly safeguards the rights of the Town and it is expected that the matter will be disposed of so far as the Town is concerned very shortly.

A. Wesley Sampson, Collector of Taxes vs U. S. Trucking Co., Municipal Court of the City of Boston, No. 143,686. This is a suit to collect an excise tax due from the defendant. Unfortunately, the defendant went into bankruptcy so as yet there have been no collections.

Philip A. Rich, Jr. p. p. a. vs. Inhabitants of Weymouth, Norfolk Superior Court, No. 23158 This is an action brought to recover for injuries alleged to have been caused by negligence of an employee of the Town

Percy S. Yerxa vs. Inhabitants of Weymouth, Norfolk Superior Court, No. 22570. This is a petition for the assessments of damages for land taken in the vicinity of Great Pond.

Inhabitants of Weymouth vs. Catherine H. Mathewson et al and 111.4 Acres of Land, Norfolk Superior Court, No. 23249. This is a suit brought by order of the Special Town Meeting under Chapter 80A of the General Laws to fix the value of land near Weymouth Heights in case the Town should decide to take it. It is expected that the price will be finally fixed before the date of the Town Meeting.

Selectmen of Weymouth, Petitioners vs. Eastern Massachusetts Street Railway. This is a petition before the Public Utilities Commission brought for the confirmation of an order of the Selectmen for the removal of the cartracks in accordance with the vote of the Town under Article 42 of the warrant for the Annual Town Meeting in 1930. Hearings were had before the Commission September 17 and 24, but no decision has been rendered.

Philip J. Kane vs. Inhabitants of Weymouth, Norfolk Superior Court, No. 23674. This is a petition for the assessment of damages for land taken in the vicinity of Great Pond.

Stella M. Costanzo vs. Inhabitants of Weymouth, Norfolk Superior Court, No. 23281. This is a suit brought for an injury alleged

to have been received by the plaintiff stepping into a depression on Broad Street.

City of Worcester vs. Town of Weymouth, Worcester Superior Court No. 44,769. This is an action of contract to recover for the hospital bill of a poor person having alleged legal settlement in the Town of Weymouth.

The following cases which were pending at the date of my last report are still pending:

Inhabitants of Weymouth vs. Inhabitants of Braintree, Norfolk Superior Court, No. 22163. This is an action to recover for support of a family receiving poor relief who are alleged to have a legal settlement in Braintree.

Neil W. Hall vs. Inhabitants of Weymouth, Norfolk Superior Court, No. 16470.

Rose Fay vs. Inhabitants of Weymouth, Norfolk Superior Court, No. 16469. These are actions of tort under the Highway Act for an alleged defect on Forest Street.

Alonzo B. Aldrich vs. Inhabitants of Weymouth, Norfolk Superior Court, No. 17904. This is an action of tort under the Highway Act growing out of an alleged defect on Columbian Street.

William S. Youngman, State Treasurer vs. Inhabitants of Weymouth, Suffolk Superior Court, No. 195659. This is an action for the support of an inmate of the Lakeview Sanitorium who was alleged to have settlement in Weymouth.

LAW LIBRARY

In addition to keeping up to date the statutes and reports in the library, I had an opportunity during the year to purchase for the Town a set of the decisions of the U. S. Supreme Court at an almost unprecedentedly low figure. The number of questions arising in the Town Government regarding veterans' relief, the exercise of the the police power, and the 14th and 18th amendments is increasing so rapidly that I felt the Town could not afford to neglect this unusual opportunity and accordingly purchased the set of reports and the Digest. Our set of Massachusetts statutes is one of the most complete in the State and has proved its value in cases which have arisen during the year. There is no occasion for the Town having a general law library and I have accordingly limited the books strictly to such as are needed in the Town's business. For these purposes the library is sufficient and up to date and is a distinct convenience to Town Officials and committees in the conduct of their business.

The library now has a complete set of pictures of former Town Counsels which have been presented to the Town for hanging in the library and the thanks of the Town are due the donors for their gifts.

Respectfully submitted

FREDERIC GILBERT BAUER

Town Counsel

REPORT OF THE POLICE DEPARTMENT

To the Honorable Board of Selectmen of the Town of Weymouth,

Gentlemen:

I herewith submit the annual report of the services rendered by the Police Department for the year ending December 31, 1930.

CAUSES FOR ARRESTS

Crimes against the person:

Assault and Battery	37
Assault with dangerous weapon	1
Assault on police officer	2
Manslaughter	1
Threats	2
Robbery	2
Rape	2
	<hr/>

Ambulance calls, 101	
Dogs killed, 57	
Messages delivered, 42	
Fires reported, 10	
Fines imposed in lower court, \$13,192.00	
Fines imposed in Superior court, \$650.00	
Property recovered, \$5193.00	

I wish to thank the Honorable Board for their assistance they have given and to all members of the department.

Respectfully submitted.

ARTHUR H. PRATT

Chief of Police

Weymouth Mass., January 12, 1931

SIGNAL SYSTEM AND TRAFFIC LIGHTS

To Chief Arthur H. Pratt,
Chief of Police Department,

The following report is submitted by the Supt. of Police signal system and traffic lights.

Owing to the fact that the outside lines are practically new we have had very little trouble, and these lines are in very good condition.

There has been minor trouble of various nature which must be expected, but these were easily remedied.

As to traffic lights, the maintenance cost has been mostly in the replacement of lamps, of which we used 150 during the year.

Respectfully submitted,

C. F. COOLIDGE

Supt. of police signal and traffic lights

REPORT OF THE REGISTRARS OF VOTERS

To the Honorable Board of Selectmen of the Town of Weymouth,

Gentlemen

The Board of Registrars of Voters respectfully submit the following report:

The total number of registered voters at the close of registration, October 15, 1930.

INFORMATION

Hours: Main Library: 9 A. M. to 9 P. M. daily. Children's Room: 2:30 to 6 P. M. daily; Saturday 9 A. M. to 6 P. M.

Summer hours; July and August, 9 A. M. to 6 P. M. Saturday 9 A. M. to 9 P. M.

Branches: 2 to 5 and 7 to 8 P. M. daily, except Wednesday.

The Library and the branches are not open Sundays, legal holidays, nor the 17th of June.

The library is for the use of all the residents of Weymouth. Temporary residents are entitled to the same privileges as permanent residents.

Each card issued to an adult entitles the holder to one book of recent fiction (a book published within the last year), one current periodical, and any reasonable number of other books.

Children under Senior High School age are entitled to a card if the application is signed by a parent or guardian. Cards issued to children entitle the holders to two books, only one of which may be fiction.

All books from the circulating department, except the new fiction, may be kept for fourteen days. At the request of the borrower any book not in popular demand will be charged for one month, subject to recall after two weeks if requested by other borrowers. Fiction published within the last calendar year, and recent numbers of magazines are limited to seven days with no renewal privilege.

The vacation privilege allows a borrower to take books which are not recent publications for an extended time.

A book cannot be transferred from one card to another, but any fourteen day book may be renewed at the library, by mail, or by *telephone, unless another borrower has asked to have the book reserved. The date due, the author and title of the book, and the borrower's name should be stated when the request for renewal is made.

Any fourteen day book will be reserved at the request of a borrower, who will be notified as soon as the book is available

A fine of two cents a day will be incurred for each day's detention of a book after it is due. When a book is sent for by the librarian it will be at the expense of the borrower.

Cases of contagious diseases are reported to the library by the Board of Health, and all books which have been exposed to contagion are burned.

For the convenience of residents living in different parts of the town, books are exchanged through the delivery stations once a week as follows:

Lovell's Corner	W. B. Chalke & Sons	Tuesday
South Weymouth	Fogg Memorial Library	Tuesday
South Weymouth	Alfred S. Tirrell	Tuesday
East Weymouth	East Weymouth Branch	Thursday
North Weymouth	North Weymouth Branch	Friday
Weymouth Heights	Community Club House	Friday

Application for borrowers' cards may be made at the Delivery Stations as well as at the library and branches.

The library publishes a bulletin of new books several times during the year. This will be distributed through the library and its agencies, and sent to any resident upon request.

* Telephone, Weymouth 1309-M

THE TUFTS LIBRARY

FIFTY-SECOND ANNUAL REPORT

The annual report of the Tufts Library for the year 1930 is herewith respectfully submitted:

The past year has been one of steady growth in the work of the library, and of enlargement of the facilities both at the Main Library and at the East Weymouth Branch. It has been the busiest year in the history of the library. The most outstanding event has been the renovation of what has formerly been a drug store on the first floor of the main building, and its incorporation into the library. The whole building is now used for library purposes, and the children's department is no longer dark and crowded. The large sunny room is proving its value in its increased use, for that department alone has had a gain in circulation during the past year of 3,023. The square room which opens off the children's room is, as yet unfurnished, but is constantly utilized, and is very valuable for story hours and for adult group gatherings of a civic or educational nature. The Weymouth Historical Society held one meeting in this room, a Mother's Club was organized there, and the Literary Committee of the Monday Club met there during "Good Book Week" to study and examine some of the best of the children's books. The use of the room will increase steadily as the library is able to gradually provide it with shelving for the storage of books.

The East Weymouth Branch has doubled its floor space, and presents a much more pleasing appearance, as well as providing more adequate quarters for the work of the branch. There is space

now where those who wish to read or study quietly may have the opportunity to do so, and where the children may have their own corner and their own table. The circulation of the branch had fallen off somewhat, probably due to the cramped conditons. but since this change was made it has been again increasing.

Throughout the system as a whole there has been a large increase in circulation during the year. The adult department of the Main Library has circulated 60,985 books, the children's room 21,874, and the North and East Weymouth Branches 29,022 and 37,896 respectively. This totals 149,777, an increase of 14,761 over the previous year. We are glad to note that the circulation of children's books is markedly increasing and that more library books are being used in the elementary schools. Another encouraging indication is the larger circulation of adult non-fiction. The new and more readable non-fiction is finding its way more and more into the hands of interested borrowers.

Nineteen hundred and thirty was the tercentenary year of the founding of the Massachusetts Bay Colony, and Weymouth as the second oldest town in the State has held a position of interest and importance. The Tufts Library cooperated with the Weymouth Historical Society in the gathering of material for Weymouth's celebration in September. From June to November various tercentenary material was on exhibit at the library. There have been displays of books bearing on the subject; a few rare treasures shown under glass; and pictures of local interest and of colonial days were posted. Through the cooperation of the Weymouth Historical Society the corner display windows of the children's room held a representation of a New England kitchen of colonial days. This attracted much attention and interest, and was of considerable educational value to the boys and girls.

There have been two changes in the personel of the staff during the year. In September Miss Gertrude Simons left to be married, and her place was taken by Mrs. Frank C. Smith. Mrs. Smith has had library training at Simmons College, and experience in the public library at Harrisburg, Pennsylvania. She and her husband are making their home in Weymouth. Mrs. Edwin Senior, who has for a number of years given part time service to the library, has had to give up this work because of ill health, and Mrs. Wilbur Truax of East Weymouth has been secured in her place.

In addition to the changes in the building mentioned earlier in this report, considerable has been done during the past year for the up-keep of the library property. The tile entrance to the children's room, which sloped toward the building and allowed water to dampen the sills, has been relaid; the outside trim of the building has been painted; some small repairs made on the roof; and the plumbing has been over-hauled and some of the old fixtures replaced. New awnings and some new screens were purchased, making the library more comfortable on hot summer days.

Some additional shelving has been purchased for the first floor of the Main Library, and one section of shelving and a display rack for the North Weymouth Branch. Two new tables, one for the

children and one for the adults, and a small desk have been added to the library equipment.

The library is again indebted to the Literary Committee of the Monday Club for their generous assistance in the reviewing of books for the library shelves. 12,281 new titles were put into the library during 1930, and many of these books passed through the hands of the members of the Monday Club Literary Committee. This is a very real service and is much appreciated.

Two years ago, when the children's room was first opened, it was beautified by a generous gift of pictures from the Rev. John B. Holland. During the past year Father Holland has given five more pictures, which are now hung on the first floor of the library. These add greatly to the attractiveness of the children's department.

The Tufts Library has received as a gift from the Weymouth Historical Society a duplicate copy of a map of Weymouth dated 1853, and from the Selectmen of the town a copy of the new map of Weymouth. Of especial interest, because of the tercentenary celebration, is a gift from Mr. Robert W. Lull of Newburyport, Massachusetts, of the original copy of a letter of recommendation given to Mr. James Humphrey, 3rd, of Weymouth, in 1789.

The trustees wish to thank the many kind neighbors and friends who have made gifts of flowers from their gardens during the summer months. These have helped very much to make the library attractive, and are appreciated by both the staff and the patrons of the library.

Books have been presented to the Tufts Library during 1930 by a number of individuals, totaling 76 volumes, and the trustees wish to express their grateful acknowledgement of these gifts. Twenty-three large travel posters, most of which are in color, were sent to the library by various railway and steamship companies, and were on exhibit during the early summer with an attractive display of travel books. The trustees wish to express their appreciation of this gift, and also of the many bulletins and reports received from other libraries.

Partly because of an enforced leisure due to industrial depression, many people are turning to books for diversion and information, and the use of public libraries is everywhere greatly increased. As the Tufts Library begins a new year, it feels the challenge of an opportunity for larger service at a time when economic conditions heighten the value of such service.

Respectfully submitted,

C. P. WHITTLE

Chairman

By order and in behalf of the Trustees

SUPERINTENDENT OF SCHOOLS

PARKER T. PEARSON
 590 North Street, East Weymouth Wey. 0520
 Office Weymouth High School, East Weymouth, Wey. 1460
 Office Hours: At High School. Daily 9:00 to 9:30 A. M. 3:30 to 4:30 P. M.
 HELEN G. TONRY, Secretary
 79 Chard Street, East Weymouth.

SCHOOL CALENDAR 1930-1931

Fall Term: Opens September 3, Closes December 19
 Winter Term: Opens December 29, Closes February 20, Opens March 2, Closes April 24.
 Spring Term: Opens May 4, Closes June 18.
 Holidays: Columbus Day, Armistice Day, Thanksgiving and the day following, New Year's, Good Friday and Patriots' Day.

NO SCHOOL SIGNAL

2-2-2—2-2-2

At 7:30 A. M., No session in any school during the morning.
 At 8:00 A. M., No session in grades 1 to IV, inclusive, during the morning.
 At 11:45 A. M., No session in grades 1 to IV, inclusive, during the afternoon.
 At 12:45 P. M., No session in any grade during the afternoon.

GENERAL ANNOUNCEMENTS

MEETINGS OF THE COMMITTEE

Regular meetings of the School Committee are held the first Tuesday of each month at the High School Building at 7:30 P. M.

ENTRANCE AGE

No child shall be admitted to school in September unless he has reached the age of five on or before the first day of April preceding. Children entering for the first time will be admitted only during the first two weeks of school.

BIRTH CERTIFICATES

A birth certificate is required for entrance to the first grade

VACCINATION

No child shall be allowed to enter the first grade without a certificate of successful vaccination.

Quotation from State Law, Chapter 76, Section 15: "An unvaccinated child shall not be admitted to a public school except upon presentation of a certificate like the physician's certificate required by Section 183 of Chapter III."

EMPLOYMENT CERTIFICATES

No child between the ages of fourteen and sixteen shall be allowed to leave school until a signed promise of employment card has been presented to the principal of the building in which he is attending school. Employment certificates are issued by Mr. Charles Y. Berry, at the Hunt School, Weymouth, every week day except Saturday, between the hours of nine and twelve.

REPORT OF THE SCHOOL COMMITTEE

To the Citizens of Weymouth:

During the past ten years average membership in the public schools has increased from 2607 for the year ending in June, 1920, to 4060 for the year ending in June, 1930. Of the former number 303 were assignable to the High School and of the latter number 969. On November 21, 1930, the actual membership in all the schools numbered 4401. Of this number 1098 could be assigned to the High and Vocational Schools. For the year 1910 average membership for all the schools was 2170, and of this number the High School claimed 268.

Within the past twenty years, therefore, school attendance has practically doubled, and High School attendance has quadrupled. During all this time the Town has made adequate provision in the way of new or enlarged school buildings as they became needed, but at no time has any school building program been much more than sufficient to supply needs for the immediate future.

At present there are but four unused school rooms in town; two in the Lincoln School at Weymouth Landing, both of which will be needed in September, and two in the Athens School. The constantly increasing attendance at the High School will shortly require the taking up of Junior High School work at both the Hunt and Bicknell Schools, which are designed and adapted for such purposes, but in order that this may be done room must be found elsewhere for numbers of children in the lower grades.

The next new school building should be located at or near Weymouth Heights, where the two rooms of the Adams School are insufficient for the considerable number of smaller children who live within a mile therefrom. Land is available near the Adams School for the erection of a new building, and we recommend that it be secured and a six-room building be placed thereon.

We also recommend that additional land be secured near the center of the town, in which neighborhood a school larger than the portable now being used will soon be needed.

With the erection of two school buildings in the above mentioned localities there would then be but few elementary pupils living more than one mile from school, and these would mostly be resident in South Weymouth near the southern end of Union Street.

The several buildings were never in such good physical condition as now, and during the last few years a great deal of work in the improvement of grounds has been done. The kind of outside work done last summer and fall at the Hunt School is most suitable for all school grounds, and it is hoped that more of a like kind may be done in the future. The absence of mud in the school yard directly leads to better conditions within the school building.

Lunch room facilities at the High School are inadequate for the very large proportion of the more than 1400 boys, girls and teachers who regularly use the same. It would be better, and safer,

if the entire lunch room could be located outside of the school building. Plans for a suitable lunch room have been developed by the school, and plans have also been made for the reconstruction in the old central portion of the High School of stairways from basement to third story of completely fireproof nature, with entrances at side walk level.

School playgrounds, as distinguished from school yards, are every year becoming more important as the population increases and back yards become smaller and fewer. It will be a matter of several years before we can expect to see completely finished and adequate playgrounds in all parts of town.

The playground directly appurtenant to the High School, Legion Memorial Field, may well be used during the coming year. The quarter mile cinder track, with a 220 yard straightaway, and the customary places provided for jumping, is ready for the opening of the outdoor season. The seeded area within the oval should be ready for football in the fall. The baseball field was laid out and graded last summer during an extremely dry season, completing work that had been started the year before. The only troublesome settlement that has occurred in the whole field can be noticed centering at or about the location of second base, where the ground has lost the crown originally given. A moderate amount of filling graded from a suitable crown, should remedy the defect. Otherwise, the drainage of the field is and has been functioning properly. It was hoped last year that tennis courts might then be built in the places allowed for same, but it was not possible under the conditions to do all the work tentatively laid out. We recommend that provision be made for suitable amount of work for the coming year.

The report of the Superintendent, and the supplementary reports of the several department heads will give further details of school progress and conditions.

Mr. Fred O. Stevens joins with this Committee insofar as the report pertains to the work on Legion Memorial Field.

A summary of expenditures for the past year and estimates for the coming year follows.

	Expenditures	Estimates
	1930	1931
Superintendent	\$ 5,000.00	\$ 5,000.00
Other General Salaries	2,103.50	2,150.00
Other General Expense	1,708.99	1,800.00
Teachers' Salaries	243,272.64	271,000.00

REPORT OF THE SUPERINTENDENT OF SCHOOLS

Members of the School Committee:

I take pleasure in presenting to you my twenty-second report, the forty-fifth in the series of annual reports of superintendents of this town. Included are the reports of the principal of the High School and the head of the Vocational School, to which I call especial attention, also the reports of the special teachers and nurses, who have given a complete summary of their work for the year.

SCHOOL ACCOMMODATIONS

A careful study of census and attendance figures for the last few years shows that we are making a steady and consistent growth in our school population. This has necessitated and will necessitate a corresponding increase in the number of school rooms. Since 1924 there have been built for replacement and new growth eighty-three classrooms, an average of nearly twelve a year. Eight of the rooms have been finished during the present year, twelve during the previous year, and thirty-one during 1928. Notwithstanding the extensive building program, we have no more than provided for the increase in the number of children. The four extra rooms that we now have will be needed soon in the districts where they are situated. These rooms do not provide for the crowded conditions in the Weymouth Heights and Center Portable areas, both of which are in pressing need of better facilities.

The growth in all parts of the town is seriously taxing the school plant. Provisions should be made for needs as they arise, since there is no indication that the present growth will not continue. We had actually attending school in November 4401 pupils, with a total enrollment of more than 4500 pupils since the opening of School in September. Even at the High School a serious condition will exist in the fall, owing to the fact that there is every prospect of an attendance of two hundred more pupils than the school now enrolls.

It would be wise for the town to erect buildings as they are needed and not to allow an accumulation of construction to burden the town in any one year. Either or both of the buildings mentioned should be constructed during the coming year. One building would simply take care of the regular increase. Two buildings would make it easier to provide for other sections as their needs may appear.

CONDITIONS OF EMPLOYMENT

Those who are at all familiar with school conditions throughout the state will realize that during the last few months there has been much discussion over the question of employing inexperienced teachers in the towns in which they live, and also over the question of employing married women.

It may be well at this time to make a statement of the policy that has been followed in this town for many years. We have tried to be fair in our dealings with the local candidates and have hired practically all who have presented satisfactory credentials. We have always held that those who have done good work in our schools and who have been graduated from normal schools or colleges with creditable rank should receive due consideration and should be placed whenever possible in positions suited to their aptitudes and education. Though this has been the policy of the school department it has not been nor should it be the fixed rule to employ all who desire positions. A diploma is not the only thing that a successful teacher needs. Health, disposition, appearance, energy, tact, courtesy, common sense, all have their weight, and some of these are of more importance for the well being of the child and the comfort of his parents than is the mere educational qualification.

The kind of vacancy also should be considered. It would be manifestly unfair both to the school and to the teacher to assign a candidate of inexperience to a difficult school. The majority of the teachers who are selected have trained during their normal course in our schools. Thus we have a chance to judge of their ability. In addition they are placed on probation for a period of three years, during which time they must prove their ability to teach, their power to discipline, and must show that they have interest enough in their work to improve themselves professionally.

There is one point, however, which the public is apt to forget, namely, that the individual teacher is of far less importance than the thirty-five or forty children under her charge. If she does not show teaching ability, she should be advised to change her occupation. The pupils are more entitled to their natural right of having a strong teacher than a teacher is entitled to secure and hold a position for which she is not qualified.

As to married women:—During the war and in the period directly following there was a great shortage of teachers. In our town married women were in many instances urged to help in order to keep the schools running properly. I believe that these women who have served the town long and faithfully, and who were hired because of our need, should receive the same fair consideration that has always been accorded to other employees of the department. We have, however, restricted the employment of married women and placed them on the basis of temporary teachers, in all cases with a smaller salary than the regular teacher receives, the majority of them being placed in the upper grades in which there is still a shortage of good material. Every year vacancies which occur within the period from September to June are filled with temporary teachers in order that those who will be graduated in June may have a better chance of securing a position.

Last year four teachers resigned and two retired. This year we have lost thirteen. Of this number eight resigned to be married, and the others secured positions elsewhere.

Of the appointees, eight are college graduates, ten are normal school graduates, one has four years of special training, one is a registered nurse, and one trade trained.

Eight new positions have been opened during the year. In addition to the six teachers employed to cover the increase in the number of children, a coach was hired to supervise outdoor activities, both in the High School and elementary grades, and a registered nurse to teach part time in the Day Household Arts course, the balance of her time being devoted to the welfare of the fourteen hundred children in the High School and Junior Annex.

In August we lost through death one of our valuable teachers, Miss Elizabeth S. Hall, of the fourth grade of the Hunt School, Weymouth. Miss Hall joined our teaching force from Contoocook, New Hampshire, twenty years ago. She was a Weymouth resident but had secured her initial experience elsewhere. Although in failing health for a number of years, and even though in weakened physical condition, she performed her duties courageously and well. Her loss will be keenly felt by the community and her associates.

ENTRANCE AGE

A number of years ago a vote was taken by the Committee to allow only those children to enter school who became five years of age on or before the first of April in any given year. Since the vote of the Committee was taken, there has been no deviation from this rule. Every September, however, a large number of parents request that their children, who may be from one day to several months under age, be allowed to enter school, not realizing that it is impossible to make exceptions.

A recent report issued by the State Department of Education shows that in a majority of the cities and towns of the Commonwealth entrance age for children is higher than in Weymouth. The following figures may be of interest as showing the requirement in other cities and towns:

No set age	2	5 yrs. 5 mos.	25
4 yrs. 8 mos.	1	5 yrs. 6 mos.	102
4 yrs. 9 mos.	1	5 yrs. 7 mos.	6
4 yrs. 10 mos.	4	5 yrs. 8 mos.	109
4 yrs. 11 mos.	6	5 yrs. 9 mos.	18
5 yrs	40	5 yrs. 9½ mos.	1
5 yrs. 1 mos.	1	5 yrs. 10 mos.	4
5 yrs. 2 mos.	8	5 yrs. 11 mos.	2
5 yrs. 3 mos.	1	6 yrs	17
5 yrs. 4 mos	7		

The median line for admission in the state is five years and six months.

EVENING PRACTICAL ARTS CLASSES

For several years past, the evening classes have included only dressmaking and cookery. Two dressmaking groups in North Weymouth meet one night a week for a three-hour session and one dressmaking and one cookery group meet two nights a week at the high school for a two-hour session. There has been some discussion among those in the high school, especially in the cookery group, as to the advisability of using a three-hour session to replace the two-hour session plan. Inasmuch as there was some difference of opinion, it seems best to continue the original plan, at least for the remainder of the present year.

The classes have maintained an average membership of 69.7 and an average per cent. of attendance of 83.8. Fifty-nine members completed their courses. It might be here mentioned that the group attending the two-hour sessions had a somewhat higher average of attendance than those having the three-hour session.

The following statistics show the values involved:

DRESSMAKING

Total cost of material	\$913.87
Total value of the product	\$2890.50
Average cost per pupil for material	\$18.46
Average value of product	\$58.39

COOKERY

Total cost of material	\$177.33
Total value of product	\$443.33
Average cost per pupil for material	\$8.78
Average value of product	\$21.95

MAINTENANCE AND REPAIRS

In last year's report need was mentioned of improving the appearance around our school buildings. This need still exists. In addition to the grading which has already been done, much more must be undertaken. We have never used macadam on the school grounds, but this would be desirable at the Washington, the Jefferson, the Athens, and possibly at the Nevin School, on the surface of the playground area. The Bicknell, which has just been completed, needs extensive grading. Part of this can be taken care of from the balance of the building appropriation. The

area which is now used for skating purposes and which is proving unsatisfactory owing to the fact that the ground is of gravelly and porous nature, could be turned into tennis courts. If the surface of these courts were constructed of asphalt cork, which is now recommended for this purpose, the whole area would then be usable both in summer and winter. With such a treatment of the field the problem of flooding would be easier.

1930 REPAIRS

Athens School:	Refinished teachers' room damaged by fire Exterior and interior of building painted Fan and boiler rooms changed New electric fixtures New shades in part of building
James Humphrey School:	Exterior and part of interior painted
Hunt School:	Extensive grading Cement sidewalks Cement curbs Drain pipes
Pratt School:	Old building entirely weatherstripped and partially fitted with metal ceilings and metal walls.
Edward B. Nevin School:	Windows partially weather stripped
High School:	Physical and chemical laboratories entirely reorganized, new cabinets and laboratory desks (constructed in vocational shop) installed. New wardrobes for sixteen rooms in old building Outside grading and landscaping Interior painted

REPAIRS RECOMMENDED FOR 1931

Athens School:	Macadam surface for yard
Jefferson School:	Macadam surface for yard
Washington School:	Macadam surface for yard
Hunt School:	Grading completed Basement in new wing divided for lunches, manual training and sewing. The two rooms now used for lunches and for sewing must be used early in the year for classroom purposes.
	Lincoln piped with steam from Hunt School and interior repairs
Pratt School:	Either have the exterior of old building refinished or have the basements made modern

Shaw School:	New bubblers in sink Grounds regraded
Edward B. Nevin School:	Playground resurfaced
Pond School:	Exterior painted
High School:	In a building of this size a certain amount of painting must be done each year in order that the burden may not be too heavy in any single year. Fire wells (for safety of children) and new entrances in old building. New lunch room

	<hr/>	<hr/>	<hr/>	<hr/>

Attention is directed to a new law which went into effect August 25, 1930, providing for an additional census of crippled children and for home instruction.

General Laws—Chapter 71—Section 46 A, as amended by Acts of 1930, Chapter 368.

“The school committee of every town shall annually ascertain, under regulations prescribed by the department and the commissioner of public welfare, the number of children of school age and resident therein who are crippled. In any town where, at the beginning of any school year, there are five or more children so crippled as to make attendance at school not feasible, and who are not otherwise provided for, the school committee shall, and in any town where there are less than five may, employ a teacher or teachers on full or part time, who shall, with the approval in each case of the department and said commissioner, offer instruction to said children in their homes or at such places and under such conditions as the committee may arrange.”

According to this act the committee will be obliged to hire a teacher for the individual instruction of such pupils immediately. Nine children between the ages of seven and sixteen were not enrolled in any school on October 1st. One of this number has since died. Three were under the doctor's care and three were receiving private instruction.

ATTENDANCE

(For school year ended June 19, 1930)

HIGHEST BUILDING		Per cent.
Jefferson		97.03
HIGHEST ROOMS		
Edward B. Nevin	Grade VIII	98.41
Jefferson	Grade IV	98.26
James Humphrey	Grade III	97.75
James Humphrey	Grade VI	97.71
Junior Annex	Grade VIII	97.45
Jefferson	Grade III	97.44
Junior Annex	Grade VII	97.44
Jefferson	Grade II	97.09
Hunt	Grade VIII	97.07
James Humphrey	Grade V	97.05
James Humphrey	Grade VI	97.00

The attendance has shown a most gratifying improvement during the past school year. In addition to the good records above noted, seventeen rooms in town averaged in excess of 96% and nineteen rooms in excess of 95%, showing a record of better than 95% for practically one-half of the elementary school rooms in town. Much credit is due to the spirit of co-operation existing in this matter of attendance between the parents, pupils, teachers and principals.

EMPLOYMENT CERTIFICATES

The figures given below under the grouping of minors should be considered in light of the fact that they cover the number of different pupils employed in town throughout the year. The number employed at any one time is much less than the total number for the year.

Weymouth Minors between the ages of 14 and 16:

Total number in Town, October 1	809
Total number employed in Town	21
Total Number employed elsewhere	7

Outside Minors between ages of 14 and 16:

Total Number employed in Town	1
-------------------------------	---

On December 31, the actual number of minors employed in town was fourteen. Two others living in this town were employed elsewhere, making a total employed of sixteen Weymouth minors between the ages of fourteen and sixteen.

WEYMOUTH HIGH SCHOOL

(Report of F. W. Hilton, Principal)

In submitting my annual report, I wish again to emphasize the needs of greater care on the part of students and parents in choosing a course suitable for the child. I believe that the teacher who has last been in contact with the child is most capable of giving good advice in the matter of the choice of a suitable course in the high school. We find our largest number of failures occur in the earlier part of the freshman year. This may be owing in part to the newness of surroundings and the fact that the child comes into contact with a large number of different teachers, and probably receives less individual consideration. We often-times find that pupils who have small scholastic ability and poor application choose college preparatory work which demands a fair foundation and strict application to business. Having chosen such a course, the student must pursue the subjects a reasonable length of time before the new teachers are capable of judging his ability; and thus he finds it too late to go into other classes and catch up without losing a year's schooling. About the best thing for us to do in such cases is to reduce the number of subjects and allow the students to continue these throughout the freshman year.

We are at present using twenty-nine home rooms, besides are sufficient to meet the needs and demands of the various entering students.

Our enrollment, which in 1920 amounted to less than 400, has steadily increased until during the present year we have enrolled a total of 1030. While the people of the town express considerable surprise at our growth, I find that it is a general truth throughout the United States that the high school population has increased on an average of 14 times as fast as the population of the towns.

We are at present using twenty-nine home rooms, besides the special rooms for science, physical education, sewing, cooking, drawing, office practice, and typewriting. The seating capacity of

our home rooms is 1099. With a new freshman class numbering between 300 and 400, and with a graduating class of about 150, it is quite evident that it will be difficult for us to carry on with the same home room seating capacity.

In addition to the senior high school, our building is accommodating 217 junior high students and 30 students in the opportunity classes. Two rooms are now used for the opportunity group, and eleven for the junior high group. These, with the addition of 115 trade students, make a grand total of 1392. This should give the average citizen an idea that the building is being used to its full capacity.

The classification of students in the senior high school is as follows:—

By Courses:

	Freshmen	Sophomores	Juniors	Seniors	Post Grad	Total
Classical	105	68	54	40		267
Technical	44	26	21	16	1	108
Business	180	171	90	70	2	513
General	17	24	8	12		61
Agricultural	7	7	8	3		25
Practical Arts	24	12	13	7		56

By Sex:

	Boys	Girls	Total
Freshmen	166	211	377
Sophomores	126	182	308
Juniors	79	115	194
Seniors	43	105	148
Post Graduates	1	2	3

Sources of Students in Freshman Class:

	Total
Athens	34
Bicknell	37
Junior Annex	112
Hunt	51
Nevin	47
Pratt	20
Shaw	9
Other Schools	39
Repeaters	28

The regular routine of the school has gone on with very little friction, and the attitude of the students and the teachers throughout the year has been most satisfactory. We were very sorry to lose John Griffin, who has been one of our most helpful teachers for several years past, but wish him all success in his larger field of endeavor in the Boston Schools. Miss Mayer has returned after a year of teaching in France, and Miss Canning has been granted a year's absence for similiar work. Many of the teachers have taken professional improvement courses, and all have shown a progressive spirit. We have every reason to feel that they are a credit to their profession.

We have with us as usual the ever present difficulty of rousing the poorer students to maintain a reasonable standard of efficiency, and find that many cases of failure might be corrected by regularity of attendance, and regularity of home study. These two important factors must be dealt with largely through the aid of parents, and I am sure that any effort in cooperation will be appreciated. With four and sometimes five periods out of a possible six occupied by recitations, any parent has a right to assume that a child should be doing a reasonable amount of home study, and unless this is done regularly, a student should expect to fail.

The addition of an athletic director for the town is a step in the right direction in stimulating interest in sports, and I believe that in a few years the results will be very much worth while. Each freshman class is given a thorough physical examination in order to determine their fitness for gymnasium work and athletic sports in general. Large numbers are participating in inter-class sports, and we feel that the physical well-being of the students is well cared for. We have recently secured the services of a school nurse, who is looking after individual cases both in school and in the home. I would suggest that some arrangement should be made whereby a doctor would be present at all football games, in order to give first aid in case of accident. While these innovations may at first appear expensive, we feel sure that the health and physical well-being of the student is fully as important as a well-trained mind.

In addition to the usual choral work, much improvement is being made by individual attention, in musical instruments by Mr. Calderwood, and in vocal training by Mr. Munroe. This is bound to make itself felt by marked improvement in our band, orchestra, and choruses.

I wish to give special mention to our school paper, which is supervised by Mr. Brown, and printed by our school press. It has already twice received a meritorious award from the judging board of school papers in this district.

Our library is supplying a long felt need, and at present numbers approximately 2000 volumes. We are taking twenty-five magazines, two daily newspapers, and one weekly. We have increased our facilities by adding 426 new books since January 1, 1930. I believe the state requirements suggest that we need approximately 4000 volumes in a school of this size, and we hope in time to attain this objective. Special effort is made to teach entering classes how to use the library, time being devoted to classroom work in this subject by the librarian. While we appreciate the value of reading, we hope parents will not allow students to use too much time in reading fiction. Emphasis on this kind of reading is apt to increase the need for excitement, and destroy the taste for more serious work in subjects which lack this factor.

It is the duty of the school and the teaching staff to do all in its power to aid students in their effort to obtain an education, and I trust that both students and parents will be free to make known any difficulties which may arise. I am sure that only through co-operation shall we get the best results.

The following awards were given for excellence in scholarship:

Monday Club	Alice Emilia Olson
Weymouth Teacher's Association	Dorothy Louise Bryer Mary DiLorenzo Ruth Bella Reed
Weymouth High School Alumni Association	Ruth Bella Reed
Weymouth Catholic Club	Mary DiLorenzo
Medal for Meritorious Progress (Gift of Class of 1921)	John Russell Tower
Washington and Franklin Medal (For excellence in American History)	Mary DiLorenzo

In closing, allow me to thank you and your committee for your helpful attitude and loyal support.

VOCATIONAL SCHOOL

Report of Francis E. Whipple, Jr., Director

Under present-day conditions, employers are becoming more and more unwilling to train young workers to enter their shops, and logically turn to that agency which is charged with the duty of preparing boys and girls for life-- the public school. They are demanding that the school prepare those students who are not interested in a college course definitely for some useful occupation. This is the purpose of the Weymouth Vocational School. Here we take boys who are mechanically inclined and who have decided that they will follow a skilled trade for their livelihood and equip them, under expert supervision, with sufficient real, practical training to enable them to enter their trade with the standing of advanced apprentices.

Employers realize the value of this training in their work and their approval of the work of the school is shown by the way graduates are absorbed. This year, admittedly a poor one for employment conditions, more than 80% of the graduates entered the trade for which they were trained. In the Automobile and Shoemaking courses all the boys entered these trades.

SOURCES OF STUDENTS

It has always been known that pupils enter the Vocational school from several different grades in school, but just what that range was has not been so well known. From the records it appears that only 69% enter from the eighth grade. The balance of 31% is made up of those who have attended high school for one, two or three years, divided as follows: freshman class, 23%; sophomore class, 6%; and the junior class, 2%.

Of course, the reasons behind the change of course are often obscure. Perhaps the one most often expressed is that the boy's

first choice was made without giving sufficient consideration to all sides of the matter. It is surprising to see how many children are influenced in choice of course by the fact that some friend is going to take the same one.

Another reason may be that at fourteen the boy is not in a position to say definitely what vocation he will follow and so choose a course of general application. In a year or two plans crystallize and his application for trade work follows. The answer to this condition may be the so-called 6-3-3 plan with the students admitted after completing the ninth grade.

With some students achievement is the determining factor. Everyone likes to be successful in what he does and if he falls below the standard, he will turn to something else with more promise for him. On the reason behind it all depends his success in trade work. If the right mental equipment is not present his failure will be just as complete. If he is simply uninterested, then his awakening may be astonishing in its completeness.

TOTAL ENROLLMENT 1930-1931

Department	I	II	III	Total
Automobile Repair	21	8	11	40
Carpentry	8	9	11	28
Printing	9	3	8	20
Shoemaking	7	11	9	27
Total	45	31	39	115

The enrollment for the present school year stands at approximately the same figure as last year as far as the total is concerned, but there seems to be a continued trend toward Automobile Repair in the elections of the freshman class. Twenty-one boys were admitted to this course. If all who applied were admitted there would be thirty-five in the freshman class. Seven of the difference were placed on the waiting list, four took other trade courses and four took high school courses. The reason for this trend may be that automobiles are in universal use and hence the large number of garages and service stations which offer ready opportunity for employment. The lower maximum wage scale in this trade does not seem to have much retarding effect on the boy's choice of course however. In all trades taught here there is ample, if not readily apparent, opportunity for employment for the young man who shows intelligence and initiative and at higher ultimate wage scales.

DEPARTMENTAL ACTIVITIES

In the Carpentry department there has been some out-door construction done together with a wide range of very good cabinet work. This included completion of a new toilet at the Vocational School; complete rebuilding and refurnishing the chemical and physical laboratories at the High School, with new lockers tables and cabinets; wardrobe lockers for the old part of the High School with sliding doors; building and installing all of the scenery used in plays and operetta conducted by the High School.

In the Automobile department some of the difficulties created by the large numbers applying for admission have been solved by the addition of a new instructor, but working space is still a very pressing problem. In the shop there is room for only seven cars during working time and with the present enrollment it is necessary to have twenty boys in the shop at one time, putting three boys on a car. It is obvious that cramping the class in this way not only prevents teachers and students from doing their best work but also increases the danger of accidents to boys. The only solution is a larger and better designed shop for this group.

The Printing department continues to function in a commendable fashion and the enrollment remains at about the same figure as last year. The work done by the boys in the shop is always of a high quality and reflects a good deal of credit on the whole school.

The Shoemaking School, has, of course, suffered to some extent from the present employment situation and we have not tried to operate at maximum capacity. While the students have not been working on full time, yet there has been a satisfactory amount for them, and even now the boys are working more and more days at the factory. Undoubtedly this experiment in trade training is proving to be a success and will remain a permanent part of the Weymouth School System.

NEW FEATURES

Two new features which tend to keep the school before the public and to arouse enthusiasm among the students were introduced this year.

The first was an exhibition held in March. The program began in the hall with musical selections by the entire school and a short talk by an authority on vocational education. Following these exercises the shops and classrooms were open for inspection. It is estimated that more than 300 people attended during the evening. Everyone seemed to be impressed with the excellence of the work being done in all the shops and the very fine spirit shown by the students. A new catalog of information concerning the school was distributed and gave a great many people a tangible memento of the occasion. This exhibition was such a success that it is planned to make it an annual event.

The second feature was special athletics for vocational school students. A league was formed among similar schools in Eastern Massachusetts including Quincy, Everett, Somerville, Haverhill and Lowell. During January and February basketball games were played with each of these schools with a trophy offered for the team winning the most games. Weymouth, although never having had regularly organized sports, played some very fast and exciting games, and won third place, headed only by Haverhill and Lowell. Baseball was played in the late spring with teams from the league but without league sponsorship. The vocational school had a very strong team and won all but two of the games played.

In the fall a regular football team was not attempted because of the expense involved, but many of the boys were members of the

high school football team and assisted materially in the season's success. Arrangements were made so that they might be excused from class for practice.

A large part of the success of our athletics was due to members of the faculty who, often at great inconvenience to themselves, donated their time and automobiles to transport the teams to and from the various games.

IMPROVEMENT IN COURSES OF STUDY

During the past year much attention has been paid to improving the content of the courses in related and academic subjects. A new series of textbooks for first year classes in English has been introduced and the whole course in English has been thoroughly gone over and revised to meet the needs of the students. Science particularly in the Senior year, has become specialized and is distinctly related to the boy's trade. The different courses in Mathematics are being continually checked for better subject matter and ways of handling so that it will become a useful tool to the student. The objective in mind is to make all the courses of practical use in the boy's trade and to have them in a form that he will be able to use.

The past year has been a very pleasant one with a very helpful attitude displayed by all who have been connected with the school and its work.

AGRICULTURE

(Report of Hilmer S. Nelson, Agricultural Instructor
in charge of the Weymouth Branch of the
Norfolk County Agricultural School)

As the year of 1930 comes to a close we find that several interesting and instructive steps have been taken to broaden and strengthen the foundation of the teachings of vocational Agriculture. Vocationally we learn "to do by doing". The reports of the students in their home project work, which closed October 15, 1930, verifies this statement because from a total of twenty-four students enrolled, twenty-two have successfully carried out thirty-nine projects, twenty-two of which were poultry and the balance of seventeen in gardens. From the varied practises received in these projects, a vast amount of valuable experience must have been secured. Although the actual receipts received from these projects were not large, they represented good, hard, honest work on the part of the student. Backing the student we find the parent who has always been very willing to assist in the support of the home project, which necessarily involved financial support.

The following home project figures may be of interest; the twenty-two poultry projects contained a total of 628 adult birds and 1207 chicks while the garden projects, which might be classed as a "secondary" project, contained a little over two acres. A fair profit was received from each poultry project but in our gardens, a loss was evident in nearly every case. This loss can probably be accounted for in the very long and dry growing season and most unfavorable weather conditions, plus a not too good market. Even under these adverse conditions the poultry and garden projects returned to the student in products sold \$6158.48.

Beside their home project work, twenty-three of the students did a great deal of what we call "Other Supervised Agricultural Work", which refers to work accomplished outside of school time not including the home project. The time spent on this work amounted to 12,799 hours with a fair value of \$3100. This was an increase of about 4,000 hours over last year. This supervised agricultural and farm work is very valuable because it aids greatly in securing experience in good as well as poor practises.

School closed June 19, 1930 with twenty-three students enrolled with the loss of one student during the school year on account of moving out of town. Out of this number, five were graduated with four presently engaged in some form of agricultural work (two attending the two-year course at the Stockbridge School of Agriculture of the Massachusetts Agricultural College at Amherst, one working at an up-to-date poultry farm, and the other managing his own home poultry project). The opening of school on September 3, 1930 showed an enrollment of twenty-five students; since that time, one has left on account of moving out of town and two new students have been admitted, which are presently divided as follows: seniors—three, juniors—eight, sophomores—six, freshmen—eight, and one special part time student. The total enrollments since 1925 have been as follows; 1925—17; 1926—18; 1927—20; 1928—19; 1929—25; and 1930—26. Applications for admittance to the freshman class this last fall numbered fourteen but on account of unsatisfactory qualifications, only seven were accepted; this, at least, shows a healthy condition.

Items of Interest:

1. The outstanding addition to our course this year is the inclusion to some real practical work on a practical, business-like dairy farm owned by Mr. Albert Kress of Hingham. Since the start of school, the Senior-Junior group has enjoyed one whole morning each week in the actual performance of the many routine jobs on such a farm. This work included the cutting of ensilage corn and putting it in the silo by machine, the plowing of corn stubble land and seeding same down to winter rye, the plowing of green-sod land, the spreading of manure with spreader on an alfalfa field, the detailed work in the dairy-barn and milk house, the working of plans for a new bull house, and many other valuable jobs. The various jobs are followed up in the class-room with theory and discussion, which tends to round out the whole scheme of vocational agriculture very nicely.

2. The formation of a Weymouth Chapter of the Massachusetts Young Farmers' Association, which is a branch of the national organization, Future Farmers of America.

3. Our adherence to and close cooperation with the 4-H club work of the County and State.

4. The continuance of our Forestry Project work in conjunction with land owned by the Town of Weymouth.

5. The awarding of a bronze medal, donated by the Massachusetts Horticultural Society to the student who maintained the best garden, kept the best set of records, and showed the greatest progress and interest in this project. As second and third prizes,

a spading fork and a scuffle hoe were generously donated by a well-known seed house of Boston.

6. The gift of ten dollars by Mr. Charles A. Merritt, (one of our trustees) was accepted for the purpose of encouraging scholarship, project attainment, and meritorious progress among the students of this Department.

7. The following fairs and places were visited: Boston Poultry Show, High School Day at the Massachusetts Agricultural College, Norfolk County Fair at Weymouth, Topsfield Fair, Brockton Fair, New England Fair at Worcester, Eastern States Exposition at Springfield, Interscholastic Judging Day at the Massachusetts Agricultural College, and the Norfolk County 4-H Poultry Show at Walpole. From each of these places we returned with our share of the ribbons and prizes.

We believe it only proper at this time to extend a word of appreciation to our Superintendent of Schools, Mr. Parker T. Pearson, and to our Principal, Mr. F. W. Hilton, for their splendid spirit and co-operation in supporting the activities of this Department.

DENTAL CLINIC

(Report of Miss Alice A. Conroy, Dental Hygienist)

The dental campaign begun in October, 1929, was concluded in June, 1930. At the time of examination 96 were eligible for dental certificates, but at the close of school 386 children had been enrolled on the Dental Honor Roll. This was a decided increase over the first campaign conducted. The purpose of this yearly checkup is to notify the parents of existing defects and have them corrected while in the early stages.

Dental decay in the permanent teeth begins generally in the six-year molars. These are not recognized as second teeth by the parents and so are not given early attention. The following figures show the condition of the six-year molars of a group of 54 second grade children and another group of 54 third grade children. In the second grade group examined 42.5% had decayed six-year molars. In the third grade group examined 79.6% had decayed six-year molars. These figures prove that early dental attention is very essential to the child's health.

There were 1213 children who received prophylactic treatment at the clinic the past year. The Edward B. Nevin School in South Weymouth ranked highest by having 91.7% of the enrollment with clean teeth at the close of the clinic. The fourth and fifth grades in this building were 100% clean. These facts stand out as an example of the ever growing demand each year for clinic attention throughout the town.

DRAWING

(Report of Miss Evelyn Silvester, Supervisor of Drawing)

Reviewing the work of the drawing department for 1929-1930 we find everything adjusting itself to the new order of things quite satisfactorily. The new course of study has proved to be what we wished and with occasional minor changes may be used for several years. With this course of study out of the way, the planning of which takes so many hours of work outside of school, we can

use the corresponding time to good advantage in developing supplementary aids, the systematizing of mounted plates and pictures and lantern slides.

To aid us in the filing of this reference material the boys of the Vocational School made us a fine filing cabinet of fifteen drawers of three sizes, which is built into the drawing room at the High School. Attached to this file is a three-section work bench on which may be done much of the messy work of the various forms of applied design, such as batik, tie-dye, block printing, furniture making for the puppet stage, and later on we hope to do some metal work with pupils who may be especially interested.

The value of having a headquarters room is much appreciated by us all. There we can keep our reference materials, and on this we can work for a short or long time as we find time available. There also we may invite the teachers of the grades for conferences from time to time.

Some of our pupils during the year entered contests and came out with flying colors. The list follows:

Posters for Norfolk County Health Association

Second Prize Vera Bezanson Grade VIII Athens School

Honorable Mention Helen Jones Sophomore High School

Posters for Old Colony Club

First Prize, Grammar School, Eloise Sherlock, Grade VIII,
Hunt School.

First Prize, High School, Althea Smith, Senior, High School

Free Tuition, First Year Art School Scholarships

School of Practical Art, Louis Warnick South Weymouth

Vesper George School of Art, Wesley Williams, North Weymouth.

We are very proud of these pupils that have attempted something different and won out. Especially are we pleased that two of our senior boys should succeed in passing examinations for art school scholarships and each be awarded one or two given by each school each year. Between sixty and seventy took these examinations last June.

The Opportunity Class has made remarkable progress both in academic and in hand work. In September another loom was added, a two-harness foot variety for rugs. This makes two looms possible to use for rugs and two small table looms for small things like scarfs, table runners, pocket books, etc. The chair caning has continued and some of the boys are already starting a small business of their own at home in this line. This is exactly what we hope will continue; that the child will find something practical and useful for himself from this class. The girls have taken home net weaving when orders for bags and pocket books have piled up. Several hooked articles have been made by the girls this fall. It is truly surprising the amount and quality of the work turned out in a year's time by this class.

We hope that next year will show as much progress as this year has, and we shall all work with that goal in mind.

MANUAL TRAINING

(Report of Miss Alice L. Tucker, Supervisor of Manual Training)

The main purpose of this course is to teach the boy to think, to be accurate, careful, persistent and neat, and to have some sense of responsibility as well as to correlate hand, eye and brain.

In manual training as in other subjects it is important that the child start right and from the beginning learn to use his tools correctly and to master a few important tool processes. For this reason a certain amount of prescribed work is presented involving the fundamental operations. As we have manual training in only the seventh and eighth grades and the lesson is limited to from sixty to ninety minutes a week, it is not possible to accomplish what we should like, but we aim at accuracy rather than speed.

The course is arranged in progressive sequence with regard to exercises and tools and the articles are planned to have a practical and useful place in the average home. As soon as the boy has mastered the first principles he is encouraged to develop his originality and is allowed a choice of several articles. The original work growing out of the pupil's own need or the needs of the home is limited only by the ability and skill of the child. Before making an article the boy draws a plan from which he afterward works.

Each seventh grade boy was required to make a holder rack and a bread board and then was allowed to make a bird house or any kind of a box which he wished. The more rapid workers also made necktie racks, bill holders and kitchen racks. Simple joinery was taught in the eighth grade and articles containing half lap, miter, groove, mortise and tenon, and dowel joints were made. The eighth grade boys were also taught the use of the oil stone and kept the tools in good condition.

MUSIC

(Report of Mr. James W. Calderwood, Supervisor of Music)

There has been much activity in the band at the high school. Its members have been increased to 34 in number. This included four girl (clarinet) players, which is an innovation, as previously, since the band was started, it has been composed entirely of boys. The band has appeared twice before the local Rotary Club, played for the Old Colony Club, at the Weymouth Tercentenary Celebration, gave its services to the Convention of Editors of High School Periodicals held in the High School Assembly Hall, and also played at the Memorial Day Exercises held in the auditorium and at various football rallies and the like. The rehearsals of the band are held twice a week. These are supplemented by, or exchanged for, section practice.

The High School Orchestra composed of 22 members has played for the Monday Club, taken part in the exercises of the opening of the new wings at the Hunt and Bicknell Schools and furnished music at the Senior play and at graduation.

The bass viol player, developed early in the year, was graduated in June. Another pupil has been taught to play that instrument at the High School and is now playing in the orchestra.

There has been some teaching of instruments in the elementary schools in one section of the town.

The operetta, "Up in the Air", was given by the pupils in the High School last February. At present another similiar work is in preparation to be given early after the New Year.

With the beginning of September the weekly singing periods at the High School were taken over by Mr. Munroe, the assistant supervisor of music. At that time he instituted a singing period for the boys in the vocational school.

Throughout the year Mr. Munroe has held classes in voice training (elective) which have been generously attended by the pupils. The result of the training has been to raise perceptibly the level of the singing in the High School.

Under Mr. Munroe's direction the operetta, "The Flag in Birdland", was presented by the first three grades at the Hunt School.

The work in the grades has been shared by the Supervisor and the Assistant Supervisor of that department.

PENMANSHIP

(Report of Miss Katherine C. Fogarty, Supervisor of Penmanship)

During the past school year the work in penmanship has progressed with unabated zeal on the part of the teachers and pupils. The aim, as heretofore, has been to form the habit of good penmanship. The enthusiasm of most of the pupils and the fine co-operation of the teachers helped in the efforts and made the work a pleasure.

Each class is supervised for a twenty-minute period every two weeks, with the exception of the Junior Annex, where weekly visits are made. The pupils are supplied with penmanship books containing the drills on which the work is based. Envelopes are kept by the teachers into which are put at stated times during the year samples of writing and arithmetic papers. These envelopes are passed along from grade to grade as the pupils are promoted and it is interesting to note the progress. When a pupil shows sufficient skill his drills are sent to the New York Office of the Palmer Company, where they are corrected and awards of pins or diplomas given.

At the close of school last June the awards totaled more than 3,000, including 262 diplomas received by girls and boys of seventh and eighth grades. This year an effort is being made to have every eighth grade pupil earn a diploma before entering High School.

In addition to the pupils' diplomas many teachers' diplomas have been received, showing that these teachers have mastered the muscular movement themselves, and in their own problems while learning they have learned some of the difficulties the child will encounter. This will without doubt be a material help in raising the standard of our work in penmanship.

SCHOOL GARDENS

(Report of Miss Sarah E. Brassill, Supervisor of
School Gardens and Clubs)

The nation wide interest in gardens and in the landscaping of small home gardens has had its effect on the teaching of gardening in the grades. Not since the years when we were all growing vegetables in the effort to conserve food has the work moved so smoothly. When garden books are on library display tables, when magazines and daily papers run garden articles, when the radio broadcasts frequent advice and comment, the impulse to garden is in the air and students tune in subconsciously.

In the half hour a week that is set aside for teaching gardening only a limited amount can be accomplished or attempted. A few definite facts presented, a few established principals inculcated, and a desire to know more of the theory and practice of gardening awakened, are our aim. On the desire to know is based the pupil's own effort to make use of the many and varied sources of further help.

That results are reached would seem to be proved by this. At the last Weymouth Fair the children's department was dropped by request. We chose to measure our garden produce with that of the older people. Entering in seven classes the younger people carried off eleven awards, firsts and seconds, in open competition. This means not only raising good vegetables but knowing how to select from the mass production that which will satisfy expert judges of exhibits. Incidentally it means raising the grower's own standard. For instance, one boy dug his whole small patch of potatoes, but he took first and second on plates of potatoes. He has learned to identify a Green Mountain potato without, or in spite of, the label. Another boy had a twenty-foot row of carrots, but he made such choice from his yield as placed him first among many competitors.

In addition to our gardens we have one hundred and eighty workers in the food preparation clubs. There are two groups in the Bicknell district, two in the Nevin, two in the Junior Annex, one in the Hunt, two in the Pratt, and one in the Shaw, each under the leadership of a teacher. That a busy teacher should take her own free time to lead these volunteer clubs deserves more than the word of appreciation that can be given here. There is an enthusiastic clothing club under similiar leadership.

There are also a few scattered club members whose tastes lead them to work with handicraft, poultry, pigeons or rabbits. All have frequent help from the Agricultural Extension Service in addition to what we are able to do for them and to the interested attention of teachers and principals.

One thing more deserves special comment. The continued interest of the Trustee of the Pratt Fund has added a long list of trees, shrubs and perennials to those already in place on the Pratt School grounds. The latest planting was of seven hundred tulip bulbs massed in the bay between the rock ridges fronting Pleasant Street. Their blossoming in spring will be a source of pleasure to

many who will remember those grounds as one of the beauty spots of Weymouth.

The supervisor in charge fully realizes that it is due not to any one person but to the "everlasting team work" that our results are attained.

SCHOOL NURSE

(Report of Miss Anna A. MacDavitt, R. N., School Nurse)

It is the aim in school nursing to keep our children as physically fit as possible. It was, therefore, a pleasure to co-operate with the Visiting Nurse Association in conducting for the first time in Weymouth a Pre-School Age Clinic last May. The procedure was outlined by the State Department of Public Health, the object being to start children in school physically qualified with all remedial defects corrected as far as possible. One hundred and nine-two children were examined during the summer by their own family physicians, and thirty-one attended the clinics financed by the Visiting Nurse Association.

Immediately following the close of school in June two Tonsil-Adenoid Clinics were made possible by the generosity of the Weymouth Rotary Club and several local physicians, who gave their services. Thirty children submitted to operations. A check-up on these children shows such marked improvement already that we hope next year may find a similar clinic repeated.

In November a much needed health unit was established in our High School, with Miss Herberta Stockwell, R. N., in charge. This bids fair to take care of the many cases, both in the school building and in the home, which have previously been unaided because of lack of time.

During the school year milk has been furnished to twenty-five underweight children in the elementary grades.

The following statistics may be of interest:

General inspections	3304
Examinations in school	2295
Weighed and measured	490
Dressings in school	281
Assisted physicians with examinations	262
Home visits	204
Children taken home	62
Children taken to physicians	39
Children taken to oculists	4
Children taken to dentists	3
Children taken to camp	1
EXCLUDED FOR

CONTAGION FOUND IN HOMES

Mumps	13
Scabies	8
Impetigo	2

With the loyal support and cooperation of all teachers and principals it has been possible to carry on the varied duties which confront a school nurse in a department of this size and to solve the many problems which have developed in a period of stress in the homes of so many of our children.

SEWING

(Report of Miss Marjorie E. Skinner, Supervisor of Sewing)

The principal aim of instruction in sewing is not to make dressmakers of the girls but to give them an idea of the kinds of material, workmanship and care of clothing. In order to accomplish these things we make a variety of garments, using different kinds of materials.

The seventh grade, being beginners in sewing, first make a sewing bag which contains practically all of the stitches necessary for plain sewing. These bags are decorated with either a monogram or a design worked in cross stitch.

When the bags are finished they begin to work on the sewing machine, first learning its use, care and operation. To apply this knowledge they make two or three pieces of underwear.

The eighth grade review the stitches, use of patterns and operation of the sewing machine by making an apron. When the apron is finished they make underwear, either for themselves or for some member of the family.

The last half of the year is spent in making dresses of the pupil's own choice of pattern and material. Many girls appear to be more interested in making clothing for smaller brothers or sisters than for themselves.

Each year we spend a few weeks making Christmas gifts. This year the majority of the girls have made toys such as stuffed animals, dolls and bean bags.

Any spare time is spent on the repair of clothing to learn the art of patching and darning.

I do not feel that the girls are accomplishing as much nor doing their best work. We have only one or two machines in each building and the majority of the classes average over twenty.

SCHOOL SAVINGS

School	Deposits	Withdrawals	Transfers Bank Books

CONCLUSION

I wish to express to the principals and teachers my appreciation for their hearty co-operation, and to the Committee my gratitude for their cordial and helpful support throughout the year.

Respectfully submitted,

PARKER T. PEARSON

Superintendent of Schools

ODE TO THE CLASS OF 1930

Mae E Raymond

"Rejoice, we conquer!" is our cry,
 Flung as a challenge to the sky.
Behind us Youth's courageous flight,
 Before us Life's inspiring light.
A new-born day, yet its pale,
 Awaits the test; we shall not fail
To sow the seeds of honesty,
 And triumph o'er adversity.
 "Rejoice, we conquer!"
Along the path of mystery,
 As Heaven guides our destiny,
We then must strive to set the pace
 For future leaders of our race.
And when beset by toil and strife,
 Remember ye that God is life,
And he will hear our pleas on high;
 Recipients of His grace we'll cry
 "Rejoice, we conquer!"
Music by Catherine L. Smith.

REPORT OF THE HUNT SCHOOL AND BICKNELL SCHOOL BUILDING COMMITTEE

To the Citizens of Weymouth:

Formal acceptance and dedication of the additions to the Hunt School was made on January 22, 1930 with appropriate exercises

The program follows:

PROGRAM

Overture, "Lustspiel" Keler Bela	High School Orchestra
Invocation	Rev. John B. Holland
Romance, "Yester-Eve" Zamecnik	High School Orchestra
Report of Building Committee	John P. Hunt, Chairman
Description of Building	Howard B. S. Prescott, Architect
Presentation of Keys	Oberlin S. Clark of Clark & Smith, Inc., Contractor
Acceptance of Building by School Committee	Prince H. Tirrell Chairman
Selection, "Fair Debutante" Reynard	High School Orchestra
Address	Frank W. Wright, Director Elementary and Secondary Education and Normal Schools
Oriental Patrol "The Desert Caravan"	Zamecnik
Benediction	High School Orchestra Rev. Clarence L. Eaton

Inspection of the Building, immediately following this program.

Evening Inspection, 7 to 9 P. M.

During the summer the Lincoln School building was moved a short distance to a new location on the grounds, and walks and drives were laid out and graded. The land to the south of the old schoolyard, known as the Stetson Estate recently taken by the Town, has been partially graded and filled. Some of the work on the roadways has been done by the Superintendent of Streets under a special appropriation, and some work has been done directly by the School Department.

A summary of the expenses of this committee during the two years follows:

HUNT SCHOOL ADDITION

CONSTRUCTION:

Clark & Smith, Inc. Contract	\$134,298.00	
Additional Work	2,213.19	\$136,511.19

HEATING AND VENTILATING

Stubbs Bros. Contract	28,194.00

E. N. Fisher, Labor on motors	26.25	4,028.22
		<hr/>

TOTAL EXPENDITURES 200,000.00

This committee having been further authorized by vote of town meeting to bring in to town meeting accepted bids for general construction and heating for an addition to the Bicknell School, did direct the preparation of plans and specifications therefor by Howard B. S. Prescott, Architect, and by Leslie Clough, Heating Engineer. Bids thereon from a selected list of eight building and seven heating contractors were asked for and the lowest of such bids, namely, of Dacey & Tibbetts, Inc., of Boston, for the general contract at \$95,900.00, and of T. A. Ridder Co. Inc., of Boston, for the heating and ventilating contract at \$22,100.00, were tentatively accepted on February 27, 1930, subject to acceptance by the town meeting in the way of providing the funds for carrying out the work.

The vote of the town meeting did provide such funds in the sum of \$145,000.00 with the balance remaining of the appropriation of the previous year, and continued the same persons named as committee for the Hunt School, together with the School Committee, as a committee to carry out the construction of the addition to the Bicknell School. The personnell of the committee, therefore, remained the same, and on March 12, 1930 it was organized with John H. Tower as Chairman, Edwin R. Sampson as Vice Chairman, and Prince H. Tirrell as Secretary.

The execution of contracts with Dacey & Tibbetts, Inc., and with T. A. Ridder Co., Inc., was thereupon authorized. It was also voted that every effort be made to insure so far as possible the employment of local subcontractors and labor upon the work.

After execution of the contracts work was promptly started, and proceeded with good progress during the past summer. In early fall two new classrooms were usable and shortly thereafter six additional rooms became occupied.

The work was accepted as completed on November 29, last, as of November 18. There still remains some equipment to be supplied and a considerable amount of grading will be done later. A thorough system of sewage disposal has been installed. Steam heating is by the unit system, and a natural interior brick finish has been used wherever the same is warranted. The completed building is sturdy and durable and will not require frequent or extensive repairs.

A summary of expenditures and obligations to the end of the year follows:

BICKNELL SCHOOL ADDITION			
CONSTRUCTION			
Dacey & Tibbetts, Inc. On account			
contract	\$ 81,515.00		
Additional work	2,438.80	\$ 83,953.80	
HEATING AND VENTILATING			
T. A. Ridder Co., Inc., On account contract		18,785.00	
ARCHITECT & ENGINEER			
Howard B. S. Prescott, Architect	5,200.00		
Leslie Clough, Engineer	663.00	5,863.00	

ELECTRIC WIRING AND FIXTURES

Connor Electric Corporation, on account contract	3,782.50	
Granite City Electric Supply, Fixtures & material	802.02	
Weymouth Light & Power Co. Laying cable	415.00	
E. N. Fisher, Labor	203.75	5,193.27

SEPTIC TANK

A. C. Trojano, On account contract	1,973.23	
Russell H. Whiting, Survey and services	346.27	2,319.50

FURNISHINGS

Edward E. Babb & Co., Teachers' and pupils' desks chairs, auditorium chairs	3,388.49	
Narragansett Machine Co., Gymnasium equipment	350.00

REPORT OF SUPERINTENDENT

To the Board of Water Commissioners:

The following tables and summaries, covering in detail the work of the department for the year ending December 31, 1930 are respectfully submitted:

FRED O. STEVENS,
Superintendent.

SUMMARY OF STATISTICS

Year Ending December 31, 1930

In form recommended by New England Waterworks Association.

Weymouth Waterworks, Weymouth, Mass.

Population, 1930: Winter, 20,000; Summer, 24,000

Date of construction: 1885.

By whom owned: Town of Weymouth.

Source of Supply: Weymouth Great Pond.

Mode of Supply: Pumping to reservoir and gravity.

Capacity of reservoir: 700,000 gallons.

PUMPING STATISTICS

1. Pumping Machinery:

No. 1. Allis-Chalmers Single Stage Centrifugal Pump, driven by 70 H. P. G. E. Motor.

No. 2. Worthington 2 Stage Centrifugal Pump, driven by 70 H. P. G. E. Motor.

No. 3. DeLaval Single Stage Centrifugal Pump driven by 150 H. P. Sterling Gasoline Engine.

Capacity of Pumps:

No. 1. 1,700,000 gallons per 24 hours.

No. 2. 1,400,000 gallons per 24 hours.

No. 3. 2,600,000 gallons per 24 hours.

2. Total pumpage per years with Gasoline Pump, 112,000 gallons.

3. Electric current used, K. W. H. 233,974.

4. Total pumpage for year with electric pumps 278,203.210. gallons.

5. Average static lift of pumps, 108 feet.

6. Average total lift of pumps, 156 feet.

7. Cost of current per million gallons, \$21.40

8. Cost per million gallons raised one foot, \$0.137

9. Cost of pumping per million gallons based on total expense.
\$31.03

STATISTICS RELATING TO DISTRIBUTION

Mains

1. Kind of Pipe: Cast iron, wrought iron, lead and lead lined
2. Sizes: From one inch to fourteen inches.
3. Extended: 6,240 feet.
4. Replaced small wrought iron with cast iron, 4,980 feet.
5. Total now in use, 103.2 miles.
6. Length of pipes less than 4 inches in diameter, 21.3 miles.
(Mostly summer lines.)
7. Number of hydrants added during year, 18.
8. Number of hydrants now in use, 533
9. Number of stop-gates added during year, 16
- 10 Number of stop-gates now in use 828
- 11 Number of stop-gates smaller than 4 inches, 155
12. Number of blowoffs, 19
13. Range of static pressure on mains, 18 to 105 pounds.

SERVICES

14. Kind of pipe: Cast iron, cement lined, wrought iron, lead and lead lined.
15. Sizes, $\frac{3}{4}$ inch to 8 inches.
16. Extended, 2216 feet.
17. Discontinued, none.
18. Total in use, 26.29 miles.
19. Number of services added 111.
20. Total services Dec. 31, 1930, 6,759
21. Average length of services added during year, 20.0 feet.
22. Number of meters added, 256; discontinued, none.
23. Number of meters now in use, 4,554.
24. Percentage of service metered, 67.2

STATISTICS OF CONSUMPTION

1. Population: Winter, 21,000; Summer, 24,000; Average 22,000.
2. Total consumption for 1929, 558,610,540 gallons.
3. Average daily consumption 1,530,439 gallons.
4. Gallons per day per capita: 70
5. Total through commercial meters, 93,659,625.
6. Domestic consumption, (2)-(5): 464,950,915
7. Gallons per day per capita, based on (6): 57.9
8. Total through meters: 237,677,992 gallons.
9. Per cent. accounted for by meters: 42.7

REPORT OF THE ACCOUNTANT

East Weymouth, Mass., Jan. 26, 1931

To the Board of Water Commissioners:

Gentlemen:

Herewith is submitted the twenty-ninth annual report of the Accounting Department showing the receipts and expenditures on account of the Water Department for the year ending Dec. 31, 1930

The service rendered by Mr. John H. Stetson as treasurer over a period of forty-five years is worthy of more than passing notice, and as he plans to retire at the end of his present term I record my appreciation of his faithful service, willingness to co-operate and accurate handling of the financial matters of the department. It is with sincere regret that I see him relinquish the duties so honorably accomplished since I have been associated with him.

The cash and securities of the department have been examined as required by statute and found as reported.

No great progress has been made in adjusting the old outstanding accounts referred to in my last report. The longer the delay the less likelihood of their being collected; so I would advise prompt consideration be given them.

The form of balance sheet contains one new item this year, namely, Revenue Reserved Until Collected. This item has formerly been consolidated with Surplus Revenue, which was not all available for appropriating purposes as it included uncollected accounts. The item of Surplus Revenue is all available for appropriation.

The audit by the State Division of Accounts took considerably longer than it ordinarily should, thereby entailing an expense which could have been eliminated if suggestions made during the past few years had been given prompt attention. The recommendations were similar to those coming from this office some time ago and should be made effective.

It is gratifying to see the progress being made at the present time in the establishment of a system that incorporates the commitment as one of its features. The system as outlined is a big improvement and will probably answer for the present, but steps should be taken to make it more efficient in the near future.

The commitment of accounts to some person other than one within the department is most desirable.

For the proper management of the financial matters pertaining to town business I feel that the treasurer should maintain his office in the Town Hall where the official records of the department could be available.

This arrangement would make for more efficient conduct of municipal affairs and I would suggest that if this were done the warrants for the collection of water accounts be turned over to the treasurer, thereby improving the financial structure of the town from a business as well as an accounting standpoint.

I do not want this suggestion to be taken as a reflection on any of the personnel now responsible for this work, for such is not the case, but from an ethical standpoint it is not proper for officials to collect public monies on accounts for which they also issue the bills.

The co-operation of those in your department has been most helpful for which I express my appreciation.

Respectfully,

EMERSON R. DIZER

Town Accountant

Respectfully submitted,

JOHN H. STETSON
Treasurer

Weymouth, Mass Jan. 27, 1931

I have examined the accounts of John H. Stetson, Treasurer of the Weymouth Water Department and find them correct. The records of the Collector's Department have been checked with the Treasurer at least once a month during the year and I am satisfied that the report of the Collector is correct.

EMERSON R. DIZER

Town Accountant

REPORT OF THE TOWN ACCOUNTANT

East Weymouth, Mass., Jan. 27, 1931

To the Board of Selectmen and Board of Public Welfare:

Gentlemen:

I submit herewith the 29th annual report of the accounting department, classified as requested by the State Division of Accounts.

The accounts of the several town officials have been examined during the year and I believe them to be correct. Cash balances have been verified at least once a month as required by law.

The result of the audit made by the State Division of Accounts received recently, is most gratifying when comparison is made with the reports of some of the other cities and towns in the Commonwealth where financial difficulties were found as revealed through the public press.

The several Trust accounts in possession of the Treasurer were examined during the year and found as set forth in his report.

The illness of Mr. Stetson in October necessitated the appointment of a temporary treasurer. Mr. Edwin R. Sampson was appointed to this position and held office until December 20th when Mr. Stetson again took over the duties of the office.

The treasurer's accounts were audited by me when transferred to Mr. Sampson and found in balance.

Mr. Stetson has decided not to be a candidate for re-election to the position he has so honorably held for over forty-five years. I believe this period of service calls for recognition by the town, and hope steps will be taken that it may be properly acknowledged.

The final payment was made in 1930 on the loan for the construction of the Monatiquot River Bridge. While the town authorized borrowing \$170,000 for the construction of the Ward Two Fire Station and the addition to the Bicknell School, the borrowing capacity was increased to \$333,026.33 by additional valuation and the payment of \$81,000 for debt retirement in 1931.

The several statements appended to this report give accurate information relative to the subjects considered, and while it is impossible to incorporate in a report of this nature every detail that some might desire, the records in my office are available at all times and I shall be glad to give any information possible relative to town financial matters, any citizen desires.

I desire to express my appreciation to your board and other officials for their willingness to co-operate, to the end that public expenditures might be made in conformity to law.

Respectfully,

EMERSON R. DIZER

Town Accountant

Respectfully submitted,

JOHN H. STETSON, Treasurer

Weymouth, January 27, 1931

I have examined the accounts of the Town Treasurer and find them correct. The securities of the Town were examined and found to be as stated in the report of the Town Treasurer.

EMERSON R. DIZER,

Town Accountant
